## **Religion In Social Context In:**

Religion Meredith B. McGuire, 2008-04-10 In this insightful examination of religions in their local and global context the author shows how analyzing religions social context helps us understand individuals lives social movements national and ethnic politics and widespread social changes Well researched and theory based the text is filled with intriguing anecdotes empirical data thought provoking discussions of both mainstream and nonofficial religions and historical and contemporary examples that illustrate the interplay between religion and society across cultures This volume takes an integrated approach to examining religion and includes cross cultural historical and methodological viewpoints Readers will learn to identify the complex interactions between religion and societal contexts as well as the ways in which these interactions shape individuals communities national politics and the world *Religion in social context* Nicholas Jay Demerath, Phillip E. Hammond, 1969

*Religion in social context: tradition and transition* Nicholas J. Demerath, Phillip E. Hammond, **Religion** Meredith B. McGuire, 2008 **Religion in Social Context** Nicholas Jay Demerath, 1969 **Theology in a Social Context** Professor Robin Gill, 2013-06-28 Over the last 30 years a number of theologians have been using aspects of sociology alongside the more traditional resources of philosophy In turn sociologists with an interest in theology have also contributed to an interaction between theology and sociology The time is right to revisit the dialogue between theologians and sociologists In his new trilogy on Sociological Theology Robin Gill makes a renewed contribution to the mapping of three abiding ways of relating theology and sociology with the three volumes covering Theology in a Social Context Theology Shaped by Society Society Shaped by Theology Theology in a Social Context argues that a sociological perspective properly understood can make an important contribution to theology Part I looks carefully at various objections raised by both theologians and sociologists maintaining instead that a proper understanding of social context is a prerequisite for effective theology Part II suggests that a sociological perspective offers crucial insights into resurgent forms of fundamentalism Part III offers a fresh account of social context in the modern world once thought by sociologists and theologians alike to consist simply of increasing secularization **The Social Contexts of Disability Ministry** Albert A. Herzog, 2017-09-29 This book provides pastors seminarians and interested laity with the background necessary to understand the need for disability ministry and the contexts out of which the church s ministry among people with disabilities must emerge This is true not only for descriptions of ministries over the past sixty years but also the challenges disability poses for biblical studies church history Christian theology and ethics Insights are gained not only from mainstream secular and religious sources but from evangelical and other conservative materials The blending of items from different religious resources reveals just how ubiquitous disability is and the need for disability ministry now and for many years into the future The book s format is such that either it can serve as a text for courses on disability ministry or individual chapters can be employed in various courses on selected topics in biblical studies history theology and ethics Pastors and lay leaders will enjoy the depth of coverage for

each topic This is a book about a serious subject for serious readers Its materials are designed to inform stimulate and promote disability ministry as a topic worthy of serious study **The Centrality of Religion in Social Life** Eileen Barker,2021-11-18 James A Beckford s work is internationally acclaimed not only in the sociology of religion but also in other fields of the social sciences Beckford has long been arguing that the barriers that have grown up between the different sub disciplines should be broken down with those specialising in religion becoming more cognisant of new theoretical developments and sociologists in general becoming more aware of the significance of developments in the religious scene This book is a collection of essays written in Beckford s honour drawing on a number of religious themes that have been central to Beckford s interests whilst also offering a significant contribution to our understanding of the wider society A central theme is modernity and its relation to the post modern and how religion affects and is affected by the dynamics of contemporary society with the primary focus of many of the chapters being a concern with how society copes with the minority religions that have become visible with the globalising tendencies of contemporary society The contributors who come from America Asia and various parts of Europe are all internationally renowned scholars Beckford s most important publications are listed in an Appendix and the volume opens with a short account of his contribution to sociology by Eileen Barker the editor and James T Richardson **Social Contexts of Radicalization and Violent Extremism in the MENA and Balkans** Corinne Torrekens,Tasnim Chirchi,Lurdes Vidal Bertran,2025-04-29 This volume is a multilevel and multidisciplinary study of radicalization in the Balkans and MENA regions It takes a dynamic approach embracing the complexity of the social political and economic contexts under study Moving away from unidimensional and security centred research on the topic each chapter adopts a participatory and inclusive perspective engaging communities youth and women as significant stakeholders in building a better understanding of the dynamics of the radicalization of youth in these regions The multiple case studies presented here cover several macro drivers of radicalization to reveal the interactions and interrelations of individuals with meso institutions and backgrounds such as family neighbourhood school peer groups religious and ethnic communities political parties etc Consequently the volume addresses several gaps in the literature regarding radicalization and violent extremism it is based on firm empirical evidence it allows for comparisons between social contexts in one specific country and between countries sharing macro similarities but also differences it proposes a fruitful dialogue and collaborations between academics researchers and civil society experts and finally it offers decentralized perspectives on extremism in the West This volume is an important addition to a topic that is of interest to researchers across the social sciences and to think tanks and policy makers working on in these regions **Religion in the Context of Globalization** Peter Beyer,2013-07-24 Peter Beyer has been a central figure in the debate about religion and globalization for many years this volume is a collection of essays on the relation between religion and globalization with special emphasis on the concept of religion its modern forms and on the relation of religion to the state Featuring a newly

written introduction and conclusion which frame the volume and offer the reader guidance on how the arguments fit together this book brings together ten previously published pieces which focus on the institutional forms and concept of religion in the context of globalizing and modern society The guiding theme that they all share is the idea that religion and globalization are historically conceptually and institutionally related What has come to constitute religion and what social roles religion plays are not manifestations of a timeless essence called religion or even a requirement of human societies In concept and institutional form religion is an expression of the historical process of globalization above all during modern centuries What religion has become is one of the outcomes of the successive transformations and developments that have brought about contemporary global society Including some of the most important theoretical work in the field of religion and globalization this collection provokes the reader to consider paths for future research in the area and will be of great interest to students and scholars of religion and politics globalization and religion and sociology

Methods and Contexts in the Study of Muslim Minorities Nadia Jeldtoft, Jørgen Nielsen, 2014-07-16 In the past decade Muslims in Europe have been the subject of heated debates on the place and role of religion in the public space Research into the issues involved has often used visible and formalised expressions of Muslim religiosity as its empirical point of departure This book instead examines the microlevel workings of Muslim minority religiosity to offer a new perspective on these debates Contributors to this volume examine the forms of Muslim religiosity which are not dependent on the official or semi official settings of organised religion These ethnographic studies investigate a range of examples of non organised Islam ranging from salafi jihadism to converts to Islam to everyday spiritualities of Muslim in Europe By exploring these neglected forms of Muslim religiosity this book is able to build up a more nuanced picture of the role of Muslims in Europe It will be of interest to academics researchers and graduate students of Religion Ethnic Studies Migration Studies Sociology and Political Science This book was previously published as a special issue of Ethnic and Racial Studies

**The Social Context of Pastoral Care** George M. Furniss, 1994-01-01 Because their work focuses primarily on the fields of theology and psychology pastoral caregivers have often neglected to take into account the social forces that affect both the careseeker and the caregiver In this groundbreaking book sociologist and chaplain George Furniss introduces them to a third discipline sociology to draw upon in their work Furniss offers an introduction to sociological approaches that are particularly relevant to those in the field Brief biographical notes about key figures in sociology and a glossary of terms are supplied to assist those who lack extensive background in sociology

*Atheist Identities - Spaces and Social Contexts* Lori G. Beaman, Steven Tomlins, 2014-12-04 The essays in this book not only examine the variety of atheist expression and experience in the Western context they also explore how local national and international settings may contribute to the shaping of atheist identities By addressing identity at these different levels the book explores how individuals construct their own atheist or non religious identity how they construct community and how identity factors into atheist interaction at the social or institutional levels The book offers an

interdisciplinary comparative approach to the analysis of issues relating to atheism such as demography community engagement gender politics stigmatism and legal action It covers such themes as secularization the social context of atheism in various Western countries the shifting of atheist identities based on different cultural and national contexts the role of atheism in multicultural settings how the framework of reasonable accommodation applies to atheism interactions and relationships between atheism and religion and how atheism is represented for political and legal purposes Featuring contributions by international scholars at the cutting edge of atheism studies this volume offers unique insights into the relationship between atheism and identity It will serve as a useful resource for academics journalists policy makers and general readers interested in secular and religious studies identity construction and identity politics as well as atheism in general *Handbook of the Sociology of Religion* Michele Dillon,2003-08-18 Table of contents [Sociology of Religion](#) Andrew Dawson,2011 Andrew Dawson outlines how sociologists approach the subject of religion and introduces sociological research methods before highlighting some of the key areas studied by sociology of religion such as the rise of fundamentalism gender issues and the debate about secularisation [Schopenhauer's Doctrine of Salvation in Relation to his Critique of Religion and Philosophical Teachings](#) Anil Dominic Batti,2023-10-31 Arthur Schopenhauer 1788 1860 was perhaps the last polymath among the great Germanic philosophers Switching with ease and elegance between epistemic positions and fields as diverse as idealism and empiricism fideism and rationalism realism and nominalism art and religion jurisprudence and politics psychology and occultism Schopenhauer erected an imposing edifice bearing testimony to his universal learning This study is an investigation into the very conclusion of Schopenhauer s philosophy and endeavours to answer the following question did Schopenhauer s doctrine of salvation issue forth organically from his intellectual output or was it annexed to his philosophy as a result of his critical engagement with religion The labyrinthine paths through which Schopenhauer arrives at the soteriological culmination of his philosophy are subjected to critical assessment the picture that emerges is of a philosopher who seemed convinced that he had solved some of the most pressing cosmic riddles to have tormented mankind through the ages *Intersections of Religion and Migration* Jennifer B. Saunders,Elena Fiddian-Qasmiyeh,Susanna Snyder,2016-09-28 This innovative volume introduces readers to a variety of disciplinary and methodological approaches used to examine the intersections of religion and migration A range of leading figures in this field consider the roles of religion throughout various types of migration including forced voluntary and economic They discuss examples of migrations at all levels from local to global and critically examine case studies from various regional contexts across the globe The book grapples with the linkages and feedback between religion and migration exploring immigrant congregations activism among and between religious groups and innovations in religious thought in light of migration experiences among other themes The contributors demonstrate that religion is an important factor in migration studies and that attention to the intersection between religion and migration augments and enriches our understandings of religion

Ultimately this volume provides a crucial survey of a burgeoning cross disciplinary interreligious and global area of study
