powerful *Thinning Blood* is at once a bold reclamation of one woman's identity and a searingly honest meditation on heritage, family and what it means to belong. *Nobody's Favorite* Victoria Stott, 2016-10-27 Victoria Stott's story begins with her early memories of being raised by her adoptive parents on Canadian Forces Bases during the 1970s. Her older brother also adopted, initiated a campaign of relentless torment and sexual abuse against Victoria that persisted for years and led her to contemplate suicide. He bullied their parents as well and at one point Victoria thought that killing him would be the best solution for everyone. A summer job working at a pool was the beginning of her breaking away from her family and the small town she lived in. But pregnancy and marriage to a violent husband when she was just nineteen brought Victoria back into the cycle of abuse. When her children were small she found out her husband was having secret affairs, doing drugs and had maxed out all their credit cards. She finally left her husband; he later died in a car accident. A subsequent marriage produced her fourth child. Finally diagnosed with C-PTSD from her years of family trauma, the author begins her journey towards healing and hope.

*Nobody Asked for This* Georgia Toews, 2025-03-25 A razor sharp dramedy following a twenty-something comic as she navigates family grief, dysfunctional friendship and a date gone very wrong. Virginia is twenty-three and a stand-up comedian. In between working the rounds of Toronto's small comedy club circuit and auditioning for paper towel commercials, she is tiptoeing around her depressed roommate and childhood friend Haley and having biweekly dinners with her bereaved stepdad Dale while trying to manage her own grief at the loss of her mother. She is also secretly working to get the green card that will be her ticket to LA and she hopes a glittering comedy career. But when Dale tells her that he wants to sell their family home and when a date with a fellow comic turns into a shattering encounter, she is forced to confront the limits of comedy and friendship. Not every experience can be neatly packaged into a bit and not every friendship is meant to last. By turns hilarious and heartbreaking, *Nobody Asked for This* reaches into the messy depths of love, friendship, grief and trauma and like all the best jokes is utterly unpredictable.

**As Is** Rachel Krentzman,2025-03-19 Everything I had considered my path up until that point meant nothing anymore As I walked out closing the door to the women's section of the synagogue behind me I suddenly found myself out at sea without a buoy to swim to It was a strange and terrifying place to be but at least I wasn't willing to stay on the ship floating aimlessly to a

destination predetermined by others Perhaps it was at that moment that I took up my quest for authenticity at any cost When recently married Rachel Krentzman's Orthodox rabbi father is arrested and imprisoned for drug trafficking it sets her on a path in search of a more authentic and fulfilling life Questioning her roots and religion in the cold constricted Jewish community of Montreal she attempts to recreate herself as a divorced single mother in carefree California She soon learns however that she can't run from her painful past or the beliefs that hold her captive When she discovers yoga Rachel begins an inward journey that leads her to move to Israel where she must finally come to terms with the family hypocrisy and intergenerational trauma that have left her trying to fill the emptiness inside As *Is A Memoir on Healing the Past through Yoga* is a story about reconciling with yourself imperfections and all and finding love and contentment regardless of your external circumstances
