Jay Michaelson

Religion Is A Queer Thing:

Religion is a Queer Thing Elizabeth Stuart, 1997 The last ten years have witnessed a sea change amongst lesbian gay bisexual and transgendered Christians Many are no longer content to beg a place at the pre existing table of the institutional Churches Rather they have found a new confidence in their ability to define their own experience and think theologically about it Queer theology is emerging as a distinctive radical and explosive theological tradition of which all in the churches will eventually have to take notice This theology exposes the heterosexist thought patterns and assumptions that underlie many Christian doctrines and practices and rescues parts of the tradition helpful to queer Christians which may have been lost along the way Most importantly of all it fashions Christian theologies untainted by homophobia and heterosexism This book makes queer theology available and accessible to a general reader and encourages the reader to become part of the ongoing development of this theology It is aimed primarily at queer people who are either new to Christianity or those who are interested in reflecting upon their Christian faith from a queer perspective It is a study guide which can be used by groups and by individuals and contains exercises and liturgies as well as explanations of queer theology Subjects covered include the bible salvation Christ body theology God the church death and ethics Christian lesbian gay bisexual and transgendered support groups churches individuals

Religion and LGBTQ Sexualities Stephen Hunt, 2016-12-05 This compiled and edited collection engages with a theme which is increasingly attracting scholarly attention namely religion and LGBTQ sexuality Each section of the volume provides perspectives to understanding academic discourse and wide ranging debates around LGBTQ sexualities and religion and spirituality The collection also draws attention to aspects of religiosity that shape the lived experiences of LGBTQ people and shows how sexual orientation forges dimensions of faith and spirituality Taken together the essays represent an exploration of contestations around sexual diversity in the major religions the search of sexual minorities for spiritual safe spaces in both established and new forms of religiosity and spiritual paths formed in reconciling and expressing faith and sexual orientation This collection which features contributions from a number of disciplines including sociology anthropology psychology history religious studies and theology provides an indispensable teaching resource for educators and students in an era when LGBTQ topics are increasingly finding their way onto numerous undergraduate post graduate and profession orientated programmes

LGBT Studies and Queer Theory Karen Lovaas, 2013-05-13 Find out how the tension between LGBT studies and queer theory exists in the classroom politics communities and relationships LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain examines the similarities and differences between LGBT studies and queer theory and the uneasy relationship between the two in the academic world This unique book meets the challenge that queer theory presents to the study and politics of gay and lesbian studies with a collection of essays from leading academics who represent a variety of disciplines These original pieces place queer theory in social and historical contexts exploring the implications for social psychology religious studies

communications sociology philosophy film studies and women's studies The book's contributors address queer theory's connections to a wide range of issues including the development of capitalism the evolution of the gay and lesbian movement and the study of bisexuality and gender Many scholars working in gay and lesbian studies still question the intellectual and political value of queer theory As a result queer theory has often been concentrated in the humanities while gay and lesbian studies are concentrated in the social sciences and history But this has begun to change in the past 10-15 years as documented by the 12 essays presented in *LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain* *LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain* includes historical notes on LGBT studies and queer theory some continuing tensions between LGBT studies and queer theory doubts about whether queer theory can lead to social change an analysis of the current state of proto-fields of LGBT studies and queer studies in religion concerns that queer theory's erasure of identity feeds into late capitalism an analysis of variability in social psychologists' studies of anti-homosexual prejudice an exploration of the commodification of queer identities in independent cinema how and why the category of bisexuality has been marginalized a historical review and assessment of recent bisexual theory a case study of Provincetown Massachusetts an investigation of the interarticulation of race ethnicity and gender a case study of the struggle to introduce LGBT studies in the curriculum at West Chester University and much more *LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain* is an essential read for researchers academics and practitioners involved in exploring multifaceted aspects of LGBT Studies and Queer Theory and their points of convergence and divergence

Homosexuality and Religion Jeffrey S. Siker, 2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality

Queer Religiosities Melissa M. Wilcox, 2020-02-17 *Queer Religiosities* is the first comprehensive comparative and globally focused introduction to queer and transgender studies in religion Addressing sophisticated topics in clear and accessible language award-winning teacher and scholar Melissa M. Wilcox brings her engaging lecture style into conversation with the work of scholars around the globe to welcome students into these rapidly growing fields Following an introduction to key concepts in religious studies queer studies and transgender studies and an overview of the history of transgender and queer studies in religion thematic chapters address the topics of stories conversations practices identities communities and politics and power This inherently comparative organization helps readers to understand the details and complexities of religions genders and sexualities as they are lived out around the world

Additional resources include study questions discussion questions suggestions for further reading a glossary an annotated filmography and a selected bibliography to encourage further study Encyclopedia of Global Religion Mark Juergensmeyer, Wade Clark Roof, 2012 Presents entries A to L of a two volume encyclopedia discussing religion around the globe including biographies concepts and theories places social issues movements texts and traditions **The Ashgate Research Companion to Contemporary Religion and Sexuality** Andrew K.T. Yip, 2016-04-01 The Ashgate Research Companion to Contemporary Religion and Sexuality provides academics and students with a comprehensive and authoritative state of the art review of current research in the area of sexuality and religion broadly defined This collection of expert essays offers an inter disciplinary study of the important aspects of sexuality and religion calling upon sociological cultural historical and theological contributions to an under researched subject The Companion focuses on the exploration of diverse religious faiths spiritualities and sexualities with contributions that embrace many contrasting approaches related to the contemporary context By adopting a truly inter disciplinary and multi dimensional perspective the Companion embraces the complexities of both sexuality and religion Aimed primarily at a readership with specialist interest in both The Ashgate Research Companion to Contemporary Religion and Sexuality offers an innovative and refreshing analysis of key theoretical and empirical issues in an increasingly relevant and expanding area of academic interest The Companion comprises five main thematic sections each with chapters ranging across a variety of crucial topics traversing various faith traditions The principal themes are epistemological and methodological issues the significance of religious text institutional religious settings stability transformation and change contesting hegemonic structures and discourses Each section includes four chapters contributed by leading international experts in their respective fields and who are at the cutting edge of current research Collectively they offer an inter disciplinary and comprehensive survey of sexuality and religion Religion in Today's World Melissa Wilcox, 2013-12-19 Religion is a major force in contemporary society It is also one of the least understood social and political influences on individuals and communities In this innovative collection of original essays and classic readings experts explore the significance of contemporary religiosity as a source of meaning and motivation how it unites and divides us and how it is used politically and culturally Readers will be introduced to the broad debates in ways that will equip them to analyze discuss and make their own judgments about religion and society This book should be read by anyone interested in understanding religion as a central source of meaning and politics and is ideally suited for undergraduate teaching on religion and social issues and from a global perspective **Lee Edelman and the Queer Study of Religion** Kent L. Brintnall, Rhiannon Graybill, Linn Marie Tonstad, 2023-12-07 This book takes the groundbreaking work of Lee Edelman in queer theory and for the first time demonstrates its importance and relevance to contemporary theology biblical studies and religious studies It argues that despite extensive interest in Edelman s work we have barely begun to understand the significance of Edelman s ideas both in their own right and with respect to the study of religion Therefore it

offers fresh approaches to Edelman's work that necessarily complicate the established interpretations of his thinking. With essays by rising and established scholars as well as a response by Edelman himself, it contends that by fully engaging Edelman, scholars of religion will have to confront negativity and its consequences in ways that will contribute to reshaping the terrain of scholarship on religion, race, sexuality, and social change. The insights provided in this book are new territory for much of the study of religion. As such, it will be of keen interest to scholars of religious studies, theology, and Biblical studies, as well as gender studies and queer feminist and critical race theory.

Religion, Feminism, and Idoloclasm Melissa Raphael, 2019-01-22. Religion, Feminism, and Idoloclasm identifies religious and secular feminism's common critical moment as that of idol breaking. It reads the women's liberation movement as founded upon a philosophically and emotionally risky attempt to liberate women's consciousness from a three-fold cognitive captivity to the self-idolizing god called Man, the God who is a projection of his power, and the idol of the feminine called Woman, that the god called God created for Man. Examining a period of feminist theory, theology, and culture from about 1965 to 2010, this book shows that secular as well as Christian, Jewish, and post-Christian feminists drew on ancient and modern tropes of redemption from slavery to idols or false ideas as a means of overcoming the alienation of women's being from their own becoming. With an understanding of feminist theology as a pivotal contribution to the feminist criticism of culture, this original book also examines idoloclasm in feminist visual art, literature, direct action, and theory, not least that of the sexual politics of romantic love, the diet and beauty industry, sex robots, and other phenomena whose idolization of women reduces them to figures of the feminine, same, experienced as a de-realization or death of the self. This book demonstrates that secular and religious feminist critical engagements with the modern trauma of dehumanization were far more closely related than is often supposed. As such, it will be vital reading for scholars in theology, religious studies, gender studies, visual studies, and philosophy.

Handbook of New Religions and Cultural Production, 2012-03-28. The cultural products of new religions and spiritualities are frequently ignored or dismissed within academia, often stemming from a hesitation to acknowledge these movements as genuine. This volume explores the impact of new religions upon cultural production, exemplifying the theological and spiritual principles of particular movements and demonstrating their substantial impact on wider society. Contributions explore the realms of music, architecture, food, art, books, films, video games, and more. This scholarship will be of interest to those who wish to explore the gamut of modern religious expression and those who wish to broaden their knowledge of the spiritual origins of human culture.

Comparing Religions Jeffrey J. Kripal, 2014-01-14. Comparing Religions is a next-generation textbook which expertly guides, inspires, and challenges those who wish to think seriously about religious pluralism in the modern world. A unique book teaching the art and practice of comparing religions, it draws on a wide range of religious traditions to demonstrate the complexity and power of comparative practices. Provides both a history and understanding of comparative practice and a series of thematic chapters showing how responsible practice is done. A three-part structure provides readers

with a map and effective process through which to grasp this challenging but fascinating approach The author is a leading academic writer and exponent of comparative practice Contains numerous learning features including chapter outlines summaries toolkits discussion questions a glossary and many images Supported by a companion website available on publication at www.wiley.com/go/kripal which includes information on individual religious traditions links of other sites an interview with the author learning features and much more

Controversies in Queer Theology Susannah Cornwall, 2011
An introduction to one of the most challenging areas of contextual theology Queer theology is a significant new development and central to much current teaching and thinking about gender sexuality and the body

Sex Difference in Christian Theology Megan K. DeFranza, 2015-05-16
How different are men and women When does it matter to us or to God Are male and female the only two options In *Sex Difference in Christian Theology* Megan DeFranza explores such questions in light of the Bible theology and science Many Christians entrenched in culture wars over sexual ethics are either ignorant of the existence of intersex persons or avoid the inherent challenge they bring to the assumption that everybody is born after the pattern of either Adam or Eve DeFranza argues from a conservative theological standpoint that all people are made in the image of God male female and intersex and that we must listen to and learn from the voices of the intersexed among us

From Sin to Amazing Grace Patrick S. Cheng, 2012-03
This book provides a unique synthesis of liberation queer and postcolonial theologians over the last few decades within a unified theological framework It Will advance the inclusion of LGBT people within church and society This book is a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the 21st century Throughout the history of Christianity lesbian gay bisexual and transgender LGBT or queer people have been condemned as unrepentant sinners who are in dire need of God's saving grace As a result of this condemnation LGBT people have been subjected to great spiritual emotional and physical abuse and violence This issue has taken on a particular urgency in light of the horrific string of suicides over the last year of young LGBT people who were subjected to harassment and bullying by their classmates Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws Rather Cheng proposes a Christological model based upon the theologies of Irenaeus Bonaventure and Barth in which sin and grace are defined in terms of what God has done for us in Jesus Christ Publisher

Mapping New Terrain in Queer Religious Scholarship Bernard S. Schlager, 2025-03-18
Mapping New Terrain in Queer Religious Scholarship builds upon the work and legacy of Professor John Boswell bringing together contributions that were delivered at the annual CLGS Boswell Lecture Series at Pacific School of Religion USA Boswell is lauded as a major scholar in gender and sexuality studies and is recognized as an early advocate for the full inclusion of LGBTQ people in faith communities Drawing inspiration from Boswell's ground breaking book *Christianity Social Tolerance and Homosexuality* 1980 the chapters address a variety of relevant topics in theology scripture queer studies

ethics and social justice Boswell's legacy of scholarly excellence and his prophetic activism continue to live on in the writings of these noted academics religious leaders and activists The book will be of particular interest to scholars working in the fields of gender and sexuality studies religious studies and the history of Christianity *New Religions and Spiritualities* Stephen Hunt, 2017-03-02 Since the 1960s a fresh wave of new religions and what has come to be termed spiritualities have been evident on a global scale This volume in The Library of Essays on Sexuality and Religion focuses on these new religions and their often contentious attitudes towards human sexuality Part 1 through previously published articles provides instances of affirming orientations of the new religions towards sexuality This entails scrutinising examples of innovative religion from a historical perspective as well as those of a more contemporary nature Part 2 examines with pertinent illustrations the controversial character of new religions in their cultist forms and matters of sexual control and abuse Part 3 considers sexuality as articulated through paganism the occult and esotericism in the postmodern setting Part 4 examines both hetero and non hetero expressions of sexuality through the so called New Spiritualities Quasi religions and the more hidden forms of religiosity Queering the Church Penelope Cowell Doe, 2024-05-31 Church dialogues including official reports and debates within the General Synod operate under the premise that canonical authority can shape a viable theology and coherent ecclesiastical and liturgical practices In a groundbreaking departure from conventional methodologies Queering the Church offers a rigorous examination of the hermeneutical frameworks that inform discussions on homosexuality within ecclesiastical governance Drawing inspiration from Halberstam's concept of the queer art of failure Doe advocates for a fundamental shift a move away from entrenched institutionalized debates toward a more inclusive deconstructive discourse Rather than perpetuating cycles of authoritative rhetoric Doe proposes a transformative realignment one that challenges traditional power dynamics and fosters a more equitable theological dialogue Provocative and timely this book promises to illuminate new avenues toward a nuanced comprehension of church discourse *The Production of Reality* Jodi O'Brien, 2010-10-28 Featuring a new emphasis on how to be awake in the world and how to better see the patterns we use to make sense of our own lives this fifth edition of Jodi O'Brien's popular book introduces the major theories concepts and perspectives of contemporary social psychology in a uniquely engaging manner Compelling original essays that introduce relevant concepts are followed by a wide ranging eclectic enjoyable set of readings By grounding social psychology in student experiences and explaining theories through stories and narratives this one of a kind book is a fascinating read that helps students understand the forces that shape their feelings thoughts and actions God vs. Gay? Jay Michaelson, 2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages EDGE The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible's teachings support the

full equality and dignity of LGBTQ people from the first flaw it finds in creation. It is not good for a person to be alone, to the way religious communities grow through reflection and conscience. Michaelson argues passionately for equality not despite religion but because of it. With close readings of the Hebrew Bible and New Testament, the latest data on the science of sexual orientation, and a sympathetic, accessible, and ecumenical approach to religious faith, Michaelson makes the case that sexual diversity is part of the beauty of nature. The recognition of same-sex families will strengthen, not threaten, the values religious people hold dear. Whatever your views on religion and sexual diversity, *God vs. Gay* is a plea for a more compassionate, informed conversation and a first step toward creating one.

Whispering the Secrets of Language: An Emotional Journey through **Religion Is A Queer Thing**

In a digitally-driven world wherever displays reign great and quick connection drowns out the subtleties of language, the profound techniques and mental subtleties hidden within words frequently go unheard. However, located within the pages of **Religion Is A Queer Thing** a charming literary prize pulsing with fresh emotions, lies a fantastic journey waiting to be undertaken. Written by an experienced wordsmith, that charming opus attracts viewers on an introspective journey, lightly unraveling the veiled truths and profound affect resonating within the very fabric of every word. Within the mental depths of this touching review, we shall embark upon a genuine exploration of the book's core themes, dissect their captivating writing type, and succumb to the effective resonance it evokes deep within the recesses of readers' hearts.

Religion Is A Queer Thing Introduction

In today's digital age, the availability of Religion Is A Queer Thing books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religion Is A Queer Thing books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religion Is A Queer Thing books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religion Is A Queer Thing versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religion Is A Queer Thing books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religion Is A Queer Thing books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religion Is A Queer Thing books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religion Is A Queer Thing books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religion Is A Queer Thing books and manuals for download and embark on your journey of knowledge?

FAQs About Religion Is A Queer Thing Books

1. Where can I buy Religion Is A Queer Thing books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Religion Is A Queer Thing book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
