Darnell,2000-08 Child molesting priests embezzled church treasures philandering ministers and rabbis even church endorsed pyramid schemes that defraud gullible parishioners of millions of dollars for the past decade clergy misconduct has seemed continually to be in the news Is there something about religious organizations that fosters such misbehavior Bad Pastors presents a range of new perspectives and solidly grounded data on pastoral abuse investigating sexual misconduct financial improprieties and political and personal abuse of authority Rather than focusing on individuals who misbehave the volume investigates whether the foundation for clergy malfeasance is inherent in religious organizations themselves stemming from hierarchies of power in which trusted leaders have the ability to define reality control behavior and even offer or withhold the promise of immortality Arguing that such phenomena arise out of organizational structures the contributors do not focus on one particular religion but rather treat these incidents from an interfaith perspective Bad Pastors moves beyond individual case studies to consider a broad range of issues surrounding clergy misconduct from violence against women to the role of charisma and abuse of power in new religious movements Highlighting similarities between other forms of abuse such as

domestic violence the volume helps us to conceptualize and understand clergy misconduct in new ways Shattered Silence Judith Marshall,1993 Hearing an explosion of gunfire Alison Archer races down the stairs just in time to see a shadowy figure fleeing and her father lying in a pool of blood Now Alison is alone with her grief and the realization that something is terribly wrong at Megtex her father s corporation that she now owns and runs Soon she is stalked by a cunning madman who has killed before and will kill again *The Resonance Of Shattered Time* ,2025-04-30 In a world fractured by a cataclysmic event known as the Sundering echoes of the past haunt the present warping reality and threatening to tear it apart When a reluctant scribe named Kaelen discovers a hidden power within himself he is forced to flee his sheltered life and confront two fanatical factions vying for control of this shattered world the power hungry Resonance Cult and the exterminationist Silencer Order Driven by desperation and guided by a fragile hope Kaelen embarks on a perilous journey learning to wield his abilities and facing impossible choices as he races against time to prevent the collapse of reality itself **Unsettling Accounts** Leigh A. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
