Share Your Faith With A Muslim:

Sharing Your Faith With A Muslim Abdiyah Akbar Abdul-Haqq, 1980-08-01 This is the book for you if you are serious about communicating the truth of the Gospel to Muslims. It is thorough. It is authoritative. It is written by a third world Christian whose father was a convert from Islam. It is the contention of the author that an effective evangelistic approach to the adherents of Islam must be based upon a study of Christ as He is found in both Scripture and the Koran. Christ then becomes the bridge between the two faiths. Such a search is to Abdul Haqq the natural means of introducing the Savior. Having seen Christ on the pages of the Bible, he moves on to a presentation of the great issues of sin, salvation, and the nature of God as the final pressing points to raise in efforts to win Muslim friends and neighbors to Jesus. **The Gospel for Muslims** Thabiti Anyabwile, 2018-01-02 How to meet a critical need: sharing the gospel with Muslims. There are over three million Muslims living in the United States today. Soon, if not already, you will have Muslim neighbors and coworkers. Does the thought of reaching out to them with the gospel make you nervous? How can you effectively communicate the good news with such large theological differences? The Gospel for Muslims can help make sharing your faith easier than you think. Thabiti Anyabwile, who is himself a convert from Islam to Christianity, instructs you in ways to discuss the good news of Christ with your neighbors and friends. The Gospel for Muslims allows you to focus on the people rather than the religious system. Meant for the average Christian, it is not an exhaustive apologetic or comparative study of Christianity and Islam. Rather, it compellingly stirs confidence in the gospel, equipping you with the basics necessary to communicate clearly, boldly, and winsomely. Share Your Faith with a Muslim Charles R. Marsh, 1975-01-01 *Encountering the World of Islam* Keith E. Swartley, 2015-11-03 Discover God's Heart for Muslims. Investigate Islam through this positive and hopeful 640-page book. *Encountering the World of Islam* explores the Muslim world and God's plan for Muslims. Truth to Tell Alan Barthel,2015-08-10 Of the world s 1 billion Muslims a great number of have never heard the truth of the Gospel They have never heard of God s grace and the salvation found in Jesus Christ As followers of Jesus we are commanded to make disciples of all nations In making disciples we must take the Gospel to Muslims Unfortunately many Christians are afraid to approach Muslims Some of this fear is based in the unknown Christians are unaware of what Islam teaches they don t know what questions Muslims may have and they don t have a good starting point for sharing the Gospel Truth to Tell is designed to help Christians overcome the fear of the unknown so that they can develop relationships with Muslims Through a systematic approach Truth to Tell addresses the topics of God Man Sin and Salvation in both Christianity and Islam This allows Christians see common themes and contrasts in the beliefs of these two religions and provides the starting point for sharing the Gospel It also helps Christians to anticipate questions that Muslims may have about Christianity

Democracy and the New Religious Pluralism Thomas Banchoff,2007-06-07 Religious pluralism is everywhere in today s politics Increased immigration flows the collapse of communism and the globalization of communications technologies have all fostered a wider variety of religious beliefs practices and organizations within and across democratic societies This is true in both the United States and Europe where growing and diverse minority communities are transforming the political landscape As a result controversies over such things as headscarves and depictions of Mohammed are unsettling a largely secular Europe while a Christian majority in the US faces familiar questions about church state relations amidst unprecedented religious diversity Far from receding into the background religious language pervades arguments around

established issues such as abortion and capital punishment and new ones such as stem cell research and same sex marriage. In *Democracy and the New Religious Pluralism*, leading scholars from multiple disciplines explore these dynamics and their implications for democratic theory and practice. What are the contours of this new religious pluralism? What are its implications for the theory and practice of democracy? Does increasing religious pluralism erode the cultural and social foundations of democracy? To what extent do different religious communities embrace similar or at least compatible ethical and political commitments? By seeking answers to these questions and revealing religious pluralism as both a source of animosity and a potent force for peaceful engagement, this book offers a revealing look at the future of religion in democratic societies.
