On the day she makes it clear to Daniel that she's not interested in anything he has to offer she meets a beautiful pregnant red head. As they become close friends the young woman offers Rachel a gift that will change many people's lives. But her loving patient husband has been withdrawing lately. Is it really his career or is there something he's not sharing with Rachel? Can they ever become a happy family? Is it too little too late? And where does Daniel come into all this?

**It's Your Word Against Mine** Sylvester Carrington, 2018-10-15 It's Your Word Against Mine is a collection of stories by Sylvester Carrington that compares unique cultural words and phrases from his native Barbados with select American terms. Some of these words have a different meaning in his culture while others are nonexistent when it comes to translation. These simple words migrated with him and he has added those he encountered when he came to live in America. The author's engaging style of storytelling will grab readers as he takes them on a cultural journey using a vehicle of simple words to highlight the different aspects of the two cultures he has called home. With amazing skill he has intricately woven each cultural term and phrase into a narrative that is altogether fascinating, entertaining, educational and at times personal and autobiographical. Watch for the highlighted words in italics throughout the book that compare and contrast these two vastly different cultures.

*If This World Were Mine* E. Lynn Harris, 2012-11-28 Four friends all graduates of Hampton Institute keep a collective journal they call *If This World Were Mine* and share their personal diaries each month at a gathering filled with humor, gossip and affirmation. The four group members are as different as the seasons yet they all share a love of one another. Yolanda, a media consultant, keeps it going on with a no nonsense attitude and independence that are balanced by the theatrics of Riley, a former marketing executive whose marriage has reduced her to a kept woman with kids. Computer engineer Dwight's anger at the world is offset by the compassion of Leland, a gay psychiatrist whose clients make him question why God ever invented sex. But after five years the once strong bonds of friendship are weakening and the group must handle challenges of work, lost love and a stranger in their midst. As the group members confront their true feelings toward each other, resentments and long held secrets surface.
