**Daniel L. Dreisbach**

## **Religion And The American Mind From The Great Awakening To The Revolution:**

*Religion and the American Mind* Alan Heimert, 1985      *Religion and the American mind from the Great Awakening to the Revolution* Alan E. Heimert,      *Religion and the American Mind, from the Great Awakening to the Revolution* Alan Heimert, 2013      **John Witherspoon's American Revolution** Gideon Mailer, 2016-11-23 In 1768 John Witherspoon Presbyterian leader of the evangelical Popular party faction in the Scottish Kirk became the College of New Jersey's sixth president At Princeton he mentored constitutional architect James Madison as a New Jersey delegate to the Continental Congress he was the only clergyman to sign the Declaration of Independence Although Witherspoon is often thought to be the chief conduit of moral sense philosophy in America Mailer's comprehensive analysis of this founding father's writings demonstrates the resilience of his evangelical beliefs Witherspoon's Presbyterian evangelicalism competed with combined with and even superseded the civic influence of Scottish Enlightenment thought in the British Atlantic world John Witherspoon's *American Revolution* examines the connection between patriot discourse and long standing debates already central to the 1707 Act of Union about the relationship among piety moral philosophy and political unionism In Witherspoon's mind Americans became different from other British subjects because more of them had been awakened to the sin they shared with all people Paradoxically acute consciousness of their moral depravity legitimized their move to independence by making it a concerted moral action urged by the Holy Spirit Mailer's exploration of Witherspoon's thought and influence suggests that for the founders in his circle civic virtue rested on personal religious awakening      *The Oxford Handbook of the American Revolution* Edward G. Gray, Jane Kamensky, 2015 The Oxford Handbook of the American Revolution introduces scholars students and generally interested readers to the formative event in American history In thirty three individual essays the Handbook provides readers with in depth analysis of the Revolution's many sides      *Reading the Bible with the Founding Fathers* Daniel L. Dreisbach, 2016-11-01 No book was more accessible or familiar to the American founders than the Bible and no book was more frequently alluded to or quoted from in the political discourse of the age How and for what purposes did the founding generation use the Bible How did the Bible influence their political culture Shedding new light on some of the most familiar rhetoric of the founding era Daniel Dreisbach analyzes the founders' diverse use of scripture ranging from the literary to the theological He shows that they looked to the Bible for insights on human nature civic virtue political authority and the rights and duties of citizens as well as for political and legal models to emulate They quoted scripture to authorize civil resistance to invoke divine blessings for righteous nations and to provide the language of liberty that would be appropriated by patriotic Americans *Reading the Bible with the Founding Fathers* broaches the perennial question of whether the American founding was to some extent informed by religious specifically Christian ideas In the sense that the founding generation were members of a biblically literate society that placed the Bible at the center of culture and discourse the answer to that question is clearly yes Ignoring the Bible's influence on the founders Dreisbach warns produces

a distorted image of the American political experiment and of the concept of self government on which America is built  
*Samuel Adams* Ira Stoll,2008-11-04 A biography of one of the most influential patriots during the Revolutionary War

**A People So Favored of God, Second Edition** George W. Harper,2007-12-01 This book is intended for all those with an interest in New England Puritanism American evangelicalism the history of revivalism or the history of pastoral ministry

**Encyclopedia of U.S. Political History** Andrew Whitmore Robertson,2010 Annotation st1 behavior url ieouui  
Unparalleled coverage of U S political development through a unique chronological frameworkEncyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system Strangers and Pilgrims Catherine A. Brekus,2000-11-09 Margaret Meuse Clay who barely escaped a public whipping in the 1760s for preaching without a license Old Elizabeth an ex slave who courageously traveled to the South to preach against slavery in the early nineteenth century Harriet Livermore who spoke in front of Congress four times between 1827 and 1844 these are just a few of the extraordinary women profiled in this the first comprehensive history of female preaching in early America Drawing on a wide range of sources Catherine Brekus examines

the lives of more than a hundred female preachers both white and African American who crisscrossed the country between 1740 and 1845. Outspoken, visionary, and sometimes contentious, these women stepped into the pulpit long before twentieth-century battles over female ordination began. They were charismatic popular preachers who spoke to hundreds and even thousands of people at camp and revival meetings, and yet with but a few notable exceptions such as Sojourner Truth, these women have essentially vanished from our history. Recovering their stories, Brekus shows, forces us to rethink many of our common assumptions about eighteenth and nineteenth-century American culture.

**Inventing a Christian America** Steven K. Green, 2015-06-01. Among the most enduring themes in American history is the idea that the United States was founded as a Christian nation. A pervasive narrative in everything from school textbooks to political commentary, it is central to the way in which many Americans perceive the historical legacy of their nation. Yet as Steven K. Green shows in this illuminating new book, it is little more than a myth. In *Inventing a Christian America*, Green, a leading historian of religion and politics, explores the historical record that is purported to support the popular belief in America's religious founding and status as a Christian nation. He demonstrates that like all myths, these claims are based on historical facts that have been colored by the interpretive narratives that have been imposed upon them. In tracing the evolution of these claims and the evidence levied in support of them from the founding of the New England colonies through the American Revolution and to the present day, he investigates how they became leading narratives in the country's collective identity. Three critical moments in American history shaped and continue to drive the myth of a Christian America: the Puritan founding of New England, the American Revolution, and the forging of a new nation in the early years of the nineteenth century, when a second generation of Americans sought to redefine and reconcile the memory of the founding to match their religious and patriotic aspirations. Seeking to shed light not only on the veracity of these ideas but on the reasons they endure, Green ultimately shows that the notion of America's religious founding is a myth not merely in the colloquial sense but also in a deeper sense as a shared story that gives deeper meaning to our collective national identity. Offering a fresh look at one of the most common and contested claims in American history, *Inventing a Christian America* is an enlightening read for anyone interested in the story of and the debate over America's founding.

**One Holy and Happy Society** Gerald R. McDermott, 2010-11. Jonathan Edwards (1703-58) was arguably this country's greatest theologian and its finest philosopher before the nineteenth century. His school of disciples, the New Divinity, exerted enormous influence on the religious and political cultures of late colonial and early republican America. Hence any study of religion and politics in early America must take account of this theologian and his legacy. Yet historians still regard Edwards's social theory as either nonexistent or underdeveloped. Gerald McDermott demonstrates to the contrary that Edwards was very interested in the social and political affairs of his day and commented upon them at length in his unpublished sermons and private notebooks. McDermott shows that Edwards thought deeply about New England's status under God, America's role in the millennium, the nature and usefulness of patriotism, the duties of a

good magistrate and what it means to be a good citizen In fact his sociopolitical theory was at least as fully developed as that of his better known contemporaries and more progressive in its attitude toward citizens rights Using unpublished manuscripts that have previously been largely ignored McDermott also convincingly challenges generations of scholarly opinion about Edwards The Edwards who emerges from this nook is both less provincial and more this worldly than the persona he is commonly given

**Public Religions in the Modern World** José Casanova,2011-08-29 In a sweeping reconsideration of the relation between religion and modernity Jose Casanova surveys the roles that religions may play in the public sphere of modern societies During the 1980s religious traditions around the world from Islamic fundamentalism to Catholic liberation theology began making their way often forcefully out of the private sphere and into public life causing the deprivatization of religion in contemporary life No longer content merely to administer pastoral care to individual souls religious institutions are challenging dominant political and social forces raising questions about the claims of entities such as nations and markets to be value neutral and straining the traditional connections of private and public morality Casanova looks at five cases from two religious traditions Catholicism and Protestantism in four countries Spain Poland Brazil and the United States These cases challenge postwar and indeed post Enlightenment assumptions about the role of modernity and secularization in religious movements throughout the world This book expands our understanding of the increasingly significant role religion plays in the ongoing construction of the modern world

*Encyclopedia of U.S. Political History* Andrew Robertson,Michael A. Morrison,William G. Shade,Robert Johnston,Robert Zieger,Thomas Langston,Richard Valelly,2010-04-01 Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors VOLUME 1 Colonial Beginnings through Revolution

1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system VOLUME 3 Expansion Division and Reconstruction 1841 1877 Volume Editor William Shade Lehigh University emeritus This volume examines three decades in the middle of the nineteenth century which witnessed the emergence of the debate over slavery in the territories which eventually led to the Civil War the military conflict itself from 1861 until 1865 and the process of Reconstruction which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877 VOLUME 4 From the Gilded Age through the Age of Reform 1878 1920 Volume Editor Robert Johnston University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year 1878 marked a new focus in American politics and it became recognizably modern within the next 40 years This volume focuses on race and politics economics labor and capitalism agrarian politics and populism national politics progressivism foreign affairs World War I and the end of the progressive era VOLUME 5 Prosperity Depression and War 1921 1945 Volume Editor Robert Zieger University of Florida Between 1921 and 1945 the U S political system exhibited significant patterns of both continuity and change in a turbulent time marked by racist conflicts the Great Depression and World War II The main topics covered in this volume are declining party identification the Roosevelt Coalition evolving party organization congressional inertia in the 1920s the New Deal Congress during World War II the growth of the federal government Franklin D Roosevelt s presidency the Supreme Court s conservative traditions and a new judicial outlook VOLUME 6 Postwar Consensus to Social Unrest 1946 1975 Volume Editor Thomas Langston Tulane University This volume examines the postwar era with the consolidation of the New Deal the onset of the Cold War and the Korean War It then moves into the 1950s and early 1960s and discusses the Vietnam war the era of John F Kennedy the Cuban Missile Crisis the Civil Rights Act Martin Luther King and the Voting Rights Act antiwar movements The War Powers Act environmental policy the Equal Rights Amendment Roe v Wade Watergate and the end of the Vietnam War VOLUME 7 The Clash of Conservatism and Liberalism 1976 to present Volume Editor Richard Valelly Swarthmore College The troubled Carter Administration 1977 1980 proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president Ronald Reagan The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes social policy and the size of national government It also considers the mixed blessing

of the change in superpower international competition associated with the end of the Cold War Stateless terrorism symbolized by the 9 11 attacks the continuing American tradition of civil liberties and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered     **Jonathan Edwards within the Enlightenment: Controversy, Experience, & Thought** John T. Lowe, Daniel N. Gullotta, 2020-05-11 In her Epilogue entitled What Is His Greatness Ola Elizabeth Winslow stated in the first serious modern biography of Jonathan Edwards In a word it is the greatness of one who had a determining art of initiating and directing a popular movement of far reaching consequence and who in addition laid the foundations for a new system of religious thought also of far reaching consequence After two and a half centuries since Edwards s death Winslow s statement is undoubtedly true and perhaps more so now than ever The recovery of Edwards pioneered by Perry Miller Ola Winslow and Thomas Schafer among others has become what is often referred to as an Edwards renaissance and has been made even more popular among lay people by John Piper Stephen Nichols and the like Since the free online access of The Works of Jonathan Edwards by Yale University dozens of books and articles as well as numerous dissertations each year are written to seek a facet of Edwards s greatness and thus as an exemplar of his continued far reaching consequence Jonathan Edwards more than any other pre revolutionary colonial thinker grappled with the promises and perils of the Enlightenment Organized by John T Lowe and Daniel N Gullotta Jonathan Edwards within the Enlightenment brings together a group of young and early career scholars to present their propping the life times and theology of one of America s greatest minds Many of these subjects have been seldom explored by scholars while others offer new and exciting avenues into well covered territory Some of these topics include Edwards interaction with and involvement in slavery colonialism racism as well as musings on gender populism violence pain and witchcraft     *A History of the Episcopal Church - Third Revised Edition* Robert W. Prichard, 2014-10-01 This thorough carefully researched history sets church events against the background of social changes This third revised edition will be up to date through the events of the 2012 General Convention of the Episcopal Church     **The "true Professional Ideal" in America** Bruce A. Kimball, 1996 Bruce A Kimball attacks the widely held assumption that the idea of American professionalism arose from the proliferation of urban professional positions during the late nineteenth century This first paperback edition of *The True Professional Ideal in America* argues that the professional ideal can be traced back to the colonial period This comprehensive intellectual history illuminates the profound relationships between the idea of a professional and broader changes in American social cultural and political history     *Converging Worlds* Louise A. Breen, 2013-06-17 Providing a survey of colonial American history both regionally broad and Atlantic in coverage *Converging Worlds* presents the most recent research in an accessible manner for undergraduate students With chapters written by top notch scholars *Converging Worlds* is unique in providing not only a comprehensive chronological approach to colonial history with attention to thematic details but a window into the relevant historiography Each historian also selected several

documents to accompany their chapter found in the companion primary source reader *Converging Worlds* Communities and Cultures in Colonial America includes timelines tailored for every chapter chapter summaries discussion questions lists of further reading introducing students to specialist literature fifty illustrations Key topics discussed include French Spanish and Native American experiences regional areas such as the Midwest and Southwest religion including missions witchcraft and Protestants the experience of women and families With its synthesis of both broad time periods and specific themes *Converging Worlds* is ideal for students of the colonial period and provides a fascinating glimpse into the diverse foundations of America For additional information and classroom resources please visit the *Converging Worlds* companion website at [www.routledge.com/textbooks/9780415964999](http://www.routledge.com/textbooks/9780415964999)

*The Rites of Assent* Sacvan Bercovitch, 2014-01-14 *The Rites of Assent* examines the cultural strategies through which America served as a vehicle simultaneously for diversity and cohesion fusion and fragmentation Taking an ethnographic cross cultural approach *The Rites of Assent* traces the meanings and purposes of America back to the colonial typology of mission and specifically in chapters on Puritan rhetoric Cotton Mather Jonathan Edwards and the movement from Revival to Revolution to the legacy of early New England

*Separating Church and State* Steven K. Green, 2022-03-15 Steven K Green renowned for his scholarship on the separation of church and state charts the career of the concept and helps us understand how it has fallen into disfavor with many Americans In 1802 President Thomas Jefferson distilled a leading idea in the early American republic and wrote of a wall of separation between church and state That metaphor has come down from Jefferson to twenty first century Americans through a long history of jurisprudence political contestation and cultural influence This book traces the development of the concept of separation of church and state and the Supreme Court's application of it in the law Green finds that conservative criticisms of a separation of church and state overlook the strong historical and jurisprudential pedigree of the idea Yet arguing with liberal advocates of the doctrine he notes that the idea remains fundamentally vague and thus open to loose interpretation in the courts As such the history of a wall of separation is more a variable index of American attitudes toward the forces of religion and state Indeed Green argues that the Supreme Court's use of the wall metaphor has never been essential to its rulings The contemporary battle over the idea of a wall of separation has thus been a distraction from the real jurisprudential issues animating the contemporary courts

If you ally craving such a referred **Religion And The American Mind From The Great Awakening To The Revolution** ebook that will pay for you worth, get the completely best seller from us currently from several preferred authors. If you desire to entertaining books, lots of novels, tale, jokes, and more fictions collections are as well as launched, from best seller to one of the most current released.

### **Religion And The American Mind From The Great Awakening To The Revolution Introduction**

In today's digital age, the availability of Religion And The American Mind From The Great Awakening To The Revolution books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religion And The American Mind From The Great Awakening To The Revolution books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religion And The American Mind From The Great Awakening To The Revolution books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religion And The American Mind From The Great Awakening To The Revolution versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religion And The American Mind From The Great Awakening To The Revolution books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or

referencing. When it comes to accessing Religion And The American Mind From The Great Awakening To The Revolution books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religion And The American Mind From The Great Awakening To The Revolution books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religion And The American Mind From The Great Awakening To The Revolution books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religion And The American Mind From The Great Awakening To The Revolution books and manuals for download and embark on your journey of knowledge?

### **FAQs About Religion And The American Mind From The Great Awakening To The Revolution Books**

1. Where can I buy Religion And The American Mind From The Great Awakening To The Revolution books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or

software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Religion And The American Mind From The Great Awakening To The Revolution book to read?  
Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Religion And The American Mind From The Great Awakening To The Revolution books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Religion And The American Mind From The Great Awakening To The Revolution audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Religion And The American Mind From The Great Awakening To The Revolution books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
