Handbook of Ancient Afro-Eurasian Economies Sitta von Reden, 2023-10-24 The Handbook of Ancient Afro Eurasian Economies offers in three volumes the first comprehensive discussion of economic development in the empires of the Afro Eurasian world region to elucidate the conditions under which large quantities of goods and people moved across continents and between empires Volume 3 Frontier Zone Processes and Transimperial Exchange analyzes frontier zones as particular landscapes of encounter economic development and transimperial network formation The chapters offer problematizing approaches to frontier zone processes as part of and in between empires with the goal of better understanding how and why goods and resources moved across the Afro Eurasian region Key frontiers in mountains and steppes along coasts rivers and deserts are investigated in depth demonstrating how local landscapes politics and pathways explain network practices and participation in long distance trade The chapters seek to retrieve local knowledge ignored in popular Silk Road models and to show the potential of frontier zone research for understanding the Afro Eurasian region as a connected space

Venetian Coins in Karnataka R. Gopal, 2005 *Foreign Influence on Ancient India* Krishna Chandra Sagar, 1992 This is the first book dealing with the foreign influence on ancient India Discusses the foreign invasions of India by the Achaemenians Greeks Sakas Kushans Sassanians Pahlavas and the Hunas and also the peaceful impact of the Romans on India The book advances a theory that ancient India never provided any casus belli to the foreigners to attack her It was India's weakness and an implied confidence in future victories that kept the invaders coming to India one after another But these foreigners have also influenced India in the field of administration religion philosophy astronomy language script trade and commerce and above all the way of life of the people of India which is the main subject of the book This book suggests that after the partition of this sub continent the name India which continued to be used for this country is a misnomer when the river INDUS after which the country was so named went to Pakistan This book also finds its real nature the matrimonial alliance between Seleucus and Chandra Gupta Maurya and gives possible solutions to some riddles of Indian history The origin of the name of KIDAR has also been discovered for the first time The book tells us in a poetic language how the golden age of the Guptas was converted into a molten age of destruction and confusion by the Hunas What remained of our culture after so much turmoil and changes is before us
