None Dare Call It Education:

None Dare Call It Education John A. Stormer, 1999-09 None Dare Call It Education explains why a once great public school system now graduates students who can't read, write or calculate. It is a must reading for all parents. Phyllis Schlafly

None Dare Call it Education John A. Stormer, 1998 Stormer argues that the moral and ethical foundation of modern education is not supporting the traditional values of America while educators deny that modern education even addresses moral or ethical issues

None Dare Call It Reason Richard Sutherland, 2008-06 It is no secret. By and large American citizens have done everything in their power to doom themselves financially. And worse, the government hasn't acted any better. Just how did we get into this mess? This book gives it to you straight, short and to the point. Beginning with Ronald Reagan and continuing up to and through the administration of George W. Bush, the average American taxpayer has been robbed of his production by a select few who have plundered the national treasury. In *None Dare Call it Reason*, you'll learn the often overlooked effects of Social Security, War versus Domestic Spending, The Medicare Drug Bill, Bankruptcy laws, Illegal immigration, and much more. Don't sit in the dark anymore. Open your eyes, learn how the United States got to this point, and what can be done to bring the country back to prosperity. In *None Dare Call it Reason*

The Madness of Michele Bachmann Ken Avidor, Karl Bremer, Eva Young, 2011-11-02 This fact-packed exposé reveals all the dirty little secrets that Michele Bachmann would rather you didn't know. Since Michele Bachmann became a front runner for the Republican presidential nomination, journalists have been plumbing the depths of the well-regarded blog *Dump Bachmann* for material on her. Now the bloggers themselves pour forth a decade's worth of research and analysis to show that no matter what you've heard about Bachmann, there's worse. Much worse. After dogging her heels for the past decade, they reveal the blood-curdling truth about the woman who may well become the Republican Party's 2012 presidential nominee. Describes Bachmann's faith-based antischool agenda and antigay crusade. Explores her fellow travelers, her problematic pastors and criminal supporters, any of whom could become her. Rev. Jeremiah Wright Reveals the boondoggles she's supported, the pernicious legislation she's championed but fortunately almost never passed, and her foreign policy which boils down to "Jesus will be her Secretary of Defense." Exposes the truth behind the notorious Bathroomgate incident. Uncovers the influence of outside money on Bachmann's campaigns, causes, and policies. Democrats disappointed by Obama, Republicans embarrassed by their party's shallow field of candidates, and moderate independents looking for a reasonable choice need to know all they can about presidential contenders. *The Madness of Michele Bachman* provides deep background they won't find in the mainstream media.

Worldview as Worship Eddie Karl Baumann,2011-08-01 The goal of many evangelical

educators is to facilitate biblical thinking and the worldview transformation of their students Yet aside from upholding a set of moral behaviors or maintaining positions on issues perceived to be Christian the goals and aspirations of most evangelical young people differ little from their unbelieving peers As George Barna has noted We have a generation coming up that isn't looking at Christianity to answer spiritual concerns We either change or we lose them Worldview as Worship contends that the approach taken by most evangelical educators to the issue of worldview transformation has neglected to address two fundamental components of worldviews First that our initial worldviews are not philosophical systems but rather faith dispositions and that worldview transformation cannot simply present the biblical worldview as a more rational or logical system but must address issues of the heart as well as the mind Second unlike philosophies that are individual worldviews are communal and are learned and transformed within the context of community practice Appealing to Paul's teaching in Romans 12:1-2 Worldview as Worship approaches the renewing of your mind as the result of the believer's presentation of themselves as a holy sacrifice which is your spiritual service of worship The book advocates an approach to worldview transformation that focuses on believers as apprentices rather than simply as students an approach that holds true to the biblical model of discipleship As a result worldview transformation works best when the application of faith to the issues of learning and life are modeled by the faith community and where students are given the opportunity to put faith into practice
