## **My Friendly Contemporaries:**

**A Summer to Be** Isabel Garland Lord, 2010-04-01 Lord writes an honest and revealing memoir of what it was like to grow up in the shadow of her famous father the pioneering realist Hamlin Garland whose first collection of stories *Main Travelled Roads* 1891 shocked the nation in its unabashed portrait of harsh Midwestern farms **Life of Eleuthère Irénée Du Pont from Contemporary Correspondence** Bessie Gardner Du Pont, 1926 1859-1883 Edward FitzGerald, 1894 **Letters of Edward FitzGerald ...** Edward FitzGerald, 1907 **Letters** Edward FitzGerald, 1910 **American History Told by Contemporaries ...** Albert Bushnell Hart, 1901 *Philosophical Problems* Peter Alward, 2017-06-15 Peter Alward's rigorous introductory text functions as a roadmap for students laying out the key issues positions and arguments of academic philosophy The book covers central topics in metaphysics epistemology ethics and political philosophy An introductory chapter presents the foundations of philosophical discourse and offers a primer on the basics of logic Those argumentative tools are then employed to address classic philosophical issues such as the relationship between body and mind skepticism the possibility of free will and the existence of God Later chapters engage issues of morality justice and liberty as well as moral questions concerning abortion and the practice of punishment Throughout Alward aims for clarity providing summaries diagrams and reflective questions to assist the student reader **The Cliff-Dwellers** Henry Fuller, 2010-05-07 The *Cliff Dwellers* was the first American realist novel to use the rapidly developing city of Chicago as its setting Henry Blake Fuller's depiction of social climbing and human depravity among the cliff dwelling residents and workers in the new Chicago skyscrapers shocked readers of the time and influenced many American writers that followed With its frenetic pace and many interrelated stories it remains a compelling document of Chicago's social history as well as a searing indictment of modern American life at the close of the nineteenth century The extensive appendices to this edition include Fuller's literary criticism and his correspondence about the novel reviews and visual and historical materials on turn of the century Chicago and literary realism **Hamlin Garland** Jean Holloway, 2014-12-15 Hamlin Garland's *Main Travelled Roads* is recognized as one of the early landmarks of American literary realism But Garland's shift in mid career from the harsh verisimilitude of *Prairie Folks* and *Prairie Songs* to a romanticizing of the Far West and from ardent espousal of the principles of veritism to violent denunciations of naturalism is a paradox which has long puzzled literary historians In tracing the evolution of Garland's work the various reactions of his stories under the influence of editorial comment and of contemporary critical reaction Jean Holloway suggests that the Garland apostasy was an illusion produced by his very intellectual immobility amidst the swirling currents of American thought His extensive correspondence with Gilder of the *Century* Alden of *Harper's Monthly* McClure of *McClure's* and Bok of the *Ladies Home Journal* is adduced in support of the thesis that the writer's choices of subject and of treatment were psychologically forced rather than conditioned primarily by literary theory As a subject for biography however Garland has an appeal far beyond the scope of his literary influence The friendships of this gregarious peripatetic

with the famous began with Howells Twain Whitman and Stephen Crane stretched down the years to include such younger men as Bret Harte and Carl Van Doren and crossed the seas to embrace such British literary lions as Barrie Shaw and Kipling Garland's fervent espousal of causes the Single Tax Movement psychic experimentation Indian rights brought him into close contact with other prominent men Henry George Theodore Roosevelt and William Jennings Bryan These public figures form the incidental characters in Garland's spate of autobiographical works Yet it is the central figure of his own story which has become permanently identified with the Middle Border that region between the land of the hunter and the harvester which Augustus Thomas defined as wherever Hamlin Garland is In *A Son of the Middle Border* Garland nostalgically recreated his boyhood on the frontier and regardless of the detractions of literary critics preserved for posterity an important segment of American social history
