Norms Of Faith And Life Recent Studies In Early Christianity 3:

The Early Church at Work and Worship, Vol I Everett Ferguson, 2014-08-28 Many recognise Everett Ferguson as the definitive voice on early Christianity patristic writing and ecclesiology The Early Church at Work and Worship is a challenging collection broad in scope and formidable in depth This is the first volume of Ferguson's collected essays and includes some of his most memorable work especially on laying on of hands Practices of Ordination and attitudes to religious schism in antiquity are analysed by the scholar in this collection which not only includes articles and publications from various sources but also previously unpublished material *Engaging Early Christian History* Ruben R. Dupertuis, Todd Penner, 2014-09-03 This book extends scholarly debate beyond the analysis of pure historical debates and concerns to focus on the associations between Acts and the diverse contemporaneous texts writers and broader cultural phenomena in the second century world of Christians Romans Greeks and Jews

The Early Church at Work and Worship - Volume 1 Everett Ferguson, 2013-01-22 This is the first volume of Ferguson's collected essays and includes some of his most memorable work especially on laying on of hands

Church History, Volume One: From Christ to the Pre-Reformation Everett Ferguson, 2013-11-26 Church History Volume One offers a unique contextual view of how the Christian church spread and grew from its development in the days of Jesus to the years leading up to the Reformation Looking closely at the integral link between the history of the world and that of the church Church History paints a portrait of God's people within its setting of times cultures and events that both influenced and were influenced by the church

FEATURES Maps charts and illustrations spanning the time from the first through the thirteenth centuries Overviews of the Roman Greek and Jewish worlds and how they developed or declined Insights into the church's relationship to the Roman Empire with glimpses into pagan attitudes toward Christians Explanations of the role of art architecture literature and philosophy both sacred and secular in the Church Details on the major theological controversies of the periods Each chapter also contains callout passages from Scripture to assist in understanding the narrative of the Church even to the present day as part of the greater narrative of the Bible

AUTHOR'S PERSPECTIVE Scholar and writer Everett Ferguson wrote this history of the church from the perspective that such a history is the story of the greatest movement and community the world has known It's a human story of a divinely called people who wanted to live by a divine revelation It's a story of how they succeeded and how they failed or fell short of their calling From the Apostle Paul to the apologists and martyrs of the second century to Martin Luther the historical figures detailed are people who have struggled with the meaning of the greatest event in history the coming of the Son of God and with their role in that event and in the lives of God's people
