Glen Cove Joan Harrison, 2008. Situated on the beautiful north shore of Long Island, the city of Glen Cove is known as the heart of the Gold Coast and has a long and intricate history dating back to its founding in 1668. The city's unique history follows a community that has been simultaneously rural, industrial and suburban, with great factories alongside the sprawling country estates of wealthy families such as the Pratts and Morgans. Irish, Polish and Italian immigrants came to work in the factories and build the estates, settling in the community and creating one of the most ethnically and economically diverse communities in America. *Public Works of the Navy.
