Sharing The Promised Land:

Sharing the Promised Land Dilip Hiro, 1999-04 Previous published in 1998 With a new preface Sharing the Promised Land Dilip Hiro, 1999 Dilip Hiro one of the most experienced of Middle East hands provides readers with a comprehensive chronicle of Israeli and Palestinian lives shaped by negotiation and confrontation right up to the present

Sharing the Land of Canaan Mazin B. Qumsiyeh, 2004-06-20 There is no more compelling and dramatic unfolding story with more profound international ramifications than the conflict in the Middle East Sharing the Land of Canaan is a critical examination of the core issues of the conflict that dares to put forward a radical but logical solution that a shared state is the best way to achieve justice and peace for Israelis and Palestinians Mazin B Qumsiyeh offers an overview of the issues at stake and outlines his vision for a lasting peace based on upholding the principles of human rights for all Tackling taboo subjects myths and obstacles he argues convincingly that apartheid in the form of a two state solution is no longer a feasible way to achieve enduring peace At this critical time when the road map to peace looks more uncertain than ever this book provides a refreshing counterpoint to the failed strategies of the past It is a direct and accessible account of the history and mythology of the fabled Land of Canaan which lays out hopeful ideas for the future of this truly multiethnic and multicultural region

Women, the State, and War Joyce P. Kaufman, Kristen P. Williams, 2007-12-24 Women the State and War looks at the intersection of gender citizenship and nationalism marriage intermarriage and how states gender that relationship and the ways in which women are used as symbols to reinforce or further nationalistic goals Women have long struggled with issues of citizenship identity and the challenge of being recognized as equal members of the community Governments use feminine imagery e g mother country to create a national identity while simultaneously minimizing the role that women play as productive contributors to the society Authors Joyce P Kaufman and Kristen P Williams examine the relationship of government and women in four different countries the United States Israel the former Yugoslavia and Northern Ireland In each case numerous similarities appear conflict plays a significant role in the definition of citizenship for women women s movements have worked in contradiction to the state and citizenship and marriage are gendered undertakings The Modern Middle East Mehran Kamrava, 2005-01-31 The first succinct and authoritative overview of the making of the modern Middle East this lucid book brings a valuable mix of historical perspectives and contemporary analysis to a wide audience of readers seeking expert knowledge about this troubled and fascinating region Giving a rich perspective on the region s historical and political evolution the book traces the influence of factors such as religion culture and economics and illuminates events and topics currently in the news With its broad thematic sweep and its balanced presentation of contentious issues it is essential reading for general readers and students who want to better understand the world today Mehran Kamrava sets the stage with a concise discussion of the evolution of Islam and the religion s profound role in the region He then looks at in turn the rise and fall of the Ottomans the trials of independence and state building the emergence

and fiery spread of nationalism the two Arab Israeli wars of 1967 and 1973 the Iranian Revolution and the two Gulf Wars and beyond including discussion of the invasion of Iraq by the United States After tracing the consequences of these historical events for a host of political phenomena Kamrava gives detailed attention to three pivotal issues the challenges of economic development the Palestinian Israeli conflict and the question of democracy He also examines issues that will shape the future population growth environmental pollution and water scarcity

Sharing the Journey Robert Wuthnow,1996-07-01 A look at how support groups have affected American society argues that although support groups provide a warmth and security that holds society together they can lead to an unhealthy self absorption and a trivialized sense of what is sacred

Sharing the Book John Witte,Richard C. Martin,2008-05-01 More than a dozen religious leaders offer authoritative statements and analyses of classic and contemporary perspectives on mission activity and conversion in Judaism Christianity and Islam

Sharing the Past J.A. Weingarten,2019-07-15 Sharing the Past is an unprecedentedly detailed account of the intertwining discourses of Canadian history and creative literature When social history emerged as its own field of study in the 1960s it promised new stories that would bring readers away from the elite writing of academics and closer to the everyday experiences of people Yet the academy s continued emphasis on professional distance and objectivity made it difficult for historians to connect with the experiences of those about whom they wrote and those same emphases made it all but impossible for non academic experts to be institutionally recognized as historians Drawing on interviews and new archival materials to construct a history of Canadian poetry written since 1960 Sharing the Past argues that the project of social history has achieved its fullest expression in lyric poetry a genre in which personal experiences anchor history Developing this genre since 1960 Canadian poets have provided an inclusive model for a truly social history that indiscriminately shares the right to speak authoritatively of the past

Sharing God's Passion Paul Hedley Jones,2025-08-28 This book seeks to illuminate the critical role the prophets played in God s overarching purposes for his creation and how we in the 21st century may also learn to collaborate with God Sharing God s Passion provides a comprehensive overview of the various dimensions of a prophetic spirituality through a series of seventeen studies each based on events in the life of the prophets starting with Moses through to the early church including two chapters on Jesus The studies offer in depth analyses of biblical texts suggestions for life application and questions for personal reflection or group discussion

Thelma Wells and others Sharing America's Neighborhoods Ingrid Gould ELLEN, Ingrid Gould Ellen, 2009-06-30 The first part of this book presents a fresh and encouraging report on the state of racial integration in America's neighborhoods. It shows that while the majority are indeed racially segregated, a substantial and growing number are integrated and remain so for years. Still, many integrated neighborhoods do unravel quickly, and the second part of the book explores the root causes. Instead of panic and white flight causing the rapid breakdown of racially integrated neighborhoods, the author argues contemporary racial change is driven primarily by the decision of white households not to move into integrated neighborhoods when they are moving for reasons unrelated to race. Such white avoidance is largely based on the assumptions that integrated neighborhoods quickly become all black and that the quality of life in them declines as a result. The author concludes that while this explanation may be less troubling than the more common focus on racial hatred and white flight, there is still a good case for modest government intervention to promote the stability of racially integrated neighborhoods. The final chapter offers some guidelines for policymakers to follow in crafting effective policies. **Sharing the Blessings** Jacques Grand'Maison, Solange Lefebvre, 1996 **Sharing the Prize** Gavin Wright, 2013-02-25 Southern bus boycotts and lunch counter sit-ins were famous acts of civil disobedience but were also demands for jobs in the very services being denied blacks. Gavin Wright shows that the civil rights struggle was of economic benefit to all parties: the wages of southern blacks increased dramatically but not at the expense of southern whites. **Sharing the Burden** Charlie Laderman, 2019-09-11 The destruction of the Armenian community in the Ottoman Empire was an unprecedented tragedy. Even amidst the horrors of the First World War, Theodore Roosevelt insisted that it was the greatest crime of the conflict. The wartime mass killing of approximately one million Armenian Christians was the culmination of a series of massacres that Winston Churchill would later recall had roused publics on both sides of the Atlantic and inspired fervent appeals to save the Armenians. *Sharing the Burden* explains how the Armenian struggle for survival became so entangled with the debate over the international role of the United States as it rose to world power status in the early twentieth century. In doing so, Charlie Laderman provides a fresh perspective on the role of humanitarian intervention in US foreign policy, Anglo-American relations, and the emergence of a new world order after World War I. The United States' responsibility to protect the Armenians was a central preoccupation of Presidents Theodore Roosevelt and Woodrow Wilson. Both American and British leaders proposed an Anglo-American alliance to take joint responsibilities for the Middle East and envisioned a US intervention to secure an independent Armenia as key to the new League of Nations. The Armenian question illustrates how policymakers, missionaries, and the public grappled for the first time with atrocities on this scale. It also reveals the values that animated American society during this pivotal period in the nation's foreign relations. Deepening understanding of the Anglo-American special relationship and its role in reforming global order. *Sharing the Burden* illuminates the possibilities, limitations, and continued dilemmas of humanitarian intervention in international politics. Sharing in the Inheritance Allan R. Bever, 2003-03-01

The argument of this book is two fold the target of the argument of Colossians is a Judaism dismissive of the Gentile Colossian Christians and the recognition of that fact casts new light on the moral material of the letter and its integration into the argument of the epistle as a whole Several arguments are made in support of these claims Significant parallels between Colossians and Galatians suggest similar concerns in both letters relating to Israel s identity as the people of God and how that relates to the Gentile believers are to live The writers of Colossians while sharing a similar Jewish perspective with the Colossian philosophers on the relationship between identity and way of life admonish the Gentile Christians to live in a way consistent with who they are Nevertheless Paul and Timothy differ with the philosophers as to what constitutes the identity of the Colossian Gentiles as the people of God In addition to the parallels drawn further themes are present in Colossians which strongly suggest the Jewish character of the philosophy wisdom election and death of Christ as the final return from exile The apocalyptic background of 3 1 6 the Jewish moral concerns of the ethical lists 3 5 17 and the christological orientation of the Haustafel bolster the claim that the target of Colossians is Jewish in character and the moral material is integral to the argument

Sharing the Sacra Glenn Bowman, 2012-07-01 Shared sites where members of distinct or factionally opposed religious communities interact or fail to interact is the focus of this volume Chapters based on fieldwork from such diverse sites as India Nepal Sri Lanka China Turkey Morocco Tunisia and Vietnam demonstrate how sharing and tolerance are both more complex and multifaceted than they are often recognized to be By including both historical processes the development of Chinese funerals in late imperial Beijing or the refashioning of memorial commemoration in the wake of the Vietnam war and particular events the visit of Pope John Paul II to shared shrines in Sri Lanka or the Al Qaeda bombing of an ancient Jewish synagogue on the Island of Djerba in Tunisia the volume demonstrates the importance of understanding the wider contexts within which social interactions take place and shows that tolerance and intercommunalism are simultaneously possible and perpetually under threat

[Sharing in Christ's Virtues](#) Livio Melina, 2001 The encyclical Veritatis splendor The Splendor of Truth represents the first document of the magisterium devoted to the foundations of the Catholic moral life Though it was intended to confront a genuine crisis of moral disintegration and to offer positive directions for carrying out the work of renewing moral theology it was fiercely criticized by theologians who regarded it as a simplistic and repressive document Now several years after the publication of the encyclical Livio Melina offers an original contribution not only to the study of Veritatis splendor and the controversy surrounding it but also to the field of moral theology as a whole In Sharing in Christ s Virtues Melina proposes a blueprint for organizing moral theology one that is in harmony with the directions given in Veritatis splendor and one that likewise respects the requirements of both the theological and the scientific character of the discipline He describes it as a Christocentrism of the virtues which understands the moral life of Christians as a participation in the virtues of Christ by means of the grace of one s ecclesial incorporation in Christ Melina argues that the renewal of moral theology should result

in first a search for a more integral and dynamic understanding of human action and second a theological re dimensioning of morality to better comprehend the synergy between human action and God s action The contents of the book are Part One Toward a Christocentrism of the Virtues Lines of Renewal 1 Between Crisis and Renewal The Cultural and Theological Context of Morality Today 2 An Ethics of the Good Life and of Virtue 3 An Ethics Founded on the Truth About the Good of the Person 4 A Morality of Faith The Salvific Relevance of Moral Action 5 A Christocentric Ethics of the Virtues Part Two Ecclesial Sense and Moral Life Perspectives and Developments 6 Ecclesial Dimensions of Moral Theology 7 The Call to Holiness in the Catechism of the Catholic Church The Morality and Spirituality of Life in Christ 8 Moral Conscience and Communio Toward a Response to the Challenge of Ethical Pluralism Livio Melina is professor of moral theology at the John Paul II Institute for Studies on Marriage and Family at the Lateran University in Rome In addition to numerous articles he has written and coauthored several books including *La conoscenza morale Linee di riflessione sul Commento di san Tommaso all Etica Nicomachea* *Morale tra crisi e rinnovamento* *Corso di bioetica* *Il Vangelo della vita* *Amor conjugal y vocacion a la santidad* *Domanda sul bene e domanda su Dio* and *Quale dimora per l agire* *Dimensioni ecclesiologiche della morale* Melina s thought provoking and powerful presentation of key themes in moral theology will be welcomed by English readers One comes away with an understanding and appreciation of the basis of Christian morality for the twenty first century The excellent bibliography lists authors from Aristotle to John Paul II many not well known in the English literature on moral theology Melina s work is timely Catholic Library World

Sharing in God's Presence Roy D. Kindelberger, 2018-10-05

Sharing in God s Presence means far more than getting saved and experiencing God s blessing in our lives As believers his presence becomes a very personal part of who we are and what we do God actually shares himself with us The language that we use often fails to capture the depths of God s nature penetrating ours the fullness of his Spirit permeating our hearts and the innermost infusion of his presence in our lives But the truth couldn t be more intimate The person who is joined to the Lord is one spirit with him 1 Corinthians 6 17 This book is an invitation to share in God s presence by allowing God to share himself with you God wants everyone to share in his embrace As we accept our responsibility for prayer ministry and even revival we share in the very precious dynamic of give and response that s involved in an intimate walk with Jesus Christ For a general readership this book is a reworking of material from the second half of the author s academic work *God s Absence and the Charismatic Presence*
