## **Religious Experience The End Of Metaph:**

**Bodies in Society** Margaret R. Miles, 2008-08-01 Education is about learning to think Much of what we call thinking however is a hodge podge of repetitious self talk opinion and cutting and pasting of second hand ideas Moreover thinking in the present has often been alien to scholars who were tempted to think abstractly But life and thought belong together and require each other as Plotinus pointed out many centuries ago The object of contemplation is living and life and the two together are one Ennead 3 8 8 Presently many women and men in the academic world are thinking concretely within the context of their own lives and with acknowledged accountability to broader communities with whom they think and to whom they are answerable The essays in this volume consider Christianity as an aspect of North American culture bringing the critical tools of the academy to thinking about some of the perplexing and pressing problems of contemporary public life Three interactive and interdependent themes traverse these essays gender the effects of media culture and institutions Each of these themes has been central to Margaret Miles's work for thirty years Each understands corporeality as fundamental both to subjectivity and society Miles finds that Christianity critically appropriated provides ideas and methods for thinking concretely about life in North American society

**Exploring Christian Spirituality** Bruce H. Lescher, Elizabeth Liebert, 2006 Sandra Schneiders commands respect as one of the most significant and influential figures in the emergence of the study of Christian spirituality as an academic discipline as the focused and disciplined exploration of religious experience This book honors her contributions to the field by addressing issues that are emerging at the creative edges of the discipline In this volume colleagues and students of Dr Schneiders and other collaborators in the academic discipline of Christian spirituality examine crucial issues from their various disciplinary and methodological perspectives Questions of methodology address the status of spirituality as a discipline interdisciplinarity and self implication Other essays explore the edges of Christian spirituality and biblical spirituality gender studies the natural sciences nature writing the social sciences and interfaith issues This collection of essays will provoke students and scholars of Christian spirituality as well as practitioners to continue critically thinking discussing writing and practicing it

*A People Apart* Daniel H. Frank, 1993-09-30 Philosophical speculations on chosenness and ritual in Judaism

**The Fantasy Principle** Michael Vannoy Adams, 2004 The Fantasy Principle makes a strong case for a new school of psychoanalysis the school of imaginal psychology It radically affirms the centrality of imagination and emphasizes the transformative impact of images

*Timothy Leary: The Harvard Years* James Penner, 2014-07-21 The first collection of Leary's writings devoted entirely to the research phase of his career 1960 to 1965 Presents Leary's early scientific articles and scholarly essays including those on the Harvard Psilocybin Project the Concord Prison Project and the Good Friday Experiment With an editor's introduction that examines the Harvard Drug Scandal in detail as well as a critical preface for each essay On May 27 1963 Dr Timothy Leary and Dr Richard Alpert were dismissed from Harvard University's Psychology Department a watershed event marking the moment when psychedelic

drugs were publicly demonized and driven underground Today little is known about the period in the early 1960s when LSD and psilocybin were not only legal but also actively researched at universities Presenting the first collection of Leary's writings devoted entirely to the research phase of his career 1960 to 1965 this book offers rare articles from Leary's time as a professor in Harvard's Psychology Department including writings from the Harvard Psilocybin Project the Concord Prison Project and the Good Friday Experiment These essays coauthored with Richard Alpert Huston Smith Ralph Metzner and other psychedelic research visionaries explore the nature of creativity and the therapeutic spiritual and religious aspects of psilocybin and LSD Featuring Leary's scientific articles and a rare account of his therapeutic approach On Existential Transaction Theory the book also includes Leary's final essay from his time at Harvard The Politics of Consciousness as well as controversial articles published shortly after his dismissal With an editor's introduction examining the Harvard Drug Scandal and a critical preface to each essay this book of seminal early writings by Leary appearing in unabridged form shows why he quickly became an articulate spokesperson for consciousness expansion and an iconic figure for the generation that came of age in the 1960s

The Certainty of Uncertainty Mark Schaefer, 2018-08-23 The world is full of people who are very certain in politics in religion in all manner of things In addition political religious and social organizations are marketing certainty as a cure all to all life's problems But is such certainty possible Or even good The Certainty of Uncertainty explores the question of certainty by looking at the reasons human beings crave certainty and the religious responses we frequently fashion to help meet that need The book takes an in depth view of religion language our senses our science and our world to explore the inescapable uncertainties they reveal We find that the certainty we crave does not exist As we reflect on the unavoidable uncertainties in our world we come to understand that letting go of certainty is not only necessary it's beneficial For in embracing doubt and uncertainty we find a more meaningful and courageous religious faith a deeper encounter with mystery and a way to build strong relationships across religious and philosophical lines In The Certainty of Uncertainty we see that embracing our belief systems with humility and uncertainty can be transformative for ourselves and for our world

*Theater as Metaphor* Elena Penskaya, Joachim Küpper, 2019-05-20 The papers of the present volume investigate the potential of the metaphor of life as theater for literary philosophical juridical and epistemological discourses from the Middle Ages through modernity and focusing on traditions as manifold as French Spanish Italian German Russian and Latin American

*The Transformative Power of Faith* Erin Dufault-Hunter, 2012-04-26 The Transformative Power of Faith examines how and why some people particularly those coming out of highly self destructive violent and antisocial backgrounds who appear beyond repair experience profound personal transformation through conversion to strong faith Illustrated by stories of converts who came out of serious drug addiction gangs and poverty through adherence to a demanding faith Erin Dufault Hunter argues for a narrative approach to conversion This holistic theoretical perspective offers an alternative epistemological stance to reductionistic models sometimes perpetuated among social scientists and

religious ethicists alike In this study the narrative lens gives vision of the religious Other a depth and complexity too often lacking Such an approach allows a deeper understanding of the dynamics of personal transformation in ways that make sense of psychological and social factors without ignoring so called spiritual ones The Stranger's Voice Carol L. Schnabl Schweitzer,2010 especially those who have sensed that the denial of the mother s voice has played a critical role in their own self alienation and its melancholy moods will discover that this book has much to offer them as well Donald Capps Princeton Theological Seminary Book Jacket

**Depth Psychology** Dennis Patrick Slattery,2004-10 Developed in the spirit of C G Jung and extended by the work of James Hillman Depth Psychology Meditations in the Field grows directly from the soil of the Romantic Movement of the 19th century itself a rebellion against the legacy of Enlightenment fundamentalism which emphasized the literal reality of the world and feasted on Measurement and the quantification of all knowledge *Faith, Science and the Future* Charles P. Henderson,2007-06-01

The Case of Emily V. Keith Oatley,2006 An accomplished young woman traumatized by guilt at her role in the death of a British diplomat who was her lecherous guardian Sigmund Freud whom she consults to ease her mental suffering and Sherlock Holmes enlisted by his brother Mycroft to probe the man s death *Sallie McFague* Sallie McFague,2013-10-01 Sallie McFague offers a lucid and powerful guide to theological thinking about God and the world individual and community humanity and nature reality and metaphor the sacramental and the prophetic and the critical issue of climate change for todays world She calls Christians to new feeling new acting and new thinking

**Religious Orientation and Authoritarianism in Cross-cultural Perspective** Raymond F. Paloutzian,2014-10-13 This is a special thematic edition of the International Journal for the Psychology of Religion Volume 9 Number 9 from 1999 The main topic is the religious orientation and authoritarianism in a cross cultural perspective If research such as that published in this journal issue were extended to other cultures and peoples it would facilitate international dialogue about the research on religious orientation which has been a cornerstone of Western empirical psychology of religion for the past 30 years The articles assembled in this issue of the journal present data from non Western populations and the results of a translation of religious orientation measures into a language other than English Data sets in the four articles in this issue come from Canada Ghana The United States and Poland *Journeys of Faith* Mike Brock,2023-06-20 Journeys of Faith examines the contributions of the leading figures of the humanistic psychology movement with particular attention to their spiritual journeys Rising to prominence in America during the post World War II years humanistic psychology is experiencing a resurgence in the present day in response to the need for a psychological approach that addresses meaning and purpose in life The key players Abraham Maslow Carl Rogers Erich Fromm and Rollo May all rejected the orthodoxy of their religious inheritance in favor of a more humanistic approach and in the process discovered a renewed spirituality that they hoped would address the concerns of a world yearning for something to believe in While the humanistic psychologists confronted the world s problems through the lens of psychology other thinkers such as the

evolutionary biologist Julian Huxley approached them through different though equally humanistic perspectives Others still such as Paul Tillich Martin Buber and Pierre Teilhard de Chardin confronted the times through a religious lens The influence of the centuries long Jewish tradition of scholarship and social justice and the frequent examples of friendship and professional cooperation between the secular and the religious worlds provide critical subthemes for the lasting appeal of humanistic psychology
