

A photograph of a wooden boardwalk or pier at dusk. The boardwalk is made of wooden planks and has a wooden railing on both sides. In the distance, a bright street lamp is glowing, casting a warm light over the scene. The sky is dark, and the overall atmosphere is serene and contemplative.

Religion Reason And Revelation:

Religion, Reason, and Revelation Gordon H. Clark, 1986 *Reason, Revelation, and Devotion* William J. Wainwright, 2016 The book presents a novel defense of the beneficial epistemic effect that extra logical features can have on the assessment of religious arguments

Religion, Revelation & Reason Eric Charles Rust, 1981 This book begins with a general consideration of religious experience and moves to a defense of the Christian revelation as the normative one for all other divine disclosures This means that increasingly the book moves towards a defense of theistic thought as contrasted with other religious systems This emphasis on the approach to the understanding of God typical of the Judaeo Christian and Islamic traditions has meant a preoccupation with issues particularly significant for this way of thinking the nature of man the understanding of the creative process the problem of human survival beyond death and the mystery of evil I have however brought in the views of other religious systems and offered a critique of their relationship to the theistic position Wherever thought has moved to the specific content of the Christian disclosure in Jesus Christ I have stopped short

Philosophy of religion and theistic philosophy in particular are only prolegomena to the task of the Christian theologian

Revelation and Reason in Islam A.J. Arberry, 2013-02-01 The Scholastic Problem was the focus of much debate in Islam for some centuries before it became the chief crux of learned discussion in medieval Christianity When originally published in 1957 this volume was the first survey of the subject to appear in English It reviews the conflict within Islam between Revelation and Reason and examines the attempts made by theology philosophy mysticism and authoritarianism to resolve the dilemma

Revelation and Reason Emil Brunner, 1946 To many people both inside the Church and outside it what goes on in the Church is either routine or irrelevant Consequently what the Church has to say is not very meaningful Why should people listen to what the Church has to preach and think about it No one is better qualified to answer this question than Professor Emil Brunner Dr Brunner is a teacher of theology in the University at Zurich Switzerland and one of the clearest and most constructive religious thinkers of our day Any book of his is an event because he succeeds so well in combining sound learning with persuasive and readable analysis and because he is thoroughly acquainted with both American and Continental ways of thinking In this book Dr Brunner sets the claim of the widespread intellectual relativism of contemporary culture He seeks to show that both Catholic and secular thought misunderstand the relations between reason and revelation because revelation is always subordinated to reason Brunner reverses the position He goes back to the Bible and the Reformers and maintains that when reason is subordinated to revelation the preaching of the Gospel is at once true to itself and intelligible Here is a forceful and thorough volume which helps both believers and unbelievers to understand themselves Publisher

Revelation and Reason in Christian Theology Christopher C. Green, David I. Starling, 2018-07-11 Do revelation and reason contradict Throughout the church's history Christians have been tempted to make revelation and reason mutually exclusive But both are essential to a true understanding of the faith The inaugural

Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason In *Revelation and Reason in Christian Theology* Christopher C Green and David I Starling draw together the fruit of this conference to provoke sustained deep reflection on this relationship The essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology Each essayist approaches revelation and reason according to the psalmist's words In your light we see light Ps 36 9 The light of faith does not obscure truth rather it enables us to see truth

Religion, Revelation & Reason Eric Rust, 1981 This book begins with a general consideration of religious experience and moves to a defense of the Christian revelation as the normative one for all other divine disclosures This means that increasingly the book moves towards a defense of theistic thought as contrasted with other religious systems This emphasis on the approach to the understanding of God typical of the Judaeo Christian and Islamic traditions has meant a preoccupation with issues particularly significant for this way of thinking the nature of man the understanding of the creative process the problem of human survival beyond death and the mystery of evil I have however brought in the views of other religious systems and offered a critique of their relationship to the theistic position Wherever thought has moved to the specific content of the Christian disclosure in Jesus Christ I have stopped short

Philosophy of religion and theistic philosophy in particular are only prolegomena to the task of the Christian theologian

Obstacles to Divine Revelation Rolfe King, 2009-01-22 A fascinating philosophical approach to the concept of divine revelation exploring the implications this theory may have for generating a new concept of religious truth

Faith, Reason, and Revelation in Theodore Beza, 1519-1605 Jeffrey Mallinson, 2003 Faith Reason and Revelation in the Thought of Theodore Beza investigates the direction of religious epistemology under a chief architect of Calvinism 1519 1605 Mallinson contends that Beza consolidated his tradition by balancing the subjective and objective aspects of faith and knowledge Making use of new editions of Beza's class notes and correspondence and examining the theological ideas found in Beza's long neglected New Testament annotations this study clarifies the thought of Calvin's successor The nature of Protestant scholasticism and the relationship between faith and philosophy are observed in context rather than from the anachronistic perspectives of modern schools that seek to establish their own continuity with Calvinism

Revelation and Reason Colin E. Gunton, 2008-11-20 Colin Gunton was a world renowned scholar systematic theologian and Reformed Church minister *Revelation and Reason* is an in depth analysis derived from the annual lecture seminar course he gave to MA students at King's College London Approximately one third of the work is a direct transcript and analysis of the three two hour lectures Colin Gunton gave at a break neck speed 1 From Reason and Revelation to Revelation And Reason 2 The Modern Problem in an Historical Context 3 Aspects of Karl Barth on Faith And Reason These lectures were a history analysis and critique of *Revelation and Reason* in Systematic Theology and Philosophy culminating with Karl Barth The remainder is a transcript of the unrehearsed unscripted extemporary responses Colin Gunton gave to MA student's papers on set topics in the *Revelation*

and Reason course seamlessly integrated where relevant with detail from the main three lectures Colin was a creative lecturer and widely read theologian and philosopher These extemporaneous responses show the breadth of his learning and his genius spontaneously to bring to mind relevant ideas from a wealth of theologians and philosophers whilst incisively and piercingly exposing the flaws as well as the strengths under consideration From this wealth of reading Colin gave space to the free rein of his mind particularly when fielding questions or trying to analyze a particular strand of a theologian's thought Revelation and Reason is a complementary volume to Colin Gunton's posthumously published *The Barth Lectures Continuum* 2007 and to the first volume of his unfinished *Systematic Theology* also forthcoming from T T Clark

The Philosophy of Religion on the Basis of Its History Otto Pflieger, 1886 *Remarks, on "Reason, Revelation and Faith," by a Bengal Civilian; "Essays on some of the Peculiarities of the Christian Religion," and "the Search after Infallibility" by the Archbishop of Dublin. ... By a late Bengal Civilian*, 1856 *Mimetic Theory and World Religions* Wolfgang Palaver, Richard Schenk, 2017-11-01

Those who anticipated the demise of religion and the advent of a peaceful secularized global village have seen the last two decades confound their predictions Ren Girard's mimetic theory is a key to understanding the new challenges posed by our world of resurgent violence and pluralistic cultures and traditions Girard sought to explain how the Judeo-Christian narrative exposes a founding murder at the origin of human civilization and demystifies the bloody sacrifices of archaic religions Meanwhile his book *Sacrifice* a reading of conflict and sacrificial resolution in the Vedic Brahmanas suggests that mimetic theory's insights also resonate with several non-Western religious and spiritual traditions This volume collects engagements with Girard by scholars of Judaism Christianity Islam Hinduism and Buddhism and situates them within contemporary theology philosophy and religious studies

The Works of Orestes A. Brownson: Explanations and index Orestes Augustus Brownson, 1887 **The Works of Orestes A. Brownson: Philosophy of religion** Orestes Augustus Brownson, 1883 **Reason and Revelation Considered as Connected with Christian Faith and Experience (1811)**

John Wilson, 1890 **Cognitivity of Religion** J. Kellenberger, 1985-06-18 **Unitarian Principles Comfirmed by Trinitarian Testimonies** John Wilson, 1873 **Jonathan Edwards Confronts the Gods** Gerald Robert McDermott, 2000

It has long been thought that Edwards's polemical arguments were aimed against Arminianism a doctrine that denied the Calvinist idea of predestination In this book Gerald McDermott shows that Edwards's real target was a larger and more influential one namely deism the belief in a creator God who does not intervene in His Creation To Edwards's mind deism was the logical conclusion of most if not all schemes of divinity that appropriated Enlightenment tenets McDermott argues

that Edwards was an inclusivist who came to realize that salvation was open to peoples beyond the hearing of the Christian gospel
