## **Nobody Said It Would Be Easy:**

Inside the Box Jasmin Tademy, 2017-05-26 Inside the Box is a poetic book of literature that opens up to one individual's raw honest and unique mind. This magically mastered book of poetry creates a hypnotic space as well as offers a thought provoking agenda and platform for all readers. The beautifully dark in nature tone of these collective personal pieces intellectually stimulates all of the senses. Jasmin puts a twist on what is otherwise known as a play on words using strong and vivid metaphoric phrases, allegory stories and tragic truths. This poetic memoir will trigger a response on modern ideas, general perspectives and the experiences of human connection. You will be moved and amazed to stumble upon the many hidden treasures that are to be discovered once you take a look Inside the Box, *Kahani Unplugged* Srashti Behure, Shaurya Sharma, Geetmalini Sahu. Plato has rightly said Music is a moral law. It gives soul to the universe, wings to the mind, flight to the imagination and charm and gaiety to life and to everything. Music has been a part of our lives ever since we entered this world. In the morning we wake up to the birds chirping and the leaves rustling, it's much like music to our ears. Music is everywhere and all we have to do is open up our senses to it. Ever wondered what makes music so special? Music is more or less an integral part of everyone's life. We hear music all the time. While going to school, while having coffee, while sweating it out in the gym and sometimes for a sound sleep. Even long journeys are quite bearable with music. People tend to listen to music that fits their emotions and purges them. Unplugged is a wonderful collection of musical soul stirring write ups. Writers have put their heart and soul while expressing their views on songs that are close to their heart. Because some songs are not just songs, they are memories. Compiled by Srashti Behure, Shaurya Sharma and Geetmalini Sahu, Unplugged is a collection of write ups filled with emotions. It is sure to imbibe within you an exotic mellifluous feel. This book is a must read for all music lovers.
