Movements of Religious Thought in Britain During the Nineteenth Century John Tulloch,1888 **Movements of Religious Thought in Britain During the Nineteenth Century** John Tulloch,1885 **Religious Thought in England in the Nineteenth Century** John Hunt (historien).),1896 **Religious Thought in the Victorian Age** Bernard M. G. Reardon,2014-09-12 An account of the intellectual and theological ferment of nineteenth century Britain the dynamic period when so many of the ideas and attitudes we take for granted today were first established including the impact of biblical criticism upon traditional theology and the belief in a social as well as a spiritual mission for the Church Key figures include Coleridge Newman Carlyle Matthew Arnold and F D Maurice Unavailable for some time the reappearance of this updated Second Edition will be welcomed by theologians and intellectual and literary historians alike

Movements of religious thought in Britain during the nineteenth century. St. Giles' lects., ser.5 John Tulloch,1885 **Movements of Religious Thought in Britain During the Nineteenth Century** John Tulloch,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1885 edition Excerpt critical but as we must judge superficial estimate has been lately given by Mr Traill in the series of English Men of Letters Our business is not so much to attempt any criticism of the value of Coleridge s thought as to describe it as a new power That it was such a power is beyond all question It is not merely the testimony of such men as Archdeacon Hare and John Sterling of Newman and of John Stuart Mill but it is the fact that the later streams of religious thought in England are all more or less coloured by his influence They flow in deeper and different channels since he lived Not only are some of those streams directly traceable to him and said to derive all their vitality from his principles but those which are most opposed to him have been moulded more or less by the impress of his religious genius There was much in the man Coleridge himself to provoke animadversion there may have been aspects of his teaching that lend themselves to ridicule but if a genius seminal as his has been in the world of thought and 61 cnticTsfia as well as poetry is not to excite our reverence there is little that remains for us to reverence in the intellectual world And when literature regains the higher tone of our earlier national life the tone of Hooker and of Milton Samuel Taylor Coleridge will be again acknowledged in Julius Mr Froude s biographic labours It may be found when the secrets of another Sanctuary are unveiled that if there was not much pious or partly courteous snuffle in the discourse there there was yet in plenty a confused unintelligible flood of utterance threatening to swamp all known land marks of thought and drown the world and us a vast vituperative commotion which made noise in the ear **Movements of Religious Thought in Britain During the Nineteenth Century** John Tulloch,2014-03

This Is A New Release Of The Original 1885 Edition *Movements of Religious Thought in Britain During the Nineteenth*

Century: Being the Fifth Series of John Tulloch, 2019-03-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Oxford Handbook of Nineteenth-Century Christian Thought Joel Rasmussen, Judith Wolfe, Johannes Zachhuber, 2017-06-22 Through various realignments beginning in the Revolutionary era and continuing across the nineteenth century Christianity not only endured as a vital intellectual tradition contributed importantly to a wide variety of significant conversations movements and social transformations across the diverse spheres of intellectual cultural and social history The Oxford Handbook of Nineteenth Century Christian Thought proposes new readings of the diverse sites and variegated role of the Christian intellectual tradition across what has come to be called the long nineteenth century It represents the first comprehensive examination of a picture emerging from the twin recognition of Christianity's abiding intellectual influence and its radical transformation and diversification under the influence of the forces of modernity Part one investigates changing paradigms that determine the evolving approaches to religious matters during the nineteenth century providing readers with a sense of the fundamental changes at the time Section two considers human nature and the nature of religion It explores a range of categories rising to prominence in the course of the nineteenth century and influencing the way religion in general and Christianity in particular were conceived Part three focuses on the intellectual cultural and social developments of the time while part four looks at Christianity and the arts a major area in which Christian ideas stories and images were used adapted changes and challenged during the nineteenth century Christianity was radically pluralized in the nineteenth century and the fifth section is dedicated to Christianity and Christianities The chapters sketch the major churches and confessions during the period The final part considers doctrinal themes registering the wealth and scope through broad narrative and individual example This authoritative reference work offers an indispensable overview of a period whose forceful ideas continue to be present in contemporary theology

Nineteenth Century Religious Thought in the West Ninian Smart, 1988 Now available in paperback the successful three volumes of Nineteenth Century Religious Thought in the West provide a fresh appraisal of the most important thinkers of that time Some essays centre on major figures of the period others cover topics trends and schools of thought between the French Revolution and the First World

War The contributors are among the leading scholars in their field and analyse not only what was said but also why it was said and explore what is of lasting value in it Contributions are sufficiently clear to be of use to students in religious studies and cognate disciplines but have enough depth and detail to appeal to scholars

Religious Thought in the Victorian Age James C. Livingston, 2007-05-31 The central purpose of this book is to offer an account of crucial intellectual challenges to traditional British theology challenges that provoked wide ranging discussions and decisively shaped British theology In several instances they resulted in rather fundamental reconceptions of traditional doctrine and belief Not all of the conclusions reached in these debates proved enduring and some efforts to accomodate theology to advances in the sciences proved spurious or unnecessary Yet even the ill fated forays and speculations were efforts to respond to new genuine questions that required answers Livingston the dean of Victorian religious history approaches this subject from a new perspective By 1860 the religious discussion in Britain had broadened significantly in two ways First the examination of critical theological issues had moved outside the bounds of the established Church of England and its three dominant parties The discussion now engaged highly respected Roman Catholic Nonconformist and secular thinkers of impressive range Second the deeper and more consequential debates on matters touching on religion were no longer dominated by clerics and theologians Livingston demonstrates that the late Victorian decades were a time of vitality and creativity in the educated public s discussion of critical religious and theological matters Livingston reconceptualizes British religious thought in the last decades of the nineteenth century and the first decade of the twentieth

Religious Thought in England in the Nineteenth Century. London, Gibbings, 1896 John Hunt, 1971 **A Victorian Curate** David Yeandle, 2021-05-03 Greatly to be welcomed This meticulously researched and richly documented account provides fresh insights into theological controversy and social prejudice and should be read by all serious students of the Victorian Church Greatly to be welcomed Richard Sharp The Rev Dr John Hunt 1827 1907 was not a typical clergyman in the Victorian Church of England He was Scottish of lowly birth and lacking both social connections and private means He was also a witty and fluent intellectual whose publications stood alongside the most eminent of his peers during a period when theology was being redefined in the light of Darwin s Origin of Species and other radical scientific advances Hunt attracted notoriety and conflict as well as admiration and respect he was the subject of articles in Punch and in the wider press concerning his clandestine dissection of a foetus in the crypt of a City church while his Essay on Pantheism was proscribed by the Roman Catholic Church He had many skirmishes with incumbents both evangelical and catholic and was dismissed from several of his curacies This book analyses his career in London and St Ives Cambs through the lens of his autobiographical narrative Clergymen Made Scarce 1867 David Yeandle has examined a little known copy of the text that includes manuscript annotations by Eliza Hunt the wife of the author which offer unique insight into the many anonymous and pseudonymous references in the text A Victorian Curate A Study of the Life and Career of the Rev Dr John Hunt is an absorbing personal account of the corruption and turmoil

in the Church of England at this time It will appeal to anyone interested in this history the relationship between science and religion in the nineteenth century or the role of the curate in Victorian England **Protestant Thought in the Nineteenth Century, Volume 1** Claude Welch,2003-12-12 This comprehensive study analyzes the theological concerns of the major Protestant thinkers in Europe and the United States during the early part of the nineteenth century The discussion ranges from such influential literary religious thinkers as Carlyle and Emerson to theological critics such as Feuerbach and Kierkegaard *Victorian England 1837-1901* Josef Lewis Altholz,J. L. Altholz,2002-08-22 This book contains 2 500 bibliographical entries covering most aspects of the history of Victorian England **Movements of Religious Thought in Britain During the Nineteenth Century** John Tulloch,2015-09-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
