

# Shays Rebellion 1786 7 Americans Take Up Arms Aga

**D Kirk**

## **Shays Rebellion 1786 7 Americans Take Up Arms Aga:**

**Shay's Rebellion, 1786-7** Monroe Stearns,1968 Traces the events that preceded and followed the Massachusetts insurrection led by Daniel Shay in protest of the unjust farm taxes and legislation that threatened freedoms gained from the Revolution *The Encyclopedia of the American Revolutionary War* Gregory Fremont-Barnes,Richard Alan Ryerson,2006 Contains copies of key documents related to the period of the American Revolution including the Declaration of Independence the Constitution speeches and legislation [Shay's rebellion, 1786-1787](#) Monroe Stearns,1968 **Shays' Rebellion** Charles River Charles River Editors,2018-01-20 Includes pictures Includes accounts of the rebellion Includes online resources and a bibliography for further reading Includes a table of contents You talk my good sir of employing influence to appease the present tumults in Massachusetts I know not where that influence is to be found or if attainable that it would be a proper remedy for the disorders Influence is not government Let us have a government by which our lives liberties and properties will be secured or let us know the worst at once George Washington referencing Shays Rebellion in a letter to Light Horse Harry Lee Even as the young United States successfully secured its independence the new nation was beset by problems The drafters of the Articles of Confederation had deliberately avoided giving the national legislature the power to tax because Parliament had so abused that authority against the colonies but this proved to be a severe limitation on the national government Besides hampering the Continental Army the inability of the national government to raise revenue made foreign policy difficult Under the Articles of Confederation the Congress was also completely unable to pay any of the debts it incurred to foreign powers during the Revolutionary War Though allied powers had lent to the American government on favorable terms and no repayment was expected until the end of hostilities the hope of ever paying national debts without a national government that could tax was slim In particular the prospect of the new nation defaulting on its loans from France led to the end of the Articles of Confederation To top it all off the Articles of Confederation also had no judiciary or executive branch Therefore laws passed by the Congress could not be enforced by the national government the enforcement of laws was left to the mercy of the states Likewise there was no national judiciary to decide disputes over national law Fueled at least in part by the weakness of the federal government to respond to military threats the young country quickly faced a problem in the form of a rebellion led in New England by former Revolutionary War veteran Daniel Shays On December 27 1786 Samuel Lyman of Massachusetts wrote to his friend and confidant Samuel Breck N ot only this Commonwealth but the union at large are in the most confused and confounded condition we do not yet feel that sameness or unity of interest which is the only cement of any nation and which is absolutely necessary to be felt in order to make us respectable but this is not surprizing for our national existence is but of yesterday and this unity of interest is the result of time it is the effect of habit sentiment for they began during the earliest years of American independence and were led by men who were by their very nature rebels Unlike most countries in the world 18th century America was made up of people

who believed in change and who were willing to leave their homelands and strike out for the unknown to find it The men who had just years earlier participated in the American Revolution were not afraid to break down a government they did not like indeed many of them reveled in it When Massachusetts enacted laws that Shays and others didn't like the rebels had no qualms about taking up arms and while the rebellion was eventually put down changes were made to prevent similar problems in the future Out of this came peace order and freedom

**Shays's Rebellion** Leonard L. Richards, 2003-08-05 Shays and his army of 4 000 rebels so shocked the young nation's governing elite even drawing the retired General George Washington back into the service of his country that ultimately the Articles of Confederation were discarded in favor of a new constitution the very document that has guided the nation for more than 200 years and brought closure to the American Revolution

Shays Rebellion and the Whiskey Rebellion Charles River Charles River Editors, 2017-02-22 Includes pictures Includes contemporary accounts of the insurrections Includes online resources and a bibliography for further reading Even as the young United States successfully secured its independence the new nation was beset by problems The drafters of the Articles of Confederation had deliberately avoided giving the national legislature the power to tax because Parliament had so abused that authority against the colonies but this proved to be a severe limitation on the national government Besides hampering the Continental Army the inability of the national government to raise revenue made foreign policy difficult Under the Articles of Confederation the Congress was also completely unable to pay any of the debts it incurred to foreign powers during the Revolutionary War Though allied powers had lent to the American government on favorable terms and no repayment was expected until the end of hostilities the hope of ever paying national debts without a national government that could tax was slim In particular the prospect of the new nation defaulting on its loans from France led to the end of the Articles of Confederation To top it all off the Articles of Confederation also had no judiciary or executive branch Therefore laws passed by the Congress could not be enforced by the national government the enforcement of laws was left to the mercy of the states Likewise there was no national judiciary to decide disputes over national law The series of riots known collectively as Shays Rebellion began during the earliest years of American independence and were led by men who were by their very nature rebels Unlike most countries in the world 18th century America was made up of people who believed in change and who were willing to leave their homelands and strike out for the unknown to find it The men who had just years earlier participated in the American Revolution were not afraid to break down a government they did not like indeed many of them reveled in it When Massachusetts enacted laws that Shays and others didn't like the rebels had no qualms about taking up arms and while the rebellion was eventually put down changes were made to prevent similar problems in the future Out of this came peace order and more freedom As Secretary of Treasury Alexander Hamilton was looking for ways to shore up the young nation's finances and pay off the debts incurred by the Revolution At the same time he believed in strengthening the federal government vis vis the states which would eventually make him a leader of the Federalist party but also compel him

to push for a tax on distillers of alcohol many of whom took their excess corn and grain crops and produced liquors Ironically Hamilton came up with the idea of this tax to avoid more direct forms of taxation and because he didn't think it would be difficult to collect What Hamilton didn't consider was just how ubiquitous the production of whiskey and other liquors were on the frontier where they were often used as a form of currency itself In addition to being upset at this new tax Westerners believed it was disproportionately aimed at them because Americans still residing on the East Coast weren't as reliant on the production of whiskey In 1794 violence actually broke out and with the tax opponents numbering in the thousands President Washington himself felt compelled to raise a militia force and personally lead it to deal with the rebels the only time an American president actually led soldiers in the field Ultimately no pitched battle took place once the militia was marched into western Pennsylvania but dozens were arrested and tried for treason in the wake of the episode      **Shays' Rebellion** Blake Hoena,2022 In 1786 the Massachusetts government was seizing farmers lands and throwing them in jail for unpaid debts and taxes But many people couldn't pay because they had not yet been paid for fighting in the Revolutionary War just a few years before Frustrated by this treatment Daniel Shay led upset citizens in an armed revolt Although their rebellion was short lived it made clear to America's leaders that the young nation needed to change its laws paving the way for the creation of the U S Constitution      [An Account of Shays's Rebellion \(1786-1787\) by General Benjamin Lincoln](#) , Nicholas C J Pappas offers an account of Shays Rebellion from a letter by American General Benjamin Lincoln 1733 1810 dated December 4 1786 Daniel Shays 1747 1825 an American soldier and insurrectionist led an uprising in 1786 1787 in reaction to the economic depression of the mid 1780s that led to farmers losing their land or being put in debtors prison Lincoln led the militia forces against Shays      **A Few Notes on the Shays Rebellion** John Noble,2023-07-18 Explore one of the most pivotal moments in early American history the Shays Rebellion of 1786 1787 This account offers an in depth look at the rebellion from its causes and key players to its impact on the country as a whole This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *Shay's Rebellion* Robert A. Feer,1988      [Shays' Rebellion and Related Resources](#) , The History Institute of the Department of History at the University of Massachusetts at Amherst presents a collection of Internet resources on Shays Rebellion The collection was compiled during the March 7 1998 K 12 Teachers Workshop Daniel Shays 1747 1825 an American soldier and insurrectionist led an uprising in 1786 1787 in reaction to the economic depression of the mid 1780s that led to farmers losing their land or being put in debtors prison      **Shays' Rebellion: the Hanging of Co-Leader, Captain Henry Gale**

Lisa Saunders,2013-02-17 Henry Gale responded to Paul Revere s call to Lexington and was honored as a patriot Yet a decade later he was considered a traitor for his leadership role in Shays Rebellion a movement to stop courts from prosecuting and jailing the many Revolutionary War veterans unable to pay their debts in the post war credit crisis After a military conflict between the insurgents and the militia Henry Gale was arrested found guilty of treason and sentenced to be hanged by the neck until he be dead Marched up to the scaffold the gathered crowd watched as the noose was placed around his neck and prayers were said Moments before this father of young children was to be dropped from the land of the living the sheriff pulled out a piece of paper and read a statement from Governor John Hancock This dramatic account was first published in the Daughters of the American Revolution magazine American Spirit March April 2008 *A Few Notes on the Shays Rebellion* John Noble,1903 **Shays' Rebellion** Michael Burgan,2008-09 Explores the circumstances in Massachusetts that led farmers to rebel against local and state governments soon after the Revolutionary War Shays' Rebellion, 1787 , The History Department at North Park University offers information about Shays Rebellion as part of the Web Chronology Project Daniel Shays 1747 1825 an American soldier and insurrectionist led an uprising in 1786 1787 in reaction to the economic depression of the mid 1780s that led to farmers losing their land or being put in debtors prison Daniel Shays's Honorable Rebellion Daniel Bullen,2021 Appeal to Arms Willard Mosher Wallace,1951 **Shays' Rebellion 64 Success Secrets - 64 Most Asked Questions on Shays' Rebellion - What You Need to Know** Jason Garza,2014-10-09 A Shays Rebellion look that s entirely new There has never been a Shays Rebellion Guide like this It contains 64 answers much more than you can imagine comprehensive answers and extensive details and references with insights that have never before been offered in print Get the information you need fast This all embracing guide offers a thorough view of key knowledge and detailed insight This Guide introduces what you want to know about Shays Rebellion A quick look inside of some of the subjects covered Job Shattuck Bibliography James Madison Early political career Henry Knox Secretary of War Economy of Massachusetts West Springfield Massachusetts Notable residents and former residents Presidency of James Madison Father of the Constitution Articles of Confederation The United States of America under the Articles Williams College History American Constitution Articles of Confederation West Springfield Massachusetts American Revolution Pelham Massachusetts History Arthur St Clair President of Congress David Szatmary Educator and author Shays Rebellion The Rebellion Springfield Armory Shays Rebellion 1787 Springfield Massachusetts Notable people Uxbridge Massachusetts Colonial era Revolution Quakers and Abolition John Hancock Return to Massachusetts Federalist No 10 Background William Shepard U S Constitution First government Timeline of United States military operations 1775 1799 Timeline of United States military operations Armed insurrections and slave revolts Elbridge Gerry Congress and Revolution American History Confederation and Constitution Groton Massachusetts Notable people Amherst Massachusetts History A More Perfect Union film Plot summary Shays Rebellion Impact on Constitution and much more *Shays' Rebellion*,

*1786-1787, Between the Revolution and the Constitution* Robert J. Wilson, George Barham, 1987\*      **Farmers Rise Against Policies Led by Daniel Shays** , George Cassutto presents information about Shays Rebellion for middle school students  
Daniel Shays 1747 1825 an American soldier and insurrectionist led an uprising in 1786 1787 in reaction to the economic depression of the mid 1780s that led to farmers losing their land or being put in debtors prison
