## Sharing Sisters:

Three Sisters James D. Doss, 2008-09-30 Colorado rancher and tribal investigator Charlie Moon is taking a night off to play some poker with his best friend Scott Parris Granite Creek's chief of police when Scott's dispatcher cuts in with an emergency call. It seems a man was on the phone with his wife when their call was interrupted by a bloodcurdling scream and the most gruesome noises he'd ever heard. Would they mind checking it out? Arriving on scene they discover that the man's wife, one of three daughters of a wealthy and powerful rancher, has been mauled beyond recognition. Even after her two sisters, one of whom is a popular TV psychic who on that very night's show reported seeing the real-time murder of one of her fans, turn up at the DA's office demanding answers, the smart money and forensic experts are still laying blame on a hungry bear. But once the wheels of justice are turning and the ratings for Cassandra Sees are going through the roof, the surviving sisters are awfully quick to move on in all kinds of ways. With eyebrows and suspicions raised, Charlie and his irascible aunt Daisy, a Ute shaman whose investigative talents rely heavily on help from the spirit world, set out to track down a killer. A tight plot, quick wit, and clever crimes make *Three Sisters* the twelfth installment in the popular Charlie Moon series, the newest must-have from James D. Doss.

**Katharine Drexel and the Sisters Who Shared Her Vision** McGuinness, Margaret M., 2023 Although Katharine Drexel has been the subject of several biographies, they have tended to treat her as a perfect human being whom the Church later transformed into a saint. Katherine and the Sisters Who Shared Her Vision moves beyond the story of the heiress's individual life devoted to God and shines a light on the work she did, assisted by the Sisters of the Blessed Sacrament. Drexel could have lived comfortably wealthy and privileged as a Philadelphia philanthropist but chose to found a religious congregation of women dedicated to working within Black and Indigenous communities without receiving the bulk of the money left by Drexel's father. The author's careful examination of the work Drexel and her Sisters accomplished in Philadelphia and elsewhere shows impacts on the Church while also revealing racial issues at work in the story. This brings a critical perspective to Drexel's ministry to further our understanding of the Black Catholic community and renew our commitment to the difficult ongoing conversation about race in America.
