Michael Grimmitt

Religious Education Development:

The Development of a Curriculum of Religious Education, 1928 Religious Education, 1970 Readiness for Religion Ronald Goldman, 2018-12-07 In this study first published in 1965 the author explores the implications of research for an alternative approach to religious education The book deals with the psychological bases of religious development reviewing the natural limitations as well as the basic needs of the young and how religious education should be affected by educational theory and practice The author also examines what content and methods of teaching are consistent with the healthy development of children and adolescents Teachers in schools students in training lecturers clergy and ministers and local education authority committees will welcome the book as an important aid to the task of rethinking syllabuses and the need for more child centred methods of teaching The Development of Religious Education, 1978 *The Development of a Curriculum of Religious Education*, 1928 *Religious Education Development* Gabriel Moran, 1983 On faith development according to his educational theories of Erikson Piaget Kohlberg and Fowler **Adult Religious Education** Marie A. Gillen, Maurice C. Taylor, 1995 Essays that contain the latest in theory and practice concerning adult religious education why there is a need for it the many dimensions of it in a community and how we can improve our practices **Pedagogies of Religious Education** Michael Grimmitt, 2000 Pedagogies of Religious Education brings together in a single volume the most important and influential research and developmental work in R E undertaken in the past twenty five years For the first time it provides trainee and practising teachers of RE in primary and secondary schools with an invaluable resource for acquiring an informed understanding of the range of styles of learning and teaching which are available to them **The Development of a Curriculum of Religious Education** Paul Herman Vieth, 1930 *Handbook of Children's Religious Education* Donald Ratcliff, 2008-05-22 Handbook of Children's Religious Education is a thorough and comprehensive treatment of the religious education of children ages six to twelve It covers virtually all the basic information that childhood educators need to know in order to be effective teachers and communicators Development Education in Religious Education Susan Flavell, 1991 Priorities In Religious Education Brenda Watson, 2003-09-02 A collection of articles which look at the future development of religious education in the light of the 1988 Education Reform Act and at how religious education should now develop in schools It contains practical guidance for meetings and workshops and questions to stimulate further discussion **The Encyclopedia of Sunday Schools and Religious Education** John Thomas McFarland, Benjamin Severance Winchester, 1915 **Global Perspectives on Catholic Religious Education in Schools** Michael T. Buchanan, Adrian-Mario Gellel, 2015-10-05 This book covers theoretical aspects of Catholic Religious Education in schools and examines them from multiple theoretical and contextual perspectives It captures the contemporary academic and educational developments in the field of Religious Education while discussing in detail the challenges that Religious Educators face in different European Asian African Australian American and Latin American countries The edited collection

investigates how to pass on a Catholic heritage as a living tradition in diversely populated schools and communities In this way it explores and asserts the proper identity of Catholic Religious Education in dialogue with Catechetics and with the wider discipline of Religious Education As the different articles of this publication demonstrate through a series of interesting and critical points of view Catholic Religious Education is confronted with many challenges from the risk of marginalization to the confusion produced by a religious indifferentism leading to a strictly comparative or neutral method in the study of religions It is essential to take into account in our research perspectives that Catholic Religious Education is not only a subject but also a mission in the light of the diakonia of truth in the midst of humanity H E Cardinal Zenon Grocholewski Prefect Congregation for Catholic Education Holy See Vatican City Religious education teachers cannot by themselves overcome the ills of society but religious education can help to create better citizens of the world as some authors argue throughout this collection could not ask more from such timely and provocative collection It is a gift to the profession and to Catholic Religious Education Prof Gloria Durka Fordham University New York NY USA
