How We Win George Lakey, 2018-12-04 A lifetime of activist experience from a civil rights legend informs this playbook for building and conducting nonviolent direct action campaigns In an era of massive worldwide protests for racial and economic justice it is important to remember that marching is only one way to take to the streets Protest must be supplemented with the sustained direct action campaigns that are crucial to winning major reforms Beginning as a trainer in the civil rights movement of the 1960s George Lakey has spent decades helping direct action tactics flourish and succeed on the front lines of social change Now in this timely and down to earth guide he passes the torch to a new generation of activists Lakey looks to successful campaigns across the world to help us see what has worked what hasn't and why from choosing the right target to designing a creative campaign from avoiding burnout within your group to building a movement of movements to achieve real progressive victories Drawing on the experiences of a diverse set of ambitious change makers *How We Win* shows us the way to justice peace and a sustainable economy This is what democracy looks like

A Theory of Nonviolent Action Stellan Vinthagen, 2015-11-15 In this ground breaking and much needed book Stellan Vinthagen provides the first major systematic attempt to develop a theory of nonviolent action since Gene Sharp's seminal *The Politics of Nonviolent Action* in 1973 Employing a rich collection of historical and contemporary social movements from various parts of the world as examples from the civil rights movement in America to anti Apartheid protestors in South Africa to Gandhi and his followers in India and addressing core theoretical issues concerning nonviolent action in an innovative penetrating way Vinthagen argues for a repertoire of nonviolence that combines resistance and construction Contrary to earlier research this repertoire consisting of dialogue facilitation normative regulation power breaking and utopian enactment is shown to be both multidimensional and contradictory creating difficult contradictions within nonviolence while simultaneously providing its creative and transformative force An important contribution in the field *A Theory of Nonviolent Action* is essential for anyone involved with nonviolent action who wants to think about what they are doing

Civil Resistance Erica Chenoweth, 2021 Civil resistance is a

method of conflict through which unarmed civilians use a variety of coordinated methods strikes protests demonstrations boycotts and many other tactics to prosecute a conflict without directly harming or threatening to harm an opponent Sometimes called nonviolent resistance unarmed struggle or nonviolent action this form of political action is now a mainstay across the globe It was been a central form of resistance in the 1989 revolutions and in the Arab Spring and it is now being practiced widely in Trump s America If we are going to understand the manifold protest movements emerging around the globe we need a thorough understanding of civil resistance and its many dynamics and manifestations In Civil Resistance What Everyone Needs to Know R Erica Chenoweth one of the world s leading scholars on the topic explains what civil resistance is how it works why it sometimes fails how violence and repression affect it and the long term impacts of such resistance Featuring both historical cases of civil resistance and more contemporary examples such as the Arab Awakenings and various ongoing movements in the United States this book provides a comprehensive yet pithy overview of this enormously important subject

The Oxford Handbook of Peace History Charles F. Howlett, Christian Philip Peterson, Christian Peterson, Deborah D. Buffton, David L. Hostetter, 2023 The Oxford Handbook of Peace History uniquely explores the distinctive dynamics of peacemaking across time and place and analyzing how past and present societies have created diverse cultures of peace and applied strategies for peaceful change The analysis draws upon the expertise of many well respected and distinguished scholars from disciplines such as anthropology economics history international relations journalism peace studies sociology and theology This work is divided into six parts The first three sections address the chronological sweep of peace history from the Ancient Egyptians to the present while the last three cover biographical profiles of peace advocates key issues in peace history and the future of peace history A central theme throughout is that the quest for peace is far more than the absence of war or the pursuit of social justice ideals Students and scholars alike will appreciate that this work examines the field of peace history from an international perspective and expands analysis beyond traditional Eurocentric frameworks This volume also goes far beyond previously published handbooks and anthologies in answering what are the strengths and limits of peace history as a discipline and what can it offer for the future It also has the unique features of a state of the field introduction with a detailed treatment of peace history historiography and a chapter written by a noted archivist in the field that provides a comprehensive list of peace research resources It is a work ably suited applicable for classrooms and scholarly bookshelves

Abolish war! Proposals for nonviolent self-defense with civil deterrence Martí Olivella Solé, 2025-05-19 The writer and political activist Victor Hugo proclaimed at the World Peace Congress held in Paris in 1849 that the death penalty must be abolished Now 176 years after that historic speech a new objective is needed the abolition of war If war applies the death penalty indiscriminately and without any legal procedure the only way to avoid this contradiction and crime against humanity is to abolish it In this book Mart Olivella proposes a strategy of Nonviolent Self Defense with Civil Deterrence to prevent armed conflicts and ensure that they never become profitable for

a potential aggressor This strategy maintains the right and duty to defend ourselves against invasion or injustice but does so intelligently effectively and ethically The author presents information and proposals aimed at the creation of nonviolent self defense forces within a new security paradigm An unprecedented but not impossible formulation This is a highly valuable document for addressing the turbulent times we are living in and with tools and arguments helps build a peaceful and democratic movement This book points us in the direction of a path that is both necessary and useful *Direct Theory and Political Action* Noël Sturgeon,1991
