Eran Halperin, Keren Sharvit

Shared Beliefs In A Society Social Psychological Analysis:

Shared Beliefs in a Society Daniel Bar-Tal, 2000 **Shared Beliefs in a Society** Daniel Bar-Tal, 2000-07-06 carefully argued this book will have special appeal to graduate students faculty social psychologists notably those yearning for Lewinian Approaches and group oriented sociologists Choice What kind of shared beliefs in a society are of importance to social systems What functions do they fulfill How are they informed and disseminated What are the societal consequences of shared beliefs All of these questions are addressed in this book in which Daniel Bar Tal develops the notion of societal psychology which he states can contribute a social psychological perspective to the study of a wide range of social problems in a society He shows how societal psychology can fulfill the promise of early social psychologists by directing attention to the societal and cultural contexts in which individuals live and by examining the reciprocal influence between these contexts and individuals In this comprehensive volume four themes of societal belief patriotism security siege mentality and delegitimization are examined through well defined examples and systematic analysis Researchers students and practitioners in social psychology sociology political science and anthropology will be stimulated and engaged by this important contribution to the field *Terrorist Minds: From Social-psychological Profiling To Assessing The Risk* Sagit Yehoshua, 2020-10-19 This book s excellent discussion of the theories and concepts involved in profiling terrorists including those who are incarcerated is a major contribution to the academic discipline on these issues Perspectives on Terrorism Terrorist Minds From Social Psychological Profiling to Assessing the Risk explores the process of terrorist behavioural analysis from the social psychological profiling of terrorists to the development of risk assessment tools Most of the research for this book was conducted in cooperation with the Intelligence Department of the Israeli Prison Service via qualitative in depth interviews with leaders of terrorist organisations in Israeli prisons Once social psychological profiles were established terrorist risk assessment tools were developed to allow for better observation and practical management of associated problems This book fills the gaps in existing literature on the psychology of imprisoned terrorist group leaders through the analysis of individuals social professional and personal lives as well as their attitudes and perceptions The book also covers the practical aspects of risk assessment based on social psychological profiling and discusses relevant tools that have been developed in recent years It aims to better inform counter terrorism initiatives and policymaking as well as improve methods of communication counter terrorism and conflict resolution [A Social Psychology Perspective on The Israeli-Palestinian Conflict](#) Keren Sharvit, Eran Halperin, 2016-01-22 Due to its intensity and extensive effects both locally and globally the Israeli Palestinian conflict has drawn the attention of scholars from numerous disciplines who attempt to explain the causes of the conflict and the reasons for the difficulties in resolving it Among these one can find historians geographers political scientists sociologists and others This volume explores the Israeli Palestinian conflict from a social psychology perspective At the core of the book is a theory of intractable conflicts as developed by Daniel Bar Tal of Tel Aviv University

applied to the Israeli Palestinian conflict Opening with an introduction to the Israeli Palestinian conflict situation and a few chapters on the theoretical backgrounds of the creation of a societal ethos of conflict the volume then moves to an analysis of the psycho social underpinnings of the conflict while concluding with a discussion of the possibility of long standing peace in the region Among the topics included in the coverage are Identity formation during conflict The Israeli and Palestinian ethos of conflict The important role of Palestinian and Israeli education An analysis of the leadership in the Israeli Palestinian peace process The challenges and potential towards a road to peace in the region All contributors to the volume are pre eminent scholars of the Israeli Palestinian conflict and many of them have felt the influence of Bar Tal s formulations in their own work A rich resource for those who are followers of Dr Bar Tal s work for those who study intractable conflicts in all its forms and for those who have a particular interest in the Israeli Palestinian conflict

A Social Psychology Perspective of the Israeli Palestinian Case offers a detailed exploration of the psychological underpinnings of the Israeli Palestinian conflict and the barriers to and opportunities of the peace process

Narrative and the Politics of Identity Phillip L. Hammack, 2011 Since the late nineteenth century Jews and Arabs have been locked in an intractable battle for national recognition in a land of tremendous historical and geopolitical significance While historians and political scientists have long analyzed the dynamics of this bitter conflict rarely has an archeology of the mind of those who reside within the matrix of conflict been attempted This book not only offers a psychological analysis of the consequences of conflict for the psyche it develops an innovative compelling and cross disciplinary argument about the mutual constitution of culture and mind through the process of life story construction But the book pushes boundaries further through an analysis of two peace education programs designed to fundamentally alter the nature of young Israeli and Palestinian life stories Hammack argues that these popular interventions rooted in the idea of prejudice reduction through contact and the cultivation of cosmopolitan identities are fundamentally flawed due to their refusal to deal with the actual political reality of young Israeli and Palestinian lives and their attempt to construct an alternative narrative of great hope but little resonance for Israelis and Palestinians Grounded in over a century of literature that spans the social sciences Hammack s analysis of young Israeli and Palestinian lives captures the complex dynamic relationship among politics history and identity and offers a provocative and audacious proposal for psychology and peace education

Religion and Ethnocentrism Dave Dean Capucio, 2010-05-10 Previous studies reveal that religion despite its ideal of solidarity hospitality and compassion has been the primary origin of ethnocentrism However other researches dispute this sweeping claim by indicating several other factors that affect this complex relationship This empirical theological study is an endeavour to dig deeper into these factors by examining the extent to which a number of religious images which are culled from five religious themes namely God Jesus Spirit salvation and church contribute to ethnocentrism It situates these religious attitudes within the framework of the Dutch civil religion and the different reactions to it by contemporary Dutch catholic believers

Historical Tales and National Identity János László, 2013-11-20 Social

psychologists argue that people's past weighs on their present. Consistent with this view, *Historical Tales and National Identity* outlines a theory and a methodology which provide tools for better understanding the relation between the present psychological condition of a society and representations of its past. Author Janos Laszlo argues that various kinds of historical texts including historical textbooks, texts derived from public memory (e.g. media or oral history), novels and folk narratives play a central part in constructing national identity. Consequently, with a proper methodology, it is possible to expose the characteristic features and contours of national identities. In this book, Laszlo enhances our understanding of narrative psychology and further elaborates his narrative theory of history and identity. He offers a conceptual model that draws on diverse areas of psychology, social, political, cognitive and psychodynamics and integrates them into a coherent whole. In addition to this conceptual contribution, he also provides a major methodological innovation: a content analytic framework and software package that can be used to analyse various kinds of historical texts and shed new light on national identity. In the second part of the book, the potential of this approach is empirically illustrated using Hungarian national identity as the focus. The author also extends his scope to consider the potential generalizations of the approach employed. *Historical Tales and National Identity* will be of great interest to a broad range of student and academic readers across the social sciences and humanities in psychology, history, cultural studies, literature, anthropology, political science, media studies, sociology and memory studies.

Personality, Human Development, and Culture Ralf Schwarzer, Peter Frensch, 2010-06-17. These two volumes present the main contributions from the 29th International Congress of Psychology held in Berlin in 2008 and are written by international leaders in psychology from around the world. The authors present a variety of approaches and perspectives that reflect cutting edge advances in psychological science. *Personality Developmental Social and Cultural Issues* provides an overview of advances in several areas of psychology such as clinical health, social, developmental and cross cultural psychology. One section of the volume is dedicated solely to emotions and health and addresses state of the art work on the regulation of self health, social relations and emotions such as passion. Other sections deal with development and personality issues as well as conceptual, cultural and ethnic approaches to modern psychology. The global perspective of this collection illustrates research being undertaken on all five continents and emphasizes the cultural diversity of the contributors. This book will be an invaluable resource for researchers, professionals, teachers and students in the field of psychology.

Team Psychology in Sports Stewart Cotterill, 2012. The ability to mould a group of talented individual athletes into an effective team takes effort and skill. *Team Psychology in Sports* examines the crucial factors in the development of an effective team, introducing important psychological and organizational concepts and offering evidence based interventions for enhancing the performance of any sports team. The book neatly bridges the gap between theory and practice with real sporting case studies, examples and practical tools included in each chapter. It covers the full range of issues in team sport including planning, communication, cohesion, motivation, emotions, momentum, leadership, recovery. No other book offers such

an up to date relevant and applied guide to working with sports teams It is essential reading for all students and practitioners working in sport psychology or sports coaching

Emotions in Conflict Eran Halperin, 2015-12-07 Social and political psychologists have attempted to reveal the reasons why individuals and societies that acknowledge that peace would improve their personal and collective well being and are aware of the required actions needed to promote it are simply incapable of making this step forward Some social psychologists have advocated the idea that certain societal beliefs and collective memories about the nature of the opponent the in group the history and the current state of the conflict distort the perceptions of society members and prevent them from identifying opportunities for peace But these cognitive barriers capture only part of the picture Could identifying the role of discrete emotions in conflicts and conflict resolution potentially provide a wide platform for developing pinpoint conflict resolution interventions Using a vast array of primary sources critical literature analysis and firsthand personal experiences in various conflict zones Middle East Cyprus Bosnia and Northern Ireland Eran Halperin introduces a new perspective on psychological barriers to peace Halperin focuses on various emotional mechanisms that hamper peace processes even when parties face real opportunities for conflict resolution More specifically he explores how hatred anger fear angst hope despair empathy guilt and shame combined with various emotion regulation strategies provide emotions based explanations for people s attitudinal and behavioral reactions to peace related events during the ongoing process of conflict resolution Written in a clear and accessible style *Emotions in Conflict* offers a thought provoking and pioneering insight into the role discrete intergroup emotions play in impeding as well as facilitating peace processes in intractable conflicts This book is essential reading for those who study intractable conflicts and their resolutions and those who are interested in the real world implication of recent theories and findings on emotion and emotion regulation

The Social Psychology of Intractable Conflicts Eran Halperin, Keren Sharvit, 2015-07-01 This volume works explores a transferable theory of a specific social psychological infrastructure based on the work of Dr Daniel Bar Tal that develops from cultures immersed in intractable conflicts The book s approach to this issue is different from approaches that are predominant in social psychology This is because an important inspiration of many scholars that contributed to the book is their everyday experience of living in a region where intractable conflict shapes the life s of everybody who lives there On the basis of this experience and on the basis of extensive research an elaborate theory of intractable conflict was developed that deals with the origin of such conflicts the mechanisms that maintain them and the processes that may contribute to their peaceful solution In light of recent research and developments this volume demonstrates analyzes and reviews the theory of a social psychological infrastructure formed in societies with intractable conflicts It explores the contents of these elements of the infrastructure the processes through which they are acquired and maintained their functions the societal mechanisms that contribute to their institutionalization as well as their role in the crystallization of social identity and development of a culture of conflict By demonstrating that it can be applied to various kinds of intractable conflicts in various places of world

the volume argues that the theory is transferable and universal Moreover the volume aims to exhibit new connections and integrations between Bar Tal s theories and other prominent theoretical frameworks in social and political psychology Presenting both a comprehensive overview of works that have been influenced by Bar Tal s theories and research as well as a wide gate to future studies that will connect Bar Tal s work to recent theoretical developments in related domains

Understanding the Social Psychology of Intractable Conflicts Celebrating the Legacy of Daniel Bar Tal is an important text for all those interested in developing a sustainable peaceful world Social Aspects of Memory Alma Jeftic,2019-05-14

Social Aspects of Memory presents a compelling study of how ordinary people remember war Whilst the book focuses on the cities of Sarajevo and East Sarajevo during the 1992 1995 war in Bosnia Herzegovina Jeftic also presents narratives from other war torn cities and countries around the world This book adopts a unique approach by looking at how perpetrators and victims as well as new generations who may not remember the war directly manage in the aftermath of war Jeftic explores how our memories of war and violence are formed and how we can learn to reconcile those memories individually and as a collective Drawing on the author s own empirical and extensive research the book explores the connection between memories for significant war events transgenerational transmission of memories bias for in group wrongdoings and readiness for reconciliation between two groups Giving a voice to underrepresented narratives and prioritising the importance of expression as a necessary catalyst for reconciliation this book is essential reading for those interested in collective and transgenerational memory and memory studies especially in relation to the aftermath of the 1992 1995 war in Bosnia Herzegovina Israeli and Palestinian Collective Narratives in Conflict Adi Mana,Anan Srour,2020-09-16

Examining the social laboratory of the Israeli and Palestinian societies to better understand social conflicts and the construction of diverse and conflicting collective narratives this book gives readers a window into Professor Shifra Sagy s unique approach to intergroup conflicts and peace education With a focus on both theory and practice it describes the model of perceptions of collective narratives that she developed with her colleagues The contributions here offer insight into the intergroup conflicts between Israelis and Palestinians Palestinian Muslims and Christians Jewish National Religious and people of ultra Orthodox faith and Palestinians living in Israel and those living in the West Bank Perceptions of collective narratives help crystallize social identity a sense of community and national coherence and a culture of conflict Often this creates obstacles to peace and conflict resolution This book instead looks at how we can use these constructions to promote reconciliation

Screens' Puppets Mohammed Khushaim,2023-07-15

Screens Puppets Unveiling the Influence of Media Control Screens Puppets is a gripping exploration of the hidden forces that shape our thoughts emotions and actions in the digital age In this eye opening journey this book exposes media outlets pervasive influence and astonishing ability to control us like puppets on strings This book delves into the strategies used by media conglomerates to shape our beliefs preferences and identities It examines the influence of television the internet and social media platforms based on research and real life examples It reveals how each

screen exerts its power and teaches readers to recognize subtle techniques used to manipulate perceptions and behaviors ultimately giving control to those who pull the strings Screens Puppets empowers readers to break free from media manipulation by providing self awareness critical thinking and media literacy skills Through thought provoking analysis readers can challenge assumptions question narratives and reclaim autonomy in the face of media influence If you ve ever felt like your thoughts and actions are controlled by an unseen force if you ve ever questioned the authenticity of the information presented to you or if you crave a deeper understanding of the media s impact on our lives then Screens Puppets is the book you ve been waiting for

The Encyclopedia of Peace Psychology ,2011-12-12 The Encyclopedia of Peace Psychology available online through Wiley Online Library or as a three volume print set is a state of the art resource featuring almost 300 entries contributed by leading international scholars that examine the psychological dimensions of peace and conflict studies First reference work to focus exclusively on psychological analyses and perspectives on peace and conflict Cross disciplinary linking psychology to other social science disciplines Includes nearly 300 entries written and edited by leading scholars in the field from around the world Examines key concepts theories methods issues and practices that are defining this growing field in the 21st century Includes timely topics such as genocide hate crimes torture terrorism racism child abuse and more A valuable reference for psychologists and scholars students and practitioners in peace and conflict studies An ALA 2013 Outstanding Reference Source

1 Corinthians: A Social Identity Commentary J. Brian Tucker,2024-10-17 Paul s first letter to the Corinthians deals with key aspects of the formation of the Christian community at Corinth Paul uses his correspondence with the Corinthians to address issues of morality of community structure of ritual and of religious behaviour The letter is a key document for understanding the development of Christianity and for understanding Christianity in its earliest context In this Social Identity Commentary J Brian Tucker provides a comprehensive coverage of the issues and concerns related to 1 Corinthians from the perspective of social identity Tucker outlines his interpretation of the theoretical issues concerned and then applies this to provide a clear overview of historical and critical issues related to the study of 1 Corinthians This provides a clear engagement with the text that will serve as a useful resource for scholars students clergy and people interested in the formation and purpose of the letter

Encountering the Suffering of the Other Francesco Ferrari,Martin Leiner,Zeina M. Barakat,Michael Sternberg,Boaz Hameiri,2023-05-15 I will give you a new heart and put a new spirit in you I will remove from you your heart of stone and give you a heart of flesh Ezechiel 36 26 This biblical image particularly significant for Jews Christians and Muslims gives insight into the central issues of this book how a greater readiness to reconcile can take place among individuals and groups who experience the suffering of the other even in the midst of a protracted conflict such as the Israeli Palestinian one This book offers a collection of essays written by the team members of a transdisciplinary DFG project between Jena University Ben Gurion University Tel Aviv University and the Wasatia Academic Institute

Violence and Mental Health Jutta Lindert,Itzhak Levav,2015-02-25 Violence is one of the

most important challenges not only for public health systems but also for public mental health. Violence can have immediate as well as long term and even transgenerational effects on the mental health of its victims. This book provides a comprehensive and wide ranging assessment of the mental health legacy left by violence. It addresses the issues as they affect states, communities and families in other words at macro, meso and micro levels beginning by describing the impact of violence on neurobiology and mental health as well as the spectrum of syndromes and disorders associated with different forms of violence. The work moves on to tackle violence at the international and intranational level before zeroing in on the nature of violence in communities such as villages or city districts. It also examines the results of violence in the family. Each type of violence has distinct effects on mental health and in each chapter specific groups are explored in depth to demonstrate the heterogeneity of violence as well as the diversity of its outcomes in the realm of public mental health. Finally the book addresses the notion of undoing violence by detailing case studies of effective interventions and prevention occurring in countries, communities and families. These cases give us pause to reflect on the nature of resilience and dignity in the context of violence and mental health. All the chapters have been written by leading authors in the field and provide a state of the art perspective. The authors from different fields of expertise facilitate interdisciplinary and international insights into the impact of violence on mental health.

Interdisciplinary Studies in Pragmatics, Culture and Society

Alessandro Capone, Jacob L. Mey, 2015-07-31. This volume is part of the series *Pragmatics, Philosophy and Psychology* edited for Springer by Alessandro Capone. It is intended for an audience of undergraduate and graduate students as well as postgraduate and advanced researchers. This volume focuses on societal pragmatics. One of the main concerns of societal pragmatics is the world of language users. We are interested in the investigation of linguistic practices in the context of societal practices. *praxis* to use a term used in the Wittgensteinian and other traditions. It is clear that the world of users including their practices, their culture and their social aims has to be taken into account and seriously investigated when we deal with the pragmatics of language. It is not enough to discuss principles of language use solely in the guise of abstract theoretical tools. Consequently the present volume focuses explicitly on the interplay of abstract theoretical principles and the necessities imposed by societal contexts often requiring a more flexible use of such theoretical tools. The volume includes articles on pragmatics, politeness and anti politeness, dialogue, joint utterances, discourse markers, pragmatics and the law, institutional discourse, critical discourse analysis, pragmatics and culture, cultural scripts, argumentation theory, connectives and argumentation, language games and psychotherapy. It slurs the analysis of funerary rites as well as an authoritative chapter by Jacob L. Mey on societal pragmatics.

Social Representations and Identity G. Moloney, I. Walker, 2007-10-29. Drawing on the non individualistic perspective of social representations theory, this book presents an alternative view of social identity by articulating the inseparable dynamic relationships that exist between content, process and power relations when social identity is embedded in social knowledge.

Right here, we have countless books **Shared Beliefs In A Society Social Psychological Analysis** and collections to check out. We additionally meet the expense of variant types and next type of the books to browse. Shared Beliefs In A Society Social Psychological Analysis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shared Beliefs In A Society Social Psychological Analysis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shared Beliefs In A Society Social Psychological Analysis has opened up a world of possibilities. Downloading Shared Beliefs In A Society Social Psychological Analysis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shared Beliefs In A Society Social Psychological Analysis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shared Beliefs In A Society Social Psychological Analysis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shared Beliefs In A Society Social Psychological Analysis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shared Beliefs In A Society Social Psychological Analysis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shared Beliefs In A Society Social Psychological Analysis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shared Beliefs In A Society Social Psychological Analysis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shared Beliefs In A Society Social Psychological Analysis is one of the best book in our library for free trial. We provide copy of Shared Beliefs In A Society Social Psychological Analysis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shared Beliefs In A Society Social Psychological Analysis. Where to download Shared Beliefs In A Society Social Psychological Analysis online for free? Are you looking for Shared Beliefs In A Society Social Psychological Analysis PDF? This is definitely going to save you time and cash in something you should think about.
