The Primary English Encyclopedia Margaret Mallett,2017-02-24 This newly updated user

friendly Primary English Encyclopedia addresses all aspects of the primary English curriculum and is an invaluable reference for all training and practising teachers. Now in its fifth edition, entries have been revised to take account of new research and thinking. The approach is supportive of the reflective practitioner in meeting National Curriculum requirements in England and developing sound subject knowledge and good classroom practice. While the book is scholarly, the author writes in a conversational style and includes reproductions of covers of recommended children's books and examples of children's writing and drawing to add interest. The encyclopedia includes over 600 entries, many expanded and entirely new for this edition, including entries on apps, blogging and computing; short definitions of key concepts; input on the initial teaching of reading, including the teaching of phonics and the other cue systems; extended entries on major topics such as speaking and listening, reading, writing, drama, poetry, non-fiction, bilingualism, and children's literature; information on new literacies and new kinds of texts for children; discussion of current issues; and input on the history of English teaching in the primary years. Extended entries on gender and literacy, important references for each topic, advice on further reading, and accounts of recent research findings and a Who's Who of Primary English and lists of essential texts, updated for this new edition. This encyclopedia will be ideal for student teachers on BA and PGCE courses preparing for work in primary schools and primary school teachers. Anyone concerned with bringing about the informed and imaginative teaching of primary school English will find this book helpful and interesting.

Writing for All Sylvia Edwards, 2013-10-23. This text aims to raise levels of writing achievement for all children, particularly those with special educational needs, by helping teachers to coordinate the process of inclusion with national requirements for SEN and the National Literacy Strategy.

Teaching English 3-11 Julia Myers, Cathy Burnett, 2004-03-25. This title highlights aspects of progression and continuity in the teaching of English across the Foundation and Primary years and encourages readers to develop an understanding of key principles and the confidence to apply these appropriately to their classroom practice.

Developing Writing for Different Purposes Jeni Riley, David Reedy, 2000-01-26. Jeni Riley and David Reedy share excellent examples of how primary school children worked on a non-fiction text format. A well-informed book with a welcome dose of humour. Nursery World. The theoretical underpinning to this volume is rigorous and the case studies are both endearing and informative.

Early Years. One of the insights of social theories of language, which is now taken for granted, is that language varies as the social context varies. Kress 1997. This is a book that operationalizes this insight; it charts young children's early attempts to write as they struggle to communicate meaning for a variety of purposes. Each section deals with the appropriate research evidence on the development of children's competence in literacy and their growing awareness of genre, and uniquely with a clear approach to teaching children from three to seven years. The text combines the necessary theoretical underpinning plus the day-to-day practical experience of working with young children in order to develop their understanding of the different forms and language of texts.
