Discerning the Entanglement: Christian Nationalism and Biblical Faith Dr. Richard A. NeSmith, 2025-04-28 Has our faith lost its way In our time Christian language is being weaponized to advance political agendas blurring the line between faith and nationalism Many believers are unknowingly swept into a movement that claims to honor Christ but distorts His Kingdom This book doesn t tiptoe It confronts With boldness and biblical conviction it challenges the Church to examine where our true allegiance lies and whether we ve traded the cross for a flag This is a call to spiritual warfare not against people but against deception It s time to reclaim a faith rooted in Christ alone one that transforms us from the inside out and restores our witness in a world desperate for truth In an age of confusion this book equips readers to discern the difference between cultural loyalty and biblical fidelity Whether curious conflicted or concerned this is a wake up call for every Christian who longs to follow Jesus more faithfully in a deeply divided world
