Priscilla J. Brewer

Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century:

Religion and Sexuality Lawrence Foster, 1981 This unusual work presents a fascinating study of three radical millennial religious communities the Shakers the Oneida Community and the Mormons that emerged during the turbulent decades before the Civil War in America

Communal Utopias and the American Experience Religious Communities, 1732-2000 Robert P. Sutton, 2003-09-30 American communalism is not a disjointed erratic almost ephemeral part of our past but an on going essential part of American history This important study begins with an examination of America's first religious utopia at Ephrata near Lancaster Pennsylvania in 1732 and traces successive utopian experiments in the United States through the following centuries The author demonstrates that the utopian communal story is an integral facet of the Puritan concept of America as a city upon a hill and a beacon light for the world where the perfect society could be built and where it could flourish After discussing the Ephrata Cloister 1724-1812 the author turns to the dozen or so Shaker communities that spread utopian communalism from New England to the Ohio Valley frontier in the antebellum years Next he examines the various Separatists as well as the Oneida Community He traces the history of the Hutterite utopias from Russia to the Great Plains and Canada between the Civil War and World War I In a chapter on California counter culture communities he analyzes the Theosophist communes at Point Loma and Temple Home Finally he discusses modern religious utopias ranging from the Koreshian Unity at Estero Florida to Zion City near Chicago Dorothy Day's Catholic Worker Movement the Sufi Utopia in the Berkshire Mountains and the Pandanaram Settlement in Indiana

America's Communal Utopias Donald E. Pitzer, 2010-01-20 From the Shakers to the Branch Davidians America's communal utopias have captured the popular imagination Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social religious and economic life The contributors examine the beliefs and practices of the most prominent utopian communities founded before 1965 including the long overlooked Catholic monastic communities and Jewish agricultural colonies Also featured are the Ephrata Baptists Moravians Shakers Harmonists Hutterites Inspirationists of Amana Mormons Owenites Fourierists Icarians Janssionists Theosophists Cyrus Teed's Koreshans and Father Divine's Peace Mission Based on a new conceptual framework known as developmental communalism the book examines these utopian movements throughout the course of their development before during and after their communal period Each chapter includes a brief chronology giving basic information about the group discussed An appendix presents the most complete list of American utopian communities ever published The contributors are Jonathan G Andelson Karl J R Arndt Pearl W Bartelt Priscilla J Brewer Donald F Durnbaugh Lawrence Foster Carl J Guarneri Robert V Hine Gertrude E Huntington James E Landing Dean L May Lawrence J McCrank J Gordon Melton Donald E Pitzer Robert P Sutton Jon Wagner and Robert S Weisbrot

A Documentary History of Religion in America to 1877 Edwin S. Gaustad, Mark A. Noll, 2003-09-19 A richly variegated selection of short documents illustrative of the history of religion in America The best source book available to

contemporary students and general readers A Historical Introduction to the Study of New Religious Movements W. Michael Ashcraft, 2018-02-02 The American public's perception of New Religious Movements (NRMs) as fundamentally harmful cults stems from the anticult movement of the 1970s which gave a sometimes hysterical and often distorted image of NRMs to the media. At the same time, academics pioneered a new field studying these same NRMs from sociological and historical perspectives. They offered an interpretation that ran counter to that of the anticult movement. For these scholars in the new field of NRM studies, NRMs were legitimate religions deserving of those freedoms granted to established religions. Those scholars in NRM studies continued to evolve methods and theories to study NRMs. This book tells their story. Each chapter begins with a biography of a key person involved in studying NRMs. The narrative unfolds chronologically, beginning with late nineteenth and early twentieth century perceptions of religions alternative to the mainstream. Then the focus shifts to those early efforts in the 1960s and 1970s to comprehend the growing phenomena of cults or NRMs using the tools of academic disciplines. The book's midpoint is a chapter that looks closely at the scholarship of the anticult movement and from there moves forward in time to the present, highlighting themes in the study of NRMs like violence, gender, and reflexive ethnography. No other book has used the scholars of NRMs as the focus for a study in this way. The material in this volume is therefore a fascinating viewpoint from which to explore the origins of this vibrant academic community as well as analyze the practice of Religious Studies more generally.

Free Love in Utopia George Wallingford Noyes, Lawrence Foster, 2001 The free love Oneida Community, founded in New York state during the turbulent decades before the Civil War, practiced an extraordinary system of complex marriage as part of its sustained experiment in creating the kingdom of heaven on earth. For more than thirty years, two hundred adult members considered themselves heterosexually married to the entire community rather than to a single monogamous partner. Free Love in Utopia provides the first in-depth account of how complex marriage was introduced among previously monogamous or single Oneida Community members. Bringing together vivid firsthand writings by members of the community, including personal correspondence, memoranda on spiritual and material concerns, and official pronouncements, this volume portrays daily life in Oneida and the deep religious commitment that permeated every aspect of it. It also presents a complex portrait of the community's founder, John Humphrey Noyes, who demanded not only complete religious loyalty from his followers but also minute control over their sexual lives. It recounts the formidable legal suits faced by the community, one of which almost forced it to disband in 1852, and the critical behind-the-scenes work of Noyes's second in command, John L. Miller. Most important, Free Love in Utopia describes in detail how Oneida's enlarged family was created and how its unorthodox practices affected its members. Key selections from a large collection of primary documents detailing Oneida's early years were compiled by George Wallingford Noyes, nephew of the founder. The present volume, astutely edited and introduced by noted communitarian scholar Lawrence Foster, marks the first publication of G. W. Noyes's remarkable manuscript excerpted from the irreplaceable original documents that were deliberately burned after his

death The volume also reproduces Oneida's First Annual Report which contains the sexual manifesto that underlay the community

Shaker Communities, Shaker Lives Priscilla J. Brewer, 1986 An engaging social history introduction to the Shakers as both individuals members of a movement

Church, State, and Original Intent Donald L. Drakeman, 2010 This provocative book shows how the justices of the United States Supreme Court have used constitutional history portraying the Framers actions in a light favoring their own views about how church and state should be separated Drakeman examines church state constitutional controversies from the Founding Era to the present arguing that the Framers originally intended the establishment clause only as a prohibition against a single national church

The Oxford Handbook of Mormonism Terryl L. Givens, Philip L. Barlow, 2015-09-01 Winner of the Best Anthology Book Award from the John Whitmer Historical Association Winner of the Special Award for Scholarly Publishing from the Association for Mormon Letters Scholarly interest in Mormon theology history texts and practices what makes up the field now known as Mormon studies has reached unprecedented levels making it one of the fastest growing subfields in religious studies In this volume Terryl Givens and Philip Barlow two leading scholars of Mormonism have brought together 45 of the top experts in the field to construct a collection of essays that offers a comprehensive overview of scholarship on Mormons The book begins with a section on Mormon history perhaps the most well developed area of Mormon studies Chapters in this section deal with questions ranging from how Mormon history is studied in the university to the role women have played over time Other sections examine revelation and scripture church structure and practice theology society and culture The final two sections look at Mormonism in a larger context The authors examine Mormon expansion across the globe focusing on Mormonism in Latin America the Pacific Europe and Asia in addition to the interaction between Mormonism and other social systems such as law politics and other faiths Bringing together an impressive body of scholarship this volume reveals the vast range of disciplines and subjects where Mormonism continues to play a significant role in the academic conversation The Oxford Handbook of Mormonism will be an invaluable resource for those within the field as well as for people studying the broader ever changing American religious landscape

Intentional Community Susan Love Brown, 2002-01-01 Uses classical anthropological theory to understand intentional communities in the United States

A Sense of the Heart Bill J. Leonard, 2014-11-18 For many people knowing about God is not enough they also want to feel God's presence Whether like St Paul's experience on the road to Damascus or like Wesley's strangely warmed heart people believe that nothing can substitute for religious experience Even today people go to church in order to encounter the Divine by which they mean experience God in their midst This desire to meet or be met by God is as old as humanity but America especially has been the seed bed for what William James famously called varieties of religious experience These experiences cover a wide spectrum from classic mysticism to revivalist conversion to a contemporary pursuit of spirituality A Sense of the Heart traces the nature of religious experience from the colonial era to the present attempting to define and describe the nature of religious experience and

noting common and distinct approaches in the work of various scholars and practitioners Following that A Sense of the Heart offers a historical review of representative types of religious experience the nature of such experiences and their impact on the American religious and cultural context as evident in awakenings controversies denominations and new religious communities

God and the IRS Samuel D. Brunson, 2018-04-19 Seventy five percent of Americans claim religious affiliation which can impact their taxpaying responsibilities In this illuminating book Samuel D Brunson describes the many problems and breakdowns that can occur when tax meets religion in the United States and shows how the US government has too often responded to these issues in an unprincipled ad hoc manner God and the IRS offers a better framework to understand tax and religion It should be read by scholars of religion and the law policymakers and individuals interested in understanding the implications of taxation on their religious practices

Communal Life Yosef Gorni, IaÃicov Oved, IditWyEd Paz, 1987-01-01 This remarkable compendium brings together more than eighty scholars from throughout the world to examine the experience of the kibbutz and communal living Through careful examination of the ideological historical educational sociological and economic origins and realities of communal living the contributors provide strong and positive support for the belief that a cooperative society can exist within an antagonistic competitive system Taken together these contributions provide dialogue among and between those who research communal life and those who live it

Relations of Rescue Peggy Pascoe, 1990-08-02 First issued as an Oxford University Press paperback 1993 Title page verso

The New American History American Historical Association, 1997 Originally released in 1990 The New American History edited for the American Historical Association by Eric Foner has become an indispensable volume for teachers and students In essays that chart the shifts in interpretation within their fields some of our most prominent American historians survey the key works and themes in the scholarship of the last three decades Along with substantially revised essays from the first edition this volume presents three entirely new ones on intellectual history the history of the West and the histories of the family and sexuality The second edition of The New American History reflects in Foner s words the continuing vitality and creativity of the study of the past how traditional fields are being expanded and redefined even as new ones are created Author note Eric Foner is DeWitt Clinton Professor of History at Columbia University He is the author of numerous books including Reconstruction 1863 1877 which was awarded the Bancroft Prize

The Genius of Democracy Victoria Olwell, 2011-05-05 In the late nineteenth and early twentieth century United States ideas of genius did more than define artistic and intellectual originality They also provided a means for conceptualizing women s participation in a democracy that marginalized them Widely distributed across print media but reaching their fullest development in literary fiction tropes of female genius figured types of subjectivity and forms of collective experience that were capable of overcoming the existing constraints on political life The connections between genius gender and citizenship were important not only to contests over such practical goals as women s suffrage but also to those over national membership cultural identity and means of political transformation

more generally In *The Genius of Democracy* Victoria Olwell uncovers the political uses of genius challenging our dominant narratives of gendered citizenship She shows how American fiction catalyzed political models of female genius especially in the work of Louisa May Alcott Henry James Mary Hunter Austin Jessie Fauset and Gertrude Stein From an American Romanticism that saw genius as the ability to mediate individual desire and collective purpose to later scientific paradigms that understood it as a pathological individual deviation that nevertheless produced cultural progress ideas of genius provided a rich language for contests over women's citizenship Feminist narratives of female genius projected desires for a modern public life open to new participants and new kinds of collaboration even as philosophical and scientific ideas of intelligence and creativity could often disclose troubling and more regressive dimensions Elucidating how ideas of genius facilitated debates about political agency gendered identity the nature of consciousness intellectual property race and national culture Olwell reveals oppositional ways of imagining women's citizenship ways that were critical of the conceptual limits of American democracy as usual

New Religious Movements and Religious Liberty in America Derek Davis, Barry Hankins, 2003 New nontraditional religious movements are the most likely groups to offend mainstream culture and the least likely to have representatives in government to ensure that their liberty is protected These new religious movements are sometimes ostracized and subject to various forms of discrimination As America becomes increasingly pluralistic with more and more groups contributing to the nation's religious mosaic new religious movements may well play an increasing role in the course of religious liberty in America just as groups such as the Jehovah's Witnesses did formerly This book explores the problems and possibilities posed by new religious movements for religious liberty in America

The Antipolygamy Controversy in U.S. Women's Movements, 1880-1925 Joan Smyth Iversen, 2014-01-21 This first study of the antipolygamy movement in the United States traces its growth from a Utah based women's group into a national crusade where it sparked a debate in suffrage politics The author analyzes this debate highlighting the differing views of marriage family and the role of women held by suffrage leaders Mormon women and antipolygamy reformers Antipolygamy rhetoric masked a more significant debate within women's groups about the structure and meaning of the American family Coming in the post Civil War period the antipolygamy agenda reflects an attempt to re-construct the Republican family diminish patriarchal authority and improve the status of women The reaction of the antipolygamy women was also more than a struggle for power Their adherence to the Republican family was a discourse involving not just rhetoric but a whole range of cultural forms and institutions which provided women with status moral authority and an identity Often the fear of polygamy was mingled with anxiety over the increase in divorce and the emergence of the new woman Ironically by the end of the long congressional battle over Utah and the Mormons both the rhetoric of polygamy and antipolygamy were used against the women's movement

Dictionary of American Religious Biography Henry W. Bowden, 1993-04-13 The first edition of this award winning reference published in 1977 contained 425 biographical profiles of the most significant American

religious figures This new edition includes profiles for 125 additional people and the earlier biographical sketches have been revised and updated The volume includes religious leaders who died before July 1 1992 Among its pages are entries for reformers philosophers social activists doers and dreamers While many of the people are mainstream white ordained clergymen many more stand outside traditional denominations and reflect the cultural and religious diversity of modern America The result is a systematic overview of 400 years of American religion from the colonial period to the present day Each profile begins with a capsule summary of the chief events in that person s life The biographical essay that follows places the basic facts of the figure s life within the larger context of American religious history A bibliography of the most significant works by and about the figure concludes each entry Appendices at the end of the work categorize each individual by religious denomination and by place of birth

Mormonism W. Paul Reeve, Ardis E. Parshall, 2010-08-13 Covering its historic development important individuals and central ideas and issues this encyclopedia offers broad historical coverage of The Church of Jesus Christ of Latter day Saints *Mormonism A Historical Encyclopedia* helps readers explore a church that has gone from being an object of ridicule and sometimes violent persecution to a worldwide religion counting prominent businesspeople and political leaders among its members including former Massachusetts governor and recent presidential candidate Mitt Romney The encyclopedia begins with an overview of The Church of Jesus Christ of Latter day Saints six essays cover the church s history from Joseph Smith s first vision in 1820 to its current global status This provides a context for subsequent sections of alphabetically organized entries on key events and key figures in Mormon history A final section looks at important issues such as the church s organization and government its teachings on family Mormonism and blacks Mormonism and women and Mormonism and Native Americans Together these essays and entries along with revealing primary sources portray the Mormon experience like no other available reference work

Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century Introduction

Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Religion And Sexuality

Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century

Three American Communal Experiments Of The Nineteenth Century Offers a diverse range of free eBooks across various genres. Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century, especially related to Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century books or magazines might include. Look for these in online stores or libraries. Remember that while Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century eBooks, including some popular titles.

FAQs About Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read

eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century is one of the best book in our library for free trial. We provide copy of Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century. Where to download Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century online for free? Are you looking for Religion And Sexuality Three American Communal Experiments Of The Nineteenth Century PDF? This is definitely going to save you time and cash in something you should think about.
