Cifelli,2018-08-21 After four years traveling through Europe and a yearlong romance with Giulia Persiani in Rome Henry Wadsworth Longfellow came back home in 1829 and fell in love again this time with Mary Storer Potter whom he married in 1831 They traveled together to England and Scandinavia in 1834 but their happiness was cut short when she died in 1835 In 1836 traveling in Switzerland he met the woman who would become the grand passion of his life 18 year old Fanny Appleton of Boston But she a wealthy textile heiress was not interested in settling down with a Harvard professor She rebuffed his advances for six years then suddenly changed her mind and married him on July 13 1843 For the next 18 years they were America s couple and Longfellow became America s poet and then tragedy struck once again      Bangladesh Quarterly ,2001      **Poems are Hard to Read** William Meredith,1991 Gathers together a half century of prose pieces written by this esteemed poet      **Catalog of Copyright Entries. **PMLA Publications of The modern Language Association of America** George Winchester Stone, Jr., 1961

**Shelley's Visual Imagination** Nancy Moore Goslee, 2011-06-23 Shelley's drafts and notebooks which have recently been published for the first time are very revealing about the creative processes behind his poems and show through illustrations and doodles an unexpectedly vivid visual imagination which contributed greatly to the effect of his poetry Shelley's Visual Imagination analyzes both verbal script and visual sketches in his manuscripts to interpret the lively personifications of concepts such as Liberty Anarchy or Life in his completed poems Challenging the persistent assumption that Shelley's poetry in particular and Romantic poetry more generally reject the visual for expressive voice or music this first full length study of the drafts and notebooks combines criticism with a focus upon bibliographic codes and iconic pages The product of years of close examination of these remarkable texts this much anticipated book will be of great value for all students of Shelley and all those interested in the Romantic process of creation
