Nordfeldt, the Lambertville Years* Bror Julius Olsson Nordfeldt,1981 *Peggy Bacon* United States National Collection of Fine Arts,1975 **Les Fauves** Russell T. Clement,1994-05-25 This is the first comprehensive scholarly bibliography research guide sourcebook on the major French Fauve painters Henri Matisse and Georges Braque are treated in separate Greenwood bio bibliographies It includes information on 3 120 books and articles as well as chronologies biographical sketches and exhibition lists Each artist receives a primary and secondary bibliography with many annotated entries Secondary bibliographies include details about each artists life and career relationships with other artists work in various media iconography and more Designed for art historians art students museum and gallery curators and art lovers alike this volume organizes the vast literature surrounding this fascinating revolutionary 20th century art group Genuinely new art is always challenging sometimes even shocking to those unprepared for it In 1905 the paintings of Matisse Derain Vlaminck and their friends shocked conservative museum goers hence the eventual popularity of art critic Louis Vauxcelles s tag les fauves or wild beasts by which these artists became known Although it lasted only three or four years Fauvism is recognized as the first artistic revolution of international consequence in the 20th century It was based on the glorification of pure saturated colors and the free expression of primitivism It was a dynamic sensualism an equilibrium of passion and order fire and austerity that could not last By the end of 1908 Fauvism collapsed in the face of Cubism which moreover several Fauve artists helped to form **Bulletin of the Minneapolis Institute of Arts** Minneapolis Institute of Arts,1921 **Staging America** Jeffery Kennedy,2023-01-24 A comprehensive history of the Provincetown Players and their influence on modern American theatre The Provincetown Players created a revolution in American theatre making room for truly modern

approaches to playwriting stage production and performance unlike anything that characterized the commercial theatre of the early twentieth century In *Staging America The Artistic Legacy of the Provincetown Players* Jeffery Kennedy gives readers the unabridged story in a meticulously researched and comprehensive narrative that sheds new light on the history of the Provincetown Players This study draws on many new sources that have only become available in the last three decades this new material modifies refutes and enhances many aspects of previous studies At the center of the study is an extensive account of the career of George Cram Cook the Players leader and artistic conscience as well as one of the most significant facilitators of modernist writing in early twentieth century American literature and theatre It traces Cook's mission of cultural patriotism which drove him toward creating a uniquely American identity in theatre Kennedy also focuses on the group of friends he calls the Regulars perhaps the most radical collection of minds in America at the time they encouraged Cook to launch the Players in Provincetown in the summer of 1915 and instigated the move to New York City in fall 1916 Kennedy has paid particular attention to the many legends connected to the group such as the discovery of Eugene O'Neill and also adds to the biographical record of the Players forty seven playwrights including Susan Glaspell Neith Boyce Edna St Vincent Millay Floyd Dell Rita Wellman Mike Gold Djuna Barnes and John Reed Kennedy also examines other fascinating artistic literary and historical personalities who crossed the Players paths including Emma Goldman Charles Demuth Berenice Abbott Sophie Treadwell Theodore Dreiser Claudette Colbert and Charlie Chaplin Kennedy highlights the revolutionary nature of those living in bohemian Greenwich Village who were at the heart of the Players and the America they were responding to in their plays

The Routledge Companion to Expressionism in a Transnational Context

Isabel Wünsche, 2018-08-22 The Routledge Companion to Expressionism in a Transnational Context is a challenging exploration of the transnational formation dissemination and transformation of expressionism outside of the German speaking world in regions such as Central and Eastern Europe the Baltics and Scandinavia Western and Southern Europe North and Latin America and South Africa in the first half of the twentieth century Comprising a series of essays by an international group of scholars in the fields of art history and literary and cultural studies the volume addresses the intellectual discussions and artistic developments arising in the context of the expressionist movement in the various art centers and cultural regions The authors also examine the implications of expressionism in artistic practice and its influence on modern and contemporary cultural production Essential for an in depth understanding and discussion of expressionism this volume opens up new perspectives on developments in the visual arts of this period and challenges the traditional narratives that have predominantly focused on artistic styles and national movements

Art World and Arts &

Decoration, 1913 **Arts & Decoration**, 1927 **North American Women Artists of the Twentieth Century** Jules Heller, Nancy G. Heller, 2013-12-19 First Published in 1997 North American Women Artists of the Twentieth Century A Biographical Dictionary was created to fill a gap of there being a comprehensive reference work like this available even

though the bibliography in English on various aspects of the history of women artists has grown exponentially during the past ten years. As researchers the editors have been frustrated many times by being unable to locate basic information about many of the artists included in this volume especially those working outside the United States. This leads directly to another reason for producing this particular kind of reference book to try and create a better understanding between and among the artists and art audiences in these countries.

On the Viking Trail Don Lago, 2004-04

When his father developed Alzheimer's disease Don Lago realized that the stories and traditions of his Swedish ancestors would be lost along with the rest of his father's memories. Haunted by this inevitable tragedy Lago set out to fight back against forgetting by researching and reclaiming his long lost Scandinavian roots. Beginning his quest with a visit to his ancestral home of Grönna Sweden Lago explores all facets of Scandinavian America Swedish Danish Finnish Norwegian and Icelandic along the way. He encounters Icelanders living in the Utah desert a Titanic victim buried beneath a gigantic Swedish coffee pot in Iowa an Arkansas town named after the famous Swedish opera singer Jenny Lind a real life Legoland in southern California and other unique remnants of America's Scandinavian past. Visits to Sigurd Olson's legendary cabin on the banks of Burntside Lake in the Boundary Waters of Minnesota and Carl Sandburg's birthplace in Galesburg Illinois further provide Lago with an acute sense of the Scandinavian values that so greatly influenced and continue to influence American society. More than just a travel memoir *On the Viking Trail* places Scandinavian immigrants and their history within the wider sweep of American culture. Lago's perceptive eye and amusing tales remind readers of all ethnic backgrounds that to truly appreciate America one must never forget its immigrant past.
