Memoir of Norman Macleod, D.D., Minister of Barony Parish, Glasgow Donald Macleod, 1876 *Peace Is a Shy Thing* Alex Vernon, 2025-05-27 The first literary biography of Tim O'Brien the preeminent American writer of the war in Vietnam and one of the best writers of his generation drawing on never before seen materials and original interviews Vietnam made me a writer Tim O'Brien Featuring over one hundred interviews with family friends peers and others not to mention countless exchanges with Tim O'Brien himself *Peace is a Shy Thing* provides a nearly day by day gripping account of O'Brien's thirteen months as an infantryman in Vietnam and gives equal diligence to reconstructing O'Brien's writing process This meticulously researched biography explores the life and journey

that turned O'Brien into a literary icon and a household name. It includes an unpublished short story about O'Brien from a college girlfriend, documentation of his comical involvement with the Washington Post's coverage of Watergate and a 1989 attic exchange between American and Vietnamese writers on the eve of the publication of O'Brien's most beloved book *The Things They Carried*, years before the two countries normalized relations. *Peace is a Shy Thing* is as much a history of the era as it is a story of O'Brien's life from his small town midwestern mid-century childhood to winning the National Book Award and his status as literary elder statesman. A story which Vernon, a combat veteran of the Persian Gulf War and a literary scholar trained by officers and professors of the Vietnam era, is uniquely suited to tell.
