**Muscle Works** Broderick D.V. Chow, 2024-07-15 Men's fitness as a performance from nineteenth century theatrical exhibitions to health and wellness practices today This book recounts the story of fitness culture from its beginnings as spectacles of strongmen weightlifters acrobats and wrestlers to its legitimization in the twentieth century in the form of competitive sports and health and wellness practices Broderick D V Chow shows how these modes of display contribute to the construction and deconstruction of definitions of masculinity Attending to its theatrical origins Chow argues for a more nuanced understanding of fitness culture one informed by the legacies of self described Strongest Man in the World Eugen Sandow and the history of fakery in strongman performance the philosophy of weightlifter George Hackenschmidt and the performances of martial artist Bruce Lee and the intersections of fatigue resistance training and whiteness Muscle Works Physical Culture and the Performance of Masculinity moves beyond the gym and across the archive working out techniques poses and performances to consider how as gendered subjects we inhabit and make worlds through our bodies

*Disability in the Global Sport Arena* Jill M. Le Clair, 2013-09-13 Sport is often at the centre of battles for rights to inclusion linked to

class race and gender and this book explores struggles centred on disability in different cultural settings in Europe North America Africa Asia and Oceania It challenges oversights and assumptions about the normal body and describes how individual and organizational transformations can occur through sport The abilities of a person are recognised and placed centre stage instead of the individual being forgotten excluded or placed at the margins simply because they have a disability National regional and global change is part of the shift to the rights based approach reflected in the 2006 UN Convention on the Rights of Persons with Disabilities Making sport inclusive affects the accessibility of facilities funding the media policies programs organisations sponsors and spectators and at the same time changes the cultural values of the wider society It also raises issues about competition access and eligibility for different and technologically enhanced cyborg bodies and for those most socially disadvantaged Addressing these questions which ultimately touch on the real meaning of sport can lead to profound changes in people s attitudes and how sport is organized locally and globally Growth in the influential global organisations of the Paralympic Games Special Olympics and Deaflympics is examined as is the approach to disability in sport in both advantaged and resource poor countries The embodied lives of persons with disabilities are explored utilizing new theoretical models perspectives and approaches This book was previously published as a special issue of Sport in Society

Reformers, Sport, Modernizers J A Mangan, 2013-10-11 A record of the role of selected middle class individuals across Europe who made notable contributions to the early evolution of modern sport and who saw success in modern sport as an expression of human qualities to be admired applauded and encouraged They viewed sport sometimes self interestedly but not always self interestedly as a medium of personal collective and national virtue It is the first general consideration of a selection of these innovatory pioneers and proselytisers who placed Europe at the forefront of major developments in contemporary world sport now a phenomenon of global significance *Chemical Heroes* Andrew Bickford, 2020-11-16 In *Chemical Heroes* Andrew Bickford analyzes the US military s attempts to design performance enhancement technologies and create pharmacological supersoldiers capable of withstanding extreme trauma Bickford traces the deep history of efforts to biologically fortify and extend the health and lethal power of soldiers from the Cold War era into the twenty first century from early adoptions of mandatory immunizations to bio protective gear to the development and spread of new performance enhancing drugs during the global War on Terrorism In his examination of government efforts to alter soldiers bodies through new technologies Bickford invites us to contemplate what constitutes heroism when armor becomes built in wired in and even edited into the molecular being of an American soldier Lurking in the background and dark recesses of all US military enhancement research Bickford demonstrates is the desire to preserve US military and imperial power **Sport and the European Avant-Garde (1900-1945)**, 2022-02-07 What has been the significance of sport for the European avant garde in the first half of the 20th century From an international and interdisciplinary perspective we show the extent to which avant garde art and culture was shaped by the dynamic encounter with modern sports Our focus lies on avant garde

artists groups movements and institutions across Europe including Cubism Futurism Vorticism Purism Expressionism Dada the Bauhaus Constructivism in Central and Eastern Europe thereby unfolding the diversity of avant garde responses to modern sports The book in front of you includes fascinating readings in the fields of aesthetics visual cultures cultural history and politics and highlights why specific kinds of sport such as cycling boxing and football became important for avant garde movements and artists
