Jonathan Barker,2003 Terrorism is a word that is thrown around very loosely by all sorts of people often by the biggest

Report 2008 Hari Mohan Mathur,2008 There are groups who oppose development projects that displace people from their
lands and livelihoods and demand that such projects should not be undertaken While this demand is unrealistic the concern
to save people is legitimate The real issue then is to undertake development in a way that ensures minimum disruption and
helps those relocated to share its benefits This report thus shows the way forward and emphasizes the need to adopt credible
policies that minimize displacement properly compensate those relocated to make development possible and give them a
permanent stake in project benefits Besides these it takes stock of issues like poverty unemployment health local government
and decentralization child labour and how women fare across social indices Complete with a social development index which
