Luke Saving A Fallen World:

Twelve Months of Sundays Nan, 2008-08-12 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection*
Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

Systematic Theology, Volume One Stephen J. Wellum, 2024-02-15 Stephen Wellum's *Systematic Theology Volume One* is a Trinitarian reformational and baptistic systematic theology committed to serious evangelical engagement with the Scriptures. Building on decades of research, Wellum formulates doctrine exegetically, covenantally, and canonically for a new generation of students, pastors, church leaders, and seasoned theologians as well.

A Guide to Biblical Commentaries and Reference Works John F. Evans, 2016-05-03 *A Guide to Biblical Commentaries and Reference Works* by John F. Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its interpretive usefulness, especially for evangelical interpreters of the Bible. *A Guide to Biblical Commentaries and Reference Works* is essentially an annotated bibliography of hundreds of commentators. More scholarly books receive a longer, more detailed treatment than do lay commentaries, and highly recommended commentaries have their author's names in bold. The author keeps up on the publication of commentaries and intends to update this book every three to four years.

A Guide to Biblical Commentaries and Reference Works, 11th Edition John F. Evans, 2025-01-21 *A Guide to Biblical Commentaries and Reference Works, 11th Edition* by John F. Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation. The easy-to-use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library. *A Guide to Biblical Commentaries and Reference Works, 11th Edition* is a key reference tool for any student of the Bible, pastors, laity, and scholars alike.

Heaven Christopher W. Morgan, Robert A. Peterson, 2014-09-30 Our culture has a lot to say about

hopes to slow this trend suggesting that our complex global situation is forcing us to see our limits as world changers He calls Christians to leave aside the heady pursuit of causes and take their rightful place as standard bearers of God's peace
