

Religion In Soviet Russia

Brian P. Bennett

Religion In Soviet Russia:

Religion in Soviet Russia Nicholas Sergeyevitch Timasheff, 1942 Religion in Soviet Russia William Chauncey Emhardt, 1929 *Religion in the Soviet Union* Walter Kolarz, 1961 Comprehensive survey of the situation of various religious groups in the U S S R including Christian Moslem Buddhist Jewish with contemporary developments under the Khrushchev regime **Religion in Russia Under the Soviets** Richard Joseph Cooke, 1924 **Multiple Moralities and Religions in Post-Soviet Russia** Jarrett Zigon, 2011-09-01 In the post Soviet period morality became a debatable concept open to a multitude of expressions and performances From Russian Orthodoxy to Islam from shamanism to Protestantism religions of various kinds provided some of the first possible alternative moral discourses and practices after the end of the Soviet system This influence remains strong today Within the Russian context religion and morality intersect in such social domains as the relief of social suffering the interpretation of history the construction and reconstruction of traditions individual and social health and business practices The influence of religion is also apparent in the way in which the Russian Orthodox Church increasingly acts as the moral voice of the government The wide ranging topics in this ethnographically based volume show the broad religious influence on both discursive and everyday moralities The contributors reveal that although religion is a significant aspect of the various assemblages of morality much like in other parts of the world religion in postsocialist Russia cannot be separated from the political or economic or transnational institutional aspects of morality *Religious Policy in the Soviet Union* Sabrina Petra Ramet, 1992-11-12 This book provides a sweeping and comprehensive analysis of the history of religion in the Soviet Union tracing its fortunes through the chaos of the 1920s and the anti religious persecution of Stalinism to the slow strangulation of Brezhnev and the liberalization under Gorbachev Bringing together fifteen of the West's leading scholars on this subject the book examines the policy apparatus atheist education cults and sects and recent changes in legislation and policy presenting hitherto unknown material for the first time **Christian Religion in the Soviet Union** Christel Lane, 1978-01-01 Christel Lane has written the first sociological study of religion in a communist and militantly atheist society Christian Religion in the Soviet Union is the result of a detailed examination of Soviet sociological sources and the legally and illegally published reports of religious bodies or individuals backed up by the observations of the author and of other Western visitors to the USSR Dr Lane attempts to assess the impact of the intellectual and material culture of Soviet society on Christian religion She analyses the religious life in the contemporary Christian churches and sects describing the scope of their membership and its social composition the religious commitment of believers and their social and political orientations Christian Religion in the Soviet Union will be central reading for students of religion in modern industrial society who are working within the disciplines of sociology comparative religion or theology It will also appeal to those studying Soviet society from a more general sociological perspective and to a wide readership interested in the contest between Christian religion and Marxist Leninist ideology Religion in the Soviet Union F. Corley, 1996-08-27

The Soviet government's attitude to religion in theory and practice is shown in this wide ranging collection of annotated texts from the newly opened archives Included are documents from the KGB the Central Committee the Council for Religious Affairs and numerous other official bodies For the first time in English we see the bureaucrats own view of how religious believers should be controlled following the story from the persecutions of the early Soviet years to the openness instituted by Mikhail Gorbachev Religion and Language in Post-Soviet Russia Brian P. Bennett, 2011-04-29 Church Slavonic one of the world's historic sacred languages has experienced a revival in post Soviet Russia Blending religious studies and sociolinguistics this is the first book devoted to Church Slavonic in the contemporary period It is not a narrow study in linguistics but uses Slavonic as a passkey into various wider topics including the renewal and factionalism of the Orthodox Church the transformation of the Russian language and the debates about protecting the nation from Western cults and culture It considers both official and popular forms of Orthodox Christianity as well as Russia's esoteric and neo pagan traditions Ranging over such diverse areas as liturgy pedagogy typography mythology and conspiracy theory the book illuminates the complex interrelationship between language and faith in post communist society and shows how Slavonic has performed important symbolic work during a momentous chapter in Russian history It is of great interest to scholars of sociolinguistics and of religion as well as to Russian studies specialists **Religion in Soviet Russia 1917-1942** Nikolaj Sergeevič Timašev, 1942 Religion in Tsarist and Soviet Russia William Peyton Coates, 1930 Religion and Communism Julius Friedrich Hecker, 1973 **The Catholic Church and Soviet Russia, 1917-39** Dennis Dunn, 2016-11-18 This book based on extensive research including in the Russian and Vatican archives charts the development of relations between the Catholic Church and the Soviet Union from the Bolshevik Revolution of 1917 to the death of Pope Pius XI in 1939 It provides background information on the animosity between the Orthodox and Catholic churches and moves towards reconciliation between them discusses Soviet initiatives to eradicate religion in the Soviet Union and spread atheist international communism throughout the world and explores the Catholic Church's attempts to survive in the face of persecution within the Soviet Union and extend itself Throughout the book reveals much new detail on the complex interaction between these two opposing bodies and their respective ideologies *Religion and Secular Modernity in Russian Christianity, Judaism, and Atheism* Ana Siljak, 2024-11-15 Religion and Secular Modernity in Russian Christianity Judaism and Atheism is a multifaceted account of the engagement between religion and the secular in Russia's Christian Jewish and atheist traditions Ana Siljak brings together an interdisciplinary group of leading scholars to present unique perspectives on the secularization dynamic in Russia and the Soviet Union telling stories about theologians sects churches poets and artists From the Jewish Christian priest Alexander Men to the cross dressing poet Zinaida Gippius to the Soviet promoter of Yiddish theater Solomon Mikhoels Religion and Secular Modernity in Russian Christianity Judaism and Atheism gives a voice to a variety of actors who have grappled with the possibilities of faith and unbelief in an industrialized modern and seemingly secular world Now more than

ever as one narrative of Russia's religious history dominates official Russian accounts alternative perspectives of the relationship between Russian religion and secularism should be highlighted and emphasized Religion in Soviet Russia Chauncey Emhardt,1929 *And God Created Lenin* Paul Gabel,2010-10-04 This book examines in depth the conflict between Lenin's logic driven efforts to stamp out religion and the churches passionate attempts to save themselves from obliteration It looks at both sides objectively and admits that they both presented strong cases In this thoroughly researched yet accessible study historian Paul Gabel offers a new understanding of the only effort in world history to upset the universality of religion Besides the main conflict between the Russian Orthodox Church and the atheist state Gabel also considers the tensions that this campaign against religion caused within the Communist Party In addition he discusses the bitter hatred dividing the Orthodox factions that refused cooperation with the government from those that tried to adapt the church to communism Was the failure of Soviet communism to eradicate religion simply a matter of practical miscalculation or was this effort in light of the persistence of religion throughout history ultimately unrealistic and doomed from the start This is the key question that Gabel's fascinating insightful narrative attempts to answer Religion and Language in Post-Soviet Russia Brian P. Bennett,2011-04-29 Church Slavonic one of the world's historic sacred languages has experienced a revival in post Soviet Russia Blending religious studies and sociolinguistics this book looks at Church Slavonic in the contemporary period It uses Slavonic in order to analyse a number of wider topics including the renewal and factionalism of the Orthodox Church the transformation of the Russian language and the debates about protecting the nation from Western cults and culture

Religion in the New Russia James H. Forest,1990 Humanist and ecumenist Forest a contributing editor of Sojourners editor of Forum for the World Council of Churches and director of the Peace Media Center in Holland has travelled widely in the Soviet Union visited many religious centers and talked with adherents of nearly every faith He mainly lets them speak for themselves revealing their past experience present status and vision of the future Annotation copyrighted by Book News Inc Portland OR *Fifteen Years of Religion and Anti-religion in Soviet Russia 1917-1932* ,1933 **Russian Society and the Orthodox Church** Zoe Knox,2004-06-02 Russian Society and the Orthodox Church examines the Russian Orthodox Church's social and political role and its relationship to civil society in post Communist Russia It shows how Orthodox prelates clergy and laity have shaped Russians attitudes towards religious and ideological pluralism which in turn have influenced the ways in which Russians understand civil society including those of its features pluralism and freedom of conscience that are essential for a functioning democracy It shows how the official church including the Moscow Patriarchate has impeded the development of civil society while on the other hand the non official church including nonconformist clergy and lay activists has promoted concepts central to civil society
