*Tracing the Autobiographical* Marlene Kadar, Susanna Egan, 2009-10-22 The essays in Tracing the Autobiographical work with the literatures of several nations to reveal the intersections of broad agendas for example national ones with the personal the private and the individual Attending to ethics exile tyranny and hope the contributors listen for echoes and murmurs as well as authoritative declarations They also watch for the appearance of auto biography in unexpected places tracing patterns from materials that have been left behind Many of the essays return to the question of text or traces of text demonstrating that the language of autobiography as well as the textualized identities of individual persons can be traced in multiple media and sometimes unlikely documents each of which requires close textual examination These unlikely

documents include a deportation list an art exhibit reality TV Web sites and chat rooms architectural spaces and government memos as well as the more familiar literary genres a play the long poem or the short story Interdisciplinary in scope and contemporary in outlook Tracing the Autobiographical is a welcome addition to autobiography scholarship focusing on non traditional genres and on the importance of location and place in life writing Read the chapter Gender Nation and Self Narration Three Generations of Dayan Women in Palestine Israel by Bina Freiwald on the Concordia University Library Spectrum Research Repository website [Sharon Pollock](#) Sharon Pollock,2005 Third volume of plays from one of Canada s most celebrated playwrights [Theatre and Autobiography](#) Sherrill Grace,Jerry Wasserman,2006 This groundbreaking exploration of a wide range of contemporary theorists and playwrights covers an extraordinary breadth of styles and performances *Wild Words* Donna Coates,George Melnyk,2009 As the first collection of literary criticism focusing on Alberta writers Wild Words establishes a basis for identifying Alberta fiction poetry drama and nonfiction as valid subjects of study in their own right The idea for this collection began with 100 years of literary tradition for Alberta s centenary However Alberta s literary roots go back much farther than that to the oration of First Nation s peoples and the colonizing exploration and travel literature of the 18th and 19th centuries *A Dictionary of Writers and their Works* Christopher Riches,Michael Cox,2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer s nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication *The Villainous Stage* Marvin Lachman,2014-11-19 Live theatre was once the main entertainment medium in the United States and the United Kingdom The preeminent dramatists and actors of the day wrote and performed in numerous plays in which crime was a major plot element This remains true today especially with the longest running shows such as The Phantom of the Opera Les Miserables and Sweeney Todd While hundreds of books have been published about crime fiction in film and on television the topic of stage mysteries has been largely unexplored Covering productions from the 18th century to the 2013 2014 theatre season this is the first history of crime plays according to subject matter More than 20 categories are identified including whodunits comic mysteries courtroom dramas musicals crook plays social issues Sherlock Holmes and Agatha Christie Nearly 900 plays are described including the reactions of critics and audiences **Sanctioned Ignorance** Paul Martin,2013-11-15 There is no such thing as the ivory tower Rather there sit side by side numerous windowless towers of knowledge each seeming to have only a small entrance and no discernable exit Paul Martin Multilingual multicultural and vast Canada enjoys a rich diversity of literatures So why does Canadian Literature as it has been taught fail to encompass a
