JA Banks

Share In Death:

A Share in Death Deborah Crombie, 2003-08-26 A week's holiday in a luxurious Yorkshire time share is just what Scotland Yard's Superintendent Duncan Kincaid needs. But the discovery of a body floating in the whirlpool bath ends Kincaid's vacation before it's begun. One of his new acquaintances at Followdale House is dead; another is a killer. Despite a distinct lack of cooperation from the local constabulary, Kincaid's keen sense of duty won't allow him to ignore the heinous crime impelling him to send for his enthusiastic young assistant Sergeant Gemma James. But the stakes are raised dramatically when a second murder occurs and Kincaid and James find themselves in a determined hunt for a fiendish felon who enjoys homicide a bit too much.

A Share in Death Deborah Crombie, 1995 In this delightful new series Detective Superintendent Duncan Kincaid of Scotland Yard takes a holiday at his lovely Yorkshire time share. But before the stress of crime solving begins to disappear, a body washes up in the whirlpool bath. Kincaid won't be able to relax until the killer is sent packing.

The Death Wish in the Hebrew Bible Hanne Løland Levinson, 2021-09-23 This book investigates the texts in the Hebrew Bible in which a character expresses a wish to die.

Over Our Dead Bodies Kenneth McKenzie, Todd Harra, 2014 Funerals and all the things that accompany them are traditionally sombre, contemplative events in which the bereaved look to their undertaker to guide them through that most difficult of times. But just as life can be unpredictable, death can often throw up even more surprises. From a dysfunctional family who turn their mother's wake into a full-blown riot to funeral crashers looking for free meals, these accounts from actual undertakers will have you laughing, thinking, and gasping in disbelief.

The Art of War Sun Tzu, 2002-09-17 Conflict is an inevitable part of life according to this ancient Chinese classic of strategy, but everything necessary to deal with conflict wisely, honorably, victoriously is already present within us. Compiled more than two thousand years ago by a mysterious warrior philosopher, *The Art of War* is still perhaps the most prestigious and influential book of strategy in the world, as eagerly studied in Asia by modern politicians and executives as it has been by military leaders since ancient times. As a study of the anatomy of organizations in conflict, *The Art of War* applies to competition and conflict in general on every level, from the interpersonal to the international. Its aim is invincibility, victory without battle, and unassailable strength through understanding the physics, politics, and psychology of conflict.
