"Love Above All Else" Paul Swartz, 2009-06-16 This book tells a story about an African American high school basketball player Jerry Smith has an outstanding freshman year Coached by a white coach who idolizes Jerry until the coach discovers his daughter is pregnant by Jerry Coach becomes a different person toward Jerry and his daughter Jerry signs a huge contract with a NBA team and becomes an instant star While back home coach becomes very ill with a life threatening condition that requires an implant A donor is hard to find because of a rare blood type Who becomes the donor Above All Love Elizabeth Gillette, 2023-09-01 As followers of Christ each of us is called to participate in pro life activities whether in an active ministry group or individually We are called to respect protect love and serve every human life Above All Love will set you on an in depth personal journey helping you to cultivate your own pro life attitude and activities through relatable stories Scripture verses and thought provoking questions The book culminates with an examination of conscience and prayers focused on pro life ministry Written by a post abortive mother who has been active for more than a decade in pro life ministry Above All Love offers a first step in healing the fractures that have plagued this ministry helping all of us to look inward and strive for sanctification Author and speaker Elizabeth Gillette describes how she felt as a mother facing a crisis pregnancy and how no one stood in the gap for her Her personal testimony she shares and the lessons she has learned will equip all of us to take responsibility for our own pro life activities and defend life with intention An American Book of Romantic Love Poems Pasquale De Marco, 2025-04-18 An American Book of Romantic Love Poems captures the full range of human emotions from the ecstasy of new love to the pain of heartbreak These poems explore the many facets of romantic love from its joys and wonders to its challenges and complexities With contributions from a diverse array of poets this anthology offers a unique and deeply personal exploration of the human experience of love Whether you are newly fallen or have been married for decades these poems will speak to your heart and remind you of the power of love This book is a must read for anyone who has ever been touched by the arrow of Cupid It is a timeless collection of poems that will be treasured by lovers of all ages Table of Contents The Nature of Love The Power of Love Love and Relationships Love and Loss Love and Family Love and Friends Love and Community Love and the World Love and Spirituality Love and the Future If you like this book write a review on google books *On Love and Charity* Saint Thomas Aquinas, 2008-07 Among the great works of Thomas Aquinas the Commentary on the Sentences of Peter Lombard has suffered almost total neglect among translators Such neglect is surprising considering that the massive Commentary more than 4 000 pages in the last printed edition is not only Aquinas s first systematic engagement with all the philosophical and theological topics on which he expended his energy over the span of a short career but is also characterized by an exuberance and elaborateness seldom found in his subsequent writings Although Chenu had already drawn attention decades ago to the importance of studying this youthful tour de force for a fuller understanding of Thomas s more mature work the Commentary on the Sentences has remained a closed book for many

modern students of Thomistic and medieval thought because of its relative inaccessibility in English or in Latin The present volume containing all the major texts on love and charity makes available what is by far the most extensive translation ever to be made from the Commentary with the added benefit that the better part of the translation is based on the as yet unpublished critical edition of the Leonine Commission The collection of texts from all four books has a tight thematic coherence that makes it invaluable to students of Thomas's moral philosophy moral theology and philosophical theology In addition the inclusion of parallel texts from Aquinas's first Parisian Commentary as well as from his second Roman attempt at a commentary the recently rediscovered *Lectura Romana* makes this edition all the more valuable for those who wish to track the internal development of Thomas's thinking on these matters The new availability of so many rich passages from the Commentary on the Sentences will encourage and facilitate use of a magnificent resource that deserves to be better known The printed volume is supplemented by a web based document containing a fuller introduction webnotes and a bibliography To reach this supplementary information click [here](#)

ABOUT THE TRANSLATORS Peter A Kwasniewski is associate professor of philosophy and theology at Wyoming Catholic College and editor of *Wisdom's Apprentice Thomistic Essays in Honor of Lawrence Dewan O P* Thomas Bolin O S B is a monk at the Monastero di San Benedetto in Norcia Italy Joseph Bolin is adjunct professor of philosophy at the International Theological Institute in Gaming Austria and adjunct instructor of Latin for the Austrian Program of the Franciscan University of Steubenville

PRAISE FOR THE BOOK T he present volume contains by far the most extensive English translation from the *Scriptum* to date The translators of *On Love and Charity* have aimed to give a translation which is neither too literal nor too liberal trying to find the golden mean between an unintelligibly Latinised or an enjoyable but unfaithful English version This impressive volume will be of a great help for those wishing to study Aquinas and the issue of love in more depth

MONTHLY PACKET OF EVENING READINGS ,1875 [Love, Loss, and Abjection](#) Melanie Baffes, 2016-06-03 This study explores the premise that the experience of being born from above in John's Gospel can be seen as mirroring the development of human subjectivity particularly as understood through the psychoanalytic work of Julia Kristeva It draws specifically on Kristeva's theory of how the human self subject takes shape in infancy her contention that subjectivity is a work in progress and her insistence on abjection as a catalyst for developing selfhood Examining the story of Mary of Bethany as narrated in John 11 12 through this

lens this analysis seeks to better understand the concept of new birth and how it relates to being fully human The Ark, and Odd Fellows' Western Magazine ,1852 **It All Matters to Jesus Devotional for Girls** JoAnne Simmons,2016-03-01

The Christian Harp ,1858 Friendship Neera Kapur Badhwar,1993-04-22 Recent years have seen a marked revival of interest among philosophers in the topic of friendship This collection of fifteen articles is the first to make some of the best recent work on friendship readily accessible The book is divided into three sections The first centers on the nature of friendship the difference between friendship and other personal loves and the importance of friendship in the individual s life The second section discusses the moral significance of friendship and the response of various ethical theories and theorists Aristotelian Christian Kantian and consequentialist to the phenomenon of friendship The last section deals with the importance of personal and civic friendship in a good society Badhwar s introduction is a comprehensive critical discussion of the issues raised by the essays it relates them to each other as well as to historical and contemporary discussions not included in the anthology thus providing the reader with an integrated overview of the essays and their place in the larger philosophical picture *Love and Friendship in the Western Tradition* James McEvoy,2023-08-18 Love and Friendship in the Western Tradition comprises a collection of essays written over a 25 year period by the late Rev Professor James McEvoy on the theme of friendship The book traces the genesis and development of philosophical treatments of friendship from Greek

philosophy through the Middle Ages to modern and postmodern philosophy The collection s three major concerns are 1 the history of philosophical discussions of friendship 2 the role of friendship in the cultivation of the philosophical life 3 the marginalization of friendship as a theme for philosophical reflection and practice in the modern period As the author was primarily a medievalist a great deal of the focus of the essays is on the development of the theme of friendship in the Middle Ages in the thought of Augustine Aquinas Aelred of Rievaulx Henry of Ghent Robert Grosseteste etc However this focus while a value in itself also serves to connect philosophical perspectives on friendship from before and after the middle ages It connects to the time before inasmuch as much of the work done on friendship in the Middle Ages is anchored in interpretations of Aristotle and Plato and it connects to the time after by providing a counterpoint to the modern paradigm of what constitutes the philosophical life The collection combines historical with thematic approaches to scholarship on this issue and is one of the only books of its kind to do so It is perhaps unique in its historical sweep and will prove to be a canonical source for further research on this topic *A Selection of Hymns for the Use of Baptist Congregations*, 1853
