S. Brent Plate, 2002-02-23 Religion Art and Visual Culture gathers together the most current scholarship on art religion visual culture and cultural studies The book approaches the study of world religions through the human meaning making activity of seeing The essays move between specific visual subjects painting landscape gardens calligraphy architecture mass media and the broader theoretical discourses relevant to religion and the wider humanities today Topics covered include art and perception the iconicity of Jesus Christ the relation of word and image in Islam and divine images in India *Power and Pilgrimage* Sanne Derks, 2009 Power and Pilgrimage is an in depth anthropological study of life at a Bolivian pilgrimage site It focuses on the experiences of pilgrims and how in their Marian devotion they express and learn to live with the various inequalities they experience in everyday life Issues of poverty and class inequality lead them to approach the Virgin of Urkupina to support them in their quest for economic betterment Another social inequality that comes to the fore is based on gender in particular Bolivian women seek Mary s support to deal with violence and oppression in their homes Finally ethnic inequalities are discussed by analysing the dance processions in honour of the Virgin since these reflect contested ethnic identities **The Routledge Handbook of Research Methods in the Study of Religion** Steven Engler, Michael

Stausberg, 2013-06-17 This is the first comprehensive survey in English of research methods in the field of religious studies It is designed to enable non specialists and students at upper undergraduate and graduate levels to understand the variety of research methods used in the field The aim is to create awareness of the relevant methods currently available and to stimulate an active interest in exploring unfamiliar methods encouraging their use in research and enabling students and scholars to evaluate academic work with reference to methodological issues A distinguished team of contributors cover a broad spectrum of topics from research ethics hermeneutics and interviewing to Internet research and video analysis Each chapter covers practical issues and challenges the theoretical basis of the respective method and the way it has been used in religious studies illustrated by case studies *The Visual Culture of Chabad* Maya Balakirsky Katz, 2010-10-11 This book is the first full length study of a complex visual tradition associated with the Hasidic movement of Chabad *The Sacred Gaze*

David Morgan, 2023-09-01 Sacred gaze denotes any way of seeing that invests its object an image a person a time a place with spiritual significance Drawing from many different fields David Morgan investigates key aspects of vision and imagery in

a variety of religious traditions His lively innovative book explores how viewers absorb and process religious imagery and how their experience contributes to the social intellectual and perceptual construction of reality Ranging widely from thirteenth century Japan and eighteenth century Tibet to contemporary America Thailand and Africa *The Sacred Gaze* discusses the religious functions of images and the tools viewers use to interpret them Morgan questions how fear and disgust of images relate to one another and explains how scholars study the long and evolving histories of images as they pass from culture to culture An intriguing strand of the narrative details how images have helped to shape popular conceptions of gender and masculinity The opening chapter considers definitions of visual culture and how these relate to the traditional practice of art history Amply illustrated with more than seventy images from diverse religious traditions this masterful interdisciplinary study provides a comprehensive and accessible resource for everyone interested in how religious images and visual practice order space and time communicate with the transcendent and embody forms of communion with the divine *The Sacred Gaze* is a vital introduction to the study of the visual culture of religions Sacred gaze denotes any way of seeing that invests its object an image a person a time a place with spiritual significance Drawing from many different fields David Morgan investigates key aspects of vision and imagery in a variety of religious trad

**The Oxford Handbook of Religion and the Arts** Frank Burch Brown, 2018 This volume offers 37 original essays from leading scholars on the crucial topics issues methods and resources for studying and teaching religion and the arts Wicked Cinema Daniel S. Cutrara, 2015-05-01 From struggles over identity politics in the 1990s to current concerns about a clash of civilizations between Islam and Christianity culture wars play a prominent role in the twenty first century Movies help to define and drive these conflicts by both reflecting and shaping cultural norms as well as showing what violates those norms In this pathfinding book Daniel S Cutrara employs queer theory cultural studies theological studies and film studies to investigate how cinema represents and often denigrates religion and religious believers an issue that has received little attention in film studies despite the fact that faith in its varied manifestations is at the heart of so many cultural conflicts today *Wicked Cinema* examines films from the United States Europe and the Middle East including *Crimes and Misdemeanors* *The Circle* *Breaking the Waves* *Closed Doors* *Agnes of God* *Priest* *The Last Temptation of Christ* and *Dogma* Central to all of the films is their protagonists struggles with sexual transgression and traditional belief systems within Christianity Judaism or Islam a struggle Cutrara argues that positions believers as the Other and magnifies the abuses of religion while ignoring its positive aspects Uncovering a hazardous web of ideological assumptions informed by patriarchy the spirit flesh dichotomy and heteronormativity Cutrara demonstrates that ultimately these films emphasize the Otherness of the faithful through a variety of strategies commonly used to denigrate the queer from erasing their existence to using feminization to make them appear weak to presenting them as dangerous fanatics The Hebrew Orient Jessica L. Carr, 2020-12-01 In the decades before the establishment of the State of Israel striking images of Palestine circulated widely among Jewish Americans These images

visualized the Orient for American viewers creating the possibility for Jewish Americans to understand themselves through imagining Oriental counterparts In *The Hebrew Orient* Jessica L Carr shows how images of the Holy Land made Jewish Americans feel at home in the United States by imagining the Orient as heritage Carr s analyses of periodicals from Hadassah and the Zionist Organization of America art calendars from the National Federation of Temple Sisterhoods the Jewish Encyclopedia and the Jewish exhibit at the 1933 World s Fair are richly illustrated What emerges is a new understanding of the place of Orientalism in American Zionism Creating a narrative about their origins Jewish Americans looked east to understand themselves as Westerners

**Preaching Islamic Renewal** Jacqueline G. Brinton, 2015-10-27 The book is an in depth study of Muhammad Mitwall Sha rawi one of the most important religious figures in late twentieth century Egypt Sha rawi was an advisor to the rulers of Egypt as well as being the first Arab television preacher At the height of his career it was estimated that up to 30 000 000 people tuned in to his show each week Much of the academic literature that focuses on Islam in modern Egypt repeats the claim that traditionally trained Muslim scholars suffered the loss of religious authority Sha rawi however is an example of a well trained Sunni scholar who became a national media sensation He used television for the purpose of renewing religion by popularizing long held theological and ethical beliefs Provided by publisher

**The Routledge Handbook of Religion and Cities** Katie Day, Elise M. Edwards, 2020-12-31 Like an ecosystem cities develop change thrive adapt expand and contract through the interaction of myriad components Religion is one of those living parts shaping and being shaped by urban contexts The Routledge Handbook of Religion and Cities is an outstanding interdisciplinary reference source to the key topics problems and methodologies of this cutting edge subject Representing a diverse array of cities and religions the common analytical approach is ecological and spatial It is the first collection of its kind and reflects state of the art research focusing on the interaction of religions and their urban contexts Comprising 29 chapters by a team of international contributors the Handbook is divided into three parts Research methodologies Religious frameworks and ideologies in urban contexts

Contemporary issues in religion and cities Within these sections emerging research and analysis of current dynamics of urban religions are examined including housing economics and gentrification sacred ritual and public space immigration and the refugee crisis political conflicts and social change ethnic and religious diversity urban policy and religion racial justice architecture and the built environment religious art and symbology religion and urban violence technology and smart cities the challenge of climate change for global cities and religious meaning making of the city The Routledge Handbook of Religion and Cities is essential reading for students and researchers in religious studies and urban studies The Handbook will also be very useful for those in related fields such as sociology history architecture urban planning theology social work and cultural studies

**A Theology for a Mediated God** Dennis Ford, 2015-10-08 A Theology for a Mediated God introduces a new way to examine the shaping effects of media on our notions of God and divinity In contrast to more conventional social scientific methodologies and conversations about the relationship between religion and media Dennis Ford argues that the characteristics we ascribe to a medium can be extended and applied metaphorically to the characteristics we ascribe to God just as earlier generations attempted to comprehend God through the metaphors of father shepherd or mother As a result his work both challenges and bridges the gap between students of religion and media and theology

The Cambridge Companion to Religious Studies Robert A. Orsi, 2011-12-19 The Cambridge Companion to Religious Studies is both informative and provocative introducing readers to key debates in the contemporary study of religion and suggesting future research possibilities A group of distinguished scholars takes up some of the most pressing theoretical questions in the field What is a religious tradition How are religious texts read What takes place when a religious practitioner stands before a representation of gods or goddesses ghosts ancestors saints and other special beings What roles is religion playing in contemporary global society The volume emphasizes religion as a lived practice stressing that people have used and continue to use religious media to engage the circumstances of their lives The volume's essays should prove valuable and interesting to a broad audience including scholars in the humanities and social sciences and a general readership as well as students of religious studies

**Religious Statues and Personhood** Amy R. Whitehead, 2013-09-12 Objects such as statues and icons have long been problematic in the study of religion especially in European Christianities Through examining two groups the contemporary Pagan Glastonbury Goddess religion in the Southwest of England and a cult of the Virgin Mary in Andalusia Spain Amy Whitehead asserts that objects can be more than representational or symbolic In the context of increasing academic interest in materiality in religions and cultures she shows how statues or things are not always interacted with as if they are inert material against which we typically define ourselves as modern humans Bringing two distinct cultures and religions into tension animism and the fetish are used as ways in which to think about how humans interact with religious statues in Western Europe and beyond Both theoretical and descriptive the book illustrates how religions and cultural practices can be re-examined as performances that necessarily involve not only human persons but also objects

The

Intimacy of Images Myriam Lamrani, 2025-05-13 La Santa Muerte becomes a lens for understanding how Oaxacans relate to saints loved ones and other special dead In Oaxaca images of saints and loved ones as well as of victims of political or criminal violence are seemingly everywhere While Oaxacans relate to all sorts of special dead they are particularly devoted to La Santa Muerte Saint Death a female reaper like figure whose popularity has risen in tandem with violence throughout Mexico The Intimacy of Images recontextualizes Oaxacans relationships with their special dead through the lens of La Santa Muerte examining how devotees closely interact with what Lamrani terms intimate images not only devotional effigies but also photographs films tattoos and murals and even dreams and visions Though Mexicans have a well known cultural familiarity with death Lamrani argues that devotion to La Santa Muerte builds upon this intimacy even as it also participates in the production of terror and reflects political and criminal violence Ultimately Lamrani finds that these human image interactions represent more than Catholic devotion they reveal the secrets of Oaxacan political religious and social life embody changing relationships to mortality and violence and even offer insight into the practice of anthropology itself

**Devotional Visualities** Karen Pechilis, Amy-Ruth Holt, 2023-09-21 This book is the first to focus on material visualities of bhakti imagery that inspire shape convey and expand both the visual practices of devotional communities as well as possibilities for extending the reach of devotion in society in new and often unexpected ways Communities of interpreters of bhakti images discussed in this book include not only a number of distinctive Hindu bhakti groups but also artisans diaspora women South Asian Sufis businessmen dancers and filmmakers This book s identification of devotional practices of looking such as materializing memory mirroring and immaterializing portraits and shaping the return look connect material and visual cultures as well as illustrate modes of established and experimental image usage Bhakti is one of the most studied aspects of Indic devotionism on account of its expression through emotive poetry song and vivid hagiographies of saints The diverse devotional visualities analyzed in this book meaningfully circulate bhakti images in past and present generating their renewed relationship to contemporary concerns

**Religious Representation in Place** M. George, D. Pezzoli-Olgati, 2014-10-16 Religious Representation in Place brings together an interdisciplinary group of scholars from the Humanities and Sciences to broaden the understanding of how religious symbols and spatial studies interact The essays consider the relevance of religion in the experience of space a fundamental dimension of culture and human life

Intersections between Jews and Media Maya Balakirsky Katz, 2020-03-23 In this volume the relationship between Jews and media is not only vividly illustrated but it is consciously drawn into the formation of modern Jewish history and modern media Maya Balakirsky Katz addresses key Jewish media intersections in which Jews and mass media implicated or were implicated by one another In this study Katz discusses the relationship that Jews have had with mass media forms of print film photography advertising and postcards within the periods that these media have gained cultural ascendancy These historical moments are tethered to a broader conversation addressing the major theoretical issues at the center of the

discourse on Jews and media Bearing this mutually constructive relationship in mind *Intersections between Jews and Media* offers both a tangible demographic portrait of the real Jews who entered mass media and lays a theoretical and methodological framework for more qualitative analyses      *Arts Management* Carla Walter, 2015-05-22 *Arts Management* is designed as an upper division undergraduate and graduate level text that covers the principles of arts management It is the most comprehensive up to date and technologically advanced textbook on arts management on the market While the book does include the background necessary for understanding the global arts marketplace it assumes that cultural fine arts come to fruition through entrepreneurial processes and that cultural fine arts organizations have to be entrepreneurial to thrive Many cases and examples of successful arts organizations from the United States and abroad appear in every chapter A singular strength of *Arts Management* is the author's skilful use of in text tools to facilitate reader interest and engagement These include learning objectives chapter summaries discussion questions and exercises case studies and numerous examples and cultural spotlights Online instructor's materials with PowerPoints are available to adopters
