**Louis P. Pojman**

## **Religious Belief And The Will:**

**Religious Belief and the Will** Louis P. Pojman, 1986      *Religious Belief and the Will* Louis P. Pojman, 2024-10-31 Can we ever achieve belief by a direct act of will If it will help us to be happier should we make ourselves believe propositions which the evidence alone does not warrant These are the sort of questions which Professor Pojman examines in *Religious Belief and the Will* originally published in 1986 He deals with a constellation of problems related to believing and willing to believe his main concern is with religious faith and belief though his analysis is also of interest to epistemology and ethics Pojman asks what is so important about believing propositions in the first place and why religious creeds have made propositional belief a necessary condition for salvation He considers whether one can be rational and still use the will to believe what the evidence alone does not warrant He also discusses whether faith and belief are generically related or distinct attitudes This is the first full length treatise on religious belief that approaches the subject from the viewpoint of volitional activity i e related to the will It presents a rethinking of the way the will interacts with belief a relationship often misconstrued in works of philosophy and theology Pojman believes that the will is central to religious commitment and that by understanding the relationship between the attitude of belief and the activity of willing we are enabled to get fresh insight into the classical problem of religious belief and the will      Lectures on the Bases of Religious Belief Charles Barnes Upton, 1894      **The Will to Believe as a Basis for the Defense of Religious Faith** Ettie Stettheimer, 1907

**Challenges to Moral and Religious Belief** Michael Bergmann, Patrick Kain, 2014-05 Fourteen original essays by philosophers theologians and social scientists explore the challenges to moral and religious belief posed by disagreement and evolution The collection represents both sceptical and non sceptical positions about morality and religion cultivates new insights and moves the discussion forward in illuminating ways      *Scientific Theory and Religious Belief* Eberhard Herrmann, 1995 Peeters 1995      **The Distinctiveness of Religion in American Law** Kathleen A. Brady, 2015-07-23 In recent decades religion s traditional distinctiveness under the First Amendment has been challenged by courts and scholars As America grows more secular and as religious and nonreligious convictions are increasingly seen as interchangeable many have questioned whether special treatment is still fair In its recent decisions the Supreme Court has made clear that religion will continue to be treated differently but we lack a persuasive account of religion s uniqueness that can justify this difference This book aims to develop such an account Drawing on founding era thought illumined by theology philosophy of religion and comparative religion it describes what is at stake in our tradition of religious freedom in a way that can be appreciated by the religious and nonreligious alike From this account it develops a new framework for religion clause decision making and explains the implications of this framework for current controversies regarding protections for religious conscience      Psychology and Religion Andrew Reid Fuller, 2008 This book surveys the major theoretical positions in the psychology of religion William James Sigmund Freud Carl Jung Gordon Allport Abraham Maslow Erich Fromm Alan Watts

and Viktor Frankl are each accorded an entire chapter A chapter is devoted to such further deve **The Oxford Handbook of the Cognitive Science of Religion** Justin L. Barrett,2022 Most comprehensive treatment of the cognitive science of religion Includes contributions from the field s founders and its rising stars Explores topics such as human nature ritual and mystical experiences Book jacket **Equality** Great Britain: Parliament: House of Commons: Communities and Local Government Committee,2007-08-02 The Committee undertook this enquiry to examine the issues surrounding the establishment of the Commission for Equality and Human Rights CEHR and to further the debate on equality in preparation for the introduction of a Single Equality Bill Despite some practical concerns that the CEHR might not be ready in time that its budget will not be sufficient and there might be some loss of expertise the Committee supports the creation of a body that will bring together all the strands of equality and human rights At the same time the Government should press ahead with a Single Equality Bill to remove simplify current provisions remove anomalies and promote action to prevent unfair discrimination **Evolutionary Religion** J. L. Schellenberg,2013-06-13 J L Schellenberg articulates and defends a simple but revolutionary idea we are still at a very early stage in the possible history of intelligent life on our planet and should frame our religious attitudes accordingly Humans have begun to adapt to a deep past one measured in billions of years not thousands But we have not really noticed how thin is the sliver of past time in which all of our religious life is contained And the eons that may yet see intelligent life have hardly started to come into focus When these things are internalized our whole picture of religion may change For then we will for the first time be in a position to ask Might there be a form of religion appropriate to such an early stage of development as our own Might such evolutionary religion be rather different from the forms of religion we see all around us today And might it be better fitted to meet the demands of reason Though most concerned simply to get a new discussion going Evolutionary Religion maintains that the answer is in each case yes When the light of deep time has fully been switched on a new form of skepticism but at the same time new possibilities of religious life will come into view We will find ourselves drawn to religious attitudes that while not foregoing the idea of a transcendent ultimate manage to do without believing and without details As Schellenberg reveals pursuing evolutionary religion instead of embracing a scientific naturalism is something that can rationally be done even if traditional religious belief is placed out of bounds by argument And ironically it is science that should help us see this Indeed in a new cultural dispensation evolutionary religion may come to be a preferred option among those most concerned for our intellectual enrichment and for our survival into the deep future *A Philosophy of Religion, or, the Rational grounds of religious belief* John BASCOM,1876 **The American Pragmatists** Cheryl Misak,2013-02-21 Presents a history of the American philosophical tradition of pragmatism from its inception in the Metaphysical Club Cambridge MA of the 1870s to present *Counseling and Psychotherapy With Religious Persons* Stevan L. Nielsen,W. Brad Johnson,Albert Ellis,2001-05 This may be the most practical and user friendly guide to treating religious persons ever published Mental health professionals from all backgrounds will

benefit from the author's detailed yet manual focused approach to help overcome emotional distress *Religion, Intolerance, and Conflict* Steve Clarke, Russell Powell, Julian Savulescu, 2013-05-30 The relationship between religion intolerance and conflict has been the subject of intense discussion particularly in the wake of the events of 9/11 and the ongoing threat of terrorism This book contains original papers written by some of the world's leading scholars in anthropology psychology philosophy and theology exploring the scientific and conceptual dimensions of religion and human conflict Authors investigate the following themes the role of religion in promoting social cohesion and the conditions under which it will tend to do so the role of religion in enabling and exacerbating conflict between different social groups and the conditions under which it will tend to do so and the policy responses that we may be able to develop to ameliorate violent conflict and the limits to compromise between different religions The book also contains two commentaries that distill synthesize and critically evaluate key aspects of the individual chapters and central themes that run throughout the volume The volume will be of great interest to all readers interested in the phenomenon of religious conflict and to academics across a variety of disciplines including religious studies philosophy psychology theology cognitive science anthropology politics international relations and evolutionary biology Cognitivity of Religion J. Kellenberger, 1985-06-18 **An Analysis of Religious**

**Belief** John Russell Amberley (Viscount), 1877 **Religious Freedom, Religious Discrimination and the Workplace** Lucy Vickers, 2016-11-03 This book considers the extent to which religious interests are protected at work with particular reference to the protection against religious discrimination provided by the Equality Act 2010 It establishes a principled basis for determining the proper scope of religious freedom at work and considers the interaction of freedom of religion with the right not to be discriminated against on grounds of religion and belief The book locates the debates surrounding religion and belief equality within a philosophical and theoretical framework in which the importance of freedom of religion and its role within the workplace are fully debated This second edition is fully revised and updated in the light of recent case law from the UK and the European Court of Human Rights which deals with religious discrimination and freedom of religion

The Routledge Handbook of Contemporary Philosophy of Religion Graham Oppy, 2015-04-17 Philosophy of religion has experienced a renaissance in recent times paralleling the resurgence in public debate about the place and value of religion in contemporary Western societies The Routledge Handbook of Contemporary Philosophy of Religion is an outstanding reference source to the key topics problems and debates in this exciting subject Comprising over thirty chapters by a team of international contributors the Handbook is divided into seven parts theoretical orientations conceptions of divinity epistemology of religious belief metaphysics and religious language religion and politics religion and ethics religion and scientific scrutiny Within these sections central issues debates and problems are examined including religious experience religion and superstition realism and anti realism scientific interpretation of religious texts feminist approaches to religion religion in the public square tolerance religion and meta ethics religion and cognitive science and the meaning of life

Together they offer readers an informed understanding of the current state of play in the liveliest areas of contemporary philosophy of religion The Routledge Handbook of Contemporary Philosophy of Religion is essential reading for students and researchers of philosophy of religion from across the Humanities and Social Sciences

### **Religion and Knowledge**

Elisabeth Arweck, 2016-04-15 Religions have always been associated with particular forms of knowledge often knowledge accorded special significance and sometimes knowledge at odds with prevailing understandings of truth and authority in wider society New religious movements emerge on the basis of reformulated often controversial understandings of how the world works and where ultimate meaning can be found Governments have risen and fallen on the basis of such differences and global conflict has raged around competing claims about the origins and content of religious truth Such concerns give rise to recurrent questions faced by academics governments and the general public How do we treat statements made by religious groups and on what basis are they made What authorities lie behind religious claims to truth How can competing claims about knowledge be resolved Are there instances when it is appropriate to police religious knowledge claims or restrict their public expression This book addresses the relationship between religion and knowledge from a sociological perspective taking both religion and knowledge as phenomena located within ever changing social contexts It builds on historical foundations but offers a distinctive focus on the changing status of religious phenomena at the turn of the twenty first century Including critical engagement with live debates about intelligent design and the new atheism this collection of essays brings recent research on religious movements into conversation with debates about socialisation reflexivity and the changing capacity of social institutions to shape human identities Contributors examine religion as an institutional context for the production of knowledge as a form of knowledge to be transmitted or conveyed and as a social field in which controversies about knowledge emerge

## Religious Belief And The Will Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religious Belief And The Will has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religious Belief And The Will has opened up a world of possibilities. Downloading Religious Belief And The Will provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religious Belief And The Will has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religious Belief And The Will. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religious Belief And The Will. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religious Belief And The Will, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religious Belief And The Will has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers,

free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Religious Belief And The Will Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
