Screen Interiors Pat Kirkham, Sarah A. Lichtman, 2021-03-11 Covering everything from Hollywood films to Soviet cinema London's queer spaces to spaceships horror architecture and action scenes Screen Interiors presents an array of innovative perspectives on film design

Essays address questions related to interiors and objects in film and television from the early 1900s up until the present day. Authors explore how interior film design can facilitate action and amplify tensions, how rooms are employed as structural devices, and how designed spaces can contribute to the construction of identities. Case studies look at disjunctions between interior and exterior design and the interrelationship of production design and narrative. With a lens on class, sexuality, and identity across a range of films including *Twilight of a Woman's Soul* (1913), *The Servant* (1963), *Caravaggio* (1986), and *Passengers* (2016) and illustrated with film stills throughout, *Screen Interiors* showcases an array of methodological approaches for the study of film and design history.

Ball of Fire Stefan Kanfer, 2004-11-09 As a movie actress, Lucille Ball was in her own words queen of the B-pluses. But on the small screen, she was a superstar, arguably the funniest and most enduring in the history of TV. In this exemplary biography, Stefan Kanfer explores the roots of Lucy's genius and places it in the context of her conflicted and sometimes bitter personal life. *Ball of Fire* gives us Lucy in all her contradictions. Here is the beauty who became a master of knock-down slapstick, the control freak whose comic alter ego thrived on chaos, the worshipful TV housewife whose real marriage ended in public disaster. Here too is an intimate view of the dawn of television and of the America that embraced it. Charming, informative, touching, and laugh-out-loud funny, this is the book Lucy's fans have been waiting for.

The Comic DNA of Lucille Ball Michael Karol, 2005-12 Fifty-five years ago, a sitcom called *I Love Lucy* transformed the television landscape and made its leading lady, Lucille Ball, a superstar. No one could have known that Ball, formerly a showgirl, B-movie queen, and radio actress, would become one of the world's most beloved performers and take her place in a rare pantheon reserved for the likes of Elvis, Marilyn, and Chaplin. This book by acclaimed Lucy author Michael Karol, *Lucy A to Z: The Lucille Ball Encyclopedia*, *The Lucille Ball Quiz Book*, *Lucy in Print*, examines Ball's impact and dissects what it was and is that makes Lucy not only an icon of laughter but a powerful tonic in a troubled world.

Latino History Day by Day Caryn E. Neumann, Tammy S. Allen, 2013-05-09 This title takes a calendrical approach to illuminating the history of Latinos and life in the United States and adds more value than a simple "this day in history" through primary source excerpts and resources for further research. Latino history has been relatively slow in gaining recognition despite the population's rich and varied history. Engaging and informative, *Latino History Day by Day: A Reference Guide to Events* will help address that oversight. Much more than just a "this day in history" list, the guide describes important events in Latino history, augmenting many entries with a brief excerpt from a primary document. All entries include two annotated books and websites as key resources for follow-up. The day-to-day reference is organized by the 365 days of the year, with each day drawing from events that span several hundred years of Latino history, from Mexican Americans to Puerto Ricans to Cuban Americans. With this guide in hand, teachers will be able to more easily incorporate Latino history into their classes. Students will find the book an easy-to-use guide to the Latino past and an ideal starting place for research.

The Women Who Made Television Funny David C. Tucker, 2015-03-26 Most of the bright and talented actresses who made America laugh

in the 1950s are off the air today but their pioneering Hollywood careers irrevocably changed the face of television comedy. These smart and sassy women successfully negotiated the hazards of the male dominated workplace with class and humor and the work they did in the 1950s is inventive still by today's standards. Unable to fall back on strong language, shock value or racial and sexual epithets, the female sitcom stars of the 1950s entertained with pure talent and screen savvy. As they did so, they helped to lay the foundation for the development of television comedy. This book pays tribute to 10 prominent television actresses who played lead roles in popular comedy shows of the 1950s. Each chapter covers the works and personalities of one actress: Lucille Ball (*I Love Lucy*), Gracie Allen (*The George Burns and Gracie Allen Show*), Eve Arden (*Our Miss Brooks*), Spring Byington (*December Bride*), Joan Davis (*I Married Joan*), Anne Jeffreys (*Topper*), Donna Reed (*The Donna Reed Show*), Ann Sothern (*Private Secretary* and *The Ann Sothern Show*), Gale Storm (*My Little Margie* and *The Gale Storm Show*), Oh Susanna, and Betty White (*Life with Elizabeth*). For each star, a career sketch is provided, concentrating primarily on her television work but also noting achievements in other areas. Appendices offer cast and crew lists, a chronology, and an additional biographical sketch of 10 less familiar actresses who deserve recognition.

Currents of Comedy on the American Screen Nicholas Laham, 2014-01-10. This book analyzes the evolution of film and television comedy from the 1930s through the present, defining five distinct periods and discussing the dominant comedic trends of each. Chapters cover the period spanning 1934 to 1942, defined by screwball comedies that offered distraction from the Great Depression; the suspense comedy reflecting America's darker worldview during World War II; the 1950s battle of the sexes comedy; the shift from the physical, exaggerated comedy of the 1950s to more realistic plotlines and the new suspense comedy of the 1970s and 1980s, focusing on the popular dumb cop or dumb spy series along with modern remakes including 2006's *The Pink Panther* and 2008's *Get Smart*.

As recognized, adventure as competently as experience practically lesson, amusement, as with ease as accord can be gotten by just checking out a book **Love Lucy** as well as it is not directly done, you could agree to even more in the region of this life, re the world.

We find the money for you this proper as well as easy mannerism to get those all. We give Love Lucy and numerous books collections from fictions to scientific research in any way. among them is this Love Lucy that can be your partner.
