Mallarm Or The Poet Of Nothingness:

Mallarmi, Or The Poet Of Nothingness Jean-Paul Sartre, 2004-05-04 This is the first translation of a major text by Sartre on one of the greatest modern French poets Stephane Mallarm whom Sartre hailed as a hero prophet wizard and tragedian Written in 1953 Sartre s text provides not only an invigorating and convincing interpretation of Mallarm by also an original overview of French literature in the nineteenth century **Flight from Eden** Steven Cassedy, 2023-11-15 Steven Cassedy takes aim at two of the most enduring myths of modern criticism that it is secular and that it is new and autonomous He argues that though modern criticism is often forbiddingly scientific and technical the modern critic remains something of a mystic Every school of modern criticism from structuralism to postmodern criticism rests on a faith in an Eden an irreducible essence a myth like the common myth that there is an intrinsic distinction between poetic language and ordinary language The modern critic attempts to abandon all mystical faith this is the flight from Eden But it is always in vain It is traditionally assumed that modern literary criticism and theory came from France and relatively recently In fact according to Cassedy the entire modern critical consciousness was already formed by the early twentieth century in the minds of writers who were primarily neither professional critics nor philosophers but poets Some were French Mallarm and Val ry others were not Rilke Bely and the Russian avant garde poet Velimir Khlebnikov In them we find the same Edenic faith the same effort to abandon it and the same failure of that effort This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990 **Thinking Poetry** J. Acquisto, 2013-02-18 This volume of essays seeks to establish a dialogue between poetry and philosophy where each could be said to read the other and announces important new paths for a reinvigorated study of lyric poetry in the decades to come

Mallarme and the Politics of Literature Robert Boncardo, 2017-12-04 A radically new philosophy of experience and speculation based on a reading of Whitehead s Process and Reality **Mallarme's Sunset** Barnaby Norman, 2017-07-05 The writings of the great Symbolist poet Stephane Mallarme 1842 1898 were to become uniquely influential in twentieth century literary criticism For critics and philosophers such as Maurice Blanchot and Jacques Derrida Mallarme s name came to represent a rupture in literary history and an opening of literature onto a radically new kind of writing Through close readings of key works Norman retraces Mallarme s trajectory as a poet showing in particular how he positioned his work in relation to Hegel s Aesthetics Analysing the motif of the sunset Norman argues that Mallarme situated his work at the conclusion of the history of art in Hegelian terms and it is this that made him so interesting for Blanchot and Derrida Their readings born of their wish to subvert Hegel s totalizing impulse give rise to an entirely new view of works now almost universally seen as masterpieces *Mallarmé* Robert Boncardo, Christian R. Gelder, 2017-03-16 From the post War writings

of Sartre and Blanchot to the post structuralism of Jacques Derrida and Julia Kristeva French philosophers have consistently debated the poetry of Stéphane Mallarmé almost as a rite of passage Alain Badiou Jean Claude Milner and Jacques Rancière three of the most important philosophers alive today are no exception having written extensively about the poet since the 1960s and 70s up until today This book contains a series of interviews with these three figures on Mallarmé as well as an extended introduction that places their thought on literature into dialogue Speaking about their personal and philosophical relationships with each other on methods of reading on poetry and politics and poetry and mathematics each philosopher reflects on their life long engagement with Mallarmé as well as on the different often incommensurable images of the poet their philosophies have generated As Rancière Milner and Badiou point to the past importance and future directions Mallarmé gives to thought these interviews lend credence to Barthes' remark that all we can do is repeat Mallarmé and it is good that we do so

Between Existentialism and Marxism Jean-Paul Sartre, 2025-01-14 This book presents a full decade of Sartre's work from the publication of the *Critique of Dialectical Reason* in 1960 the basic philosophical turning point in his postwar development to the inception of his major study on Flaubert the first volumes of which appeared in 1971 The essays and interviews collected here form a vivid panorama of the range and unity of Sartre's interests since his deliberate attempt to wed his original existentialism to a rethought Marxism A long and brilliant autobiographical interview given to *New Left Review* in 1969 constitutes the best single overview of Sartre's whole intellectual evolution Three analytic texts on the US war in Vietnam the Soviet invasion of Czechoslovakia and the lessons of the May Revolt in France define his political positions as a revolutionary socialist Questions of philosophy and aesthetics are explored in essays on Kierkegaard Mallarmé and Tintoretto Another section of the collection explores Sartre's critical attitude to orthodox psychoanalysis as a therapy and is accompanied by rejoinders from colleagues on his journal *Les Temps Modernes* The volume concludes with a prolonged reflection on the nature and role of intellectuals and writers in advanced capitalism and their relationship to the struggles of the exploited and oppressed classes *Between Existentialism and Marxism* is an impressive demonstration of the breadth and vitality of Sartre's thought and its capacity to respond to political and cultural changes in the contemporary world

Performance in the Texts of Mallarmé Mary Lewis Shaw, 1993-03-01 *Performance in the Texts of Mallarmé* offers a new theory of performance in the poetic and critical texts of Stéphane Mallarmé a theory challenging the prevailing interpretation of his work as epitomizing literary purism and art for art's sake Following an analytical presentation of the concepts of ritual and performance generally applied Mary Shaw shows that Mallarmé perceived music dance and theater as ideal languages of the body and therefore as ideal forms of ritual through which to supplement and celebrate poetic texts She focuses on previously unexplored references to supplementary extratextual performances in four of Mallarmé's major poetic texts *Herodiade* *L'après-midi d'un faune* *Igitur* and *Un coup de dés* revealing the consistent formal expression of his original conception of literature's relationship to the performing arts Shaw then discusses Mallarmé's monumental project *Le Livre* a

metaphysical book designed to be performed in a series of ritual celebrations She analyzes and describes the intrinsic structure and contents of this unfinished work as the fullest realization of the text performance relationship elaborated throughout Mallarmé's corpus Shaw offers *Le Livre* as a prototype of avant garde performance drawing important parallels between Mallarmé's literary experimentation and crucial developments in twentieth century arts *Meetings with Mallarmé* Michael Temple, 1998 In *Meetings with Mallarmé* top scholars from the UK and USA have been specially commissioned to explore the significance of Mallarmé's influence on some of the major players in French psychoanalysis music poetry philosophy and literary theory

The Experience of Atheism: Phenomenology, Metaphysics and Religion Claude Romano, Robyn Horner, 2021-05-06 Religious and atheistic belief are presented anew in a volume of essays from leading phenomenologists in both France and the UK Atheism often presented as the negation of religious belief is here engaged with from a phenomenologically informed notion of experience The focus on experience sparks new debates in readings of belief faith and atheism as they relate to and complicate each other What unites the contributors is their relationship to phenomenology as it has developed in France in the wake of Heidegger and Husserl Leading French intellectuals from this context Jean Luc Nancy Quentin Meillassoux and Catherine Malabou amongst others contribute arresting ideas on atheistic faith the death of God and anarchic faith opening up new areas of understanding in a field whose parameters and core concepts are ever shifting Revealing the extent to which religious and atheistic belief must be seen to influence and on a fundamental level to co create one another the pluralistic society in which religious belief is counted as one option amongst many is given primacy The fact that religious faith has become not only optional but also in many contexts strangely alienated from society deeply modifies the experience of the believer as much as that of the non believer A focus on experience over and above belief moves us towards a mode of experiential knowledge which refuses to privilege the atheistic believer and deride the reality of religious belief

Mallarmé and Circumstance Roger Pearson, 2004 This is a comprehensive study of Mallarmé's poetry of circumstance a series of lucid and accessible readings of Mallarmé's verse and prose writings

Double-consciousness/double Bind Sandra Adell, 1994 Adell's investigation begins with an analysis of the metaphysical foundations of W E B Du Bois's famous formulation of double consciousness and how black writing bears the traces of such European philosophers as Kant Hegel and Marx She then examines in the double context of black literature and European philosophy the writings of such major authors and essayists as Richard Wright Leopold Senghor Maya Angelou Houston A Baker Jr and Henry Louis Gates Jr

Salome Rosina Neginsky, 2014-10-16 Although the root of the Hebrew name Salome is peaceful the image spawned by the most famous woman to carry that name has been anything but peaceful She and her story have long been linked to the beheading of John the Baptist as described in the Gospels of Matthew and Mark since Salome was the supposed catalyst for the prophet's execution This history of the myth of Salome describes the process by which that myth was created the roles that art literature theology and music played in that creation

and how Salome's image as evil varied from one period to another according to the prevailing cultural myths surrounding women. After setting forth the Biblical and historical origins of the Salome story, the book examines the major cultural literary and artistic works which developed and propagated it, including those by Filippo Lippi, Rogier van der Weyden, Titian, Moreau, Beardsley, Mallarmé, Wilde, and Richard Strauss. **Mallarmé in the Twentieth Century** Robert Cohn, Gerald Gillespie, 1998-09 Essays on various aspects of the work of the French poet Stéphane Mallarmé on the centenary of his death 1998

Stéphane Mallarmé Roger Pearson, 2010-05-15 This concise biography of Stéphane Mallarmé 1842-98 blends an account of the poet's life with a detailed analysis of his evolving poetic theory and practice. A poet on this earth must be uniquely a poet, he declared at the age of twenty-two, but what? **What is Symbolism?** Henri Peyre, 2010-03-14 This book centers on the revolutionary French symbolist movement of the last part of the 19th century. Translated by Emmett Parker, Peyre gets to the heart of the subject through provocative lines. **Fables of the Self** Rosanna Warren, 2008 Fables of the Self traces ideas of imagined selfhood through the lyric poetry of classical Greece and Rome, the modernist poetry of France, and modern and contemporary English and American lyrics. Rosanna Warren's work emerges from the tradition of British and American poet-critics such as William Empson, Donald Davie, and Randall Jarrell. Her readings of Sappho, Virgil, Baudelaire, Melville, Rimbaud, Mark Strand, and Louise Glück, among others, combine Helen Vendler's passionate attention to detail and something of Harold Bloom's panoramic view. Warren opposes both the literalizing autobiographical approach to self in so-called confessional poetry and the other extreme of avant-garde erasures of self. Framing her critical studies between a memoir of childhood and a concluding journal entry, Warren has composed an occult autobiography showing the imagination as a transfiguring and potentially moral force. **Collected Poems** Stéphane Mallarmé, 2011-01-15 In this classic tale, Richard Kim paints seven vivid scenes from a boyhood and early adolescence in Korea at the height of the Japanese occupation, 1932 to 1945. Taking its title from the grim fact that the occupiers forced the Koreans to renounce their own names and adopt Japanese names, instead the book follows one Korean family through the Japanese occupation to the surrender of the Japanese empire. **Lost Names** is at once a loving memory of family and a vivid portrayal of life in a time of anguish. **Modern Poetry and the Idea of Language** Gerald L. Bruns, 2001 Gerald Bruns's ground-breaking analysis compares two contrasting functions of language: the hermetic, where language is self-contained and self-referencing, and the Orphic, which originates from a belief in the mythical unity of word and being. Bruns lucidly depicts the distinctions and convergences between these two lines of thought by examining the works of Mallarmé, Flaubert, Joyce, Beckett, and others. **Mallarmé** Rosemary H. Lloyd, 2018-08-06 Upon his death in 1898, the French Symbolist poet Stéphane Mallarmé (1842-1902) left behind a body of published work which, though modest in quantity, was to have a seminal influence on subsequent poetry and aesthetic theory. He also enjoyed an unparalleled reputation for extending help and encouragement to those who sought him out. Rosemary Lloyd has produced a fascinating literary biography of the poet and his period, offering a subtle exploration of the mind and

letters of one of the giants of modern European poetry Every Tuesday from the late 1870s on Mallarmé hosted gatherings that became famous as the Mardis and that were attended by a cross section of significant writers artists thinkers and musicians in fin de siècle France England and Belgium Through these gatherings and especially through a voluminous correspondence eventually collected in eleven volumes Mallarmé developed and recorded his friendships with Paul Valéry André Gide Berthe Morisot and many others Attractively written and scrupulously documented Mallarmé The Poet and His Circle is unique in offering a biographical account of the poet's literary practice and aesthetics which centers on that correspondence
