### **Norbert Guthier No3:**

**Guthier** Norbert Guthier, Thor Kunkel, 2004-04-01 With his third publication Guthier No 3 Norbert Guthier presents his most daring work until now The book is the answer to the question is it possible for a photographer to accompany women men and couples while making love without destroying the special intimacy tenderness and magic of the moment Norbert Guthier has succeeded in remaining part of the background and in actually fusing with the protagonists at the same time It was the only way to keep alive the intimacy and poetry of the situation while simultaneously translating the frivolity the passion and the humor of these moments and to make all of this visible and perceptible for the viewer Guthier No 3 is the ideal present for open minded curious and self confident men women and couples It addresses itself to all those that seek new inspirations and take pleasure in piquant creative and humorous eroticism
