Christopher Cox, 2006-09 *Autological Love* follows marginally competent writer Henry Craft as he visits the small college town of Lohnbury hoping to learn more about three popular artists hailing from Latham College and the surrounding community: a reclusive author who consistently returns to the best seller lists in spite of critical objections; a young guitar phenom fronting the popular rock band Grim Altar; and a pseudonymous painter whose works are bringing a small fortune to a local gallery. Gradually, Craft overcomes his complete lack of skills as an investigative journalist and learns that all three stories lead back like spokes on a wheel to the same point: a young man who died almost two decades earlier.
