Reluctant God:

The Reluctant God Pamela F. Service, 1990 Service smoothly weaves fantasy with historical information heightening the effect with an exciting plot BOOKLIST Lorna Padgett an archeologist's daughter has inherited her father's love for ancient Egypt Ameni lived over four thousand years ago The son of a Pharaoh he loved adventure but had no idea what destiny the gods were holding for him These two should never have met But a walk in the hills near her father's dig leads Lorna into strange territory and to an ancient discovery that brings timeless adventure mystery and danger **Reluctant God** Pamela F. Service, 1988 Upperdogs Heather Hughes, Sarah Thiessen, 2015-04-15 In every moment every situation every relationship every idea or possibility Christians have the upper hand We are the ones who know the truth We are the ones for whom death has lost its sting rendering all threats empty We are the ones with the ear of Him who holds all resource all potential all power and authority and who has seen the story to its end and called it good We have all that every human being needs We cannot truly be deceived stolen from humiliated or killed We are the upper dogs in the great story of the universe Our God invites us to actively reign with him to be powerful ambassadors and productive partners but we've been confused about the mechanisms of partnership with him We've underestimated our role in the story What does it look like on a Tuesday morning to be an ambassador of the living God What is happening when we pray How does creation itself speak to the issue of faith and its development Upper Dogs takes a convicting and inspiring ride through these questions You will come away walking a little bit taller and you will never pray the same way again The Reluctant God Pamela F. Service, 1989-12-30 Sealed in a secret tomb in a state of suspended animation just as his brother is about to take the throne of Egypt teenaged Prince Ameni is revived four thousand years later by the fourteen year old daughter of an archeologist *Ten Lies About God* Erwin Lutzer, 2002-02-08 The clearer we see God the clearer we shall see ourselves With this conviction firmly in mind Dr Erwin Lutzer examines ten lies about our Maker that have crept into spiritual thought in postmodern times And he notes that these deceits are prominent not only in non Christian minds but in the professing church as well On the surface each of these lies may appear at least partially true or even harmless But as Dr Lutzer reveals each harbors a distinct danger It isn't biblical so it puts our faith at risk In *Ten Lies About God* he challenges the accuracy of these beliefs Lie 1 God is whatever we want him to be Lie 2 Many paths lead into God's presence Lie 3 God is more tolerant than He used to be Lie 4 God has personally never suffered Lie 5 God is obligated to save followers of other religions Lie 6 God takes no responsibility for natural disasters Lie 7 God does not know our decisions before we make them Lie 8 The Fall ruined God's plan Lie 9 We must choose between God's pleasures and our own Lie 10 God helps those who help themselves The goal of Dr Lutzer's study is not only purity of spiritual belief but an enhanced worship of God **A Beautiful View** F. Morgan Roberts, 2018-06-29 God will never be mad at you Although the Bible assures us that God's essential nature is love how seldom one hears such encouraging words in church Maybe you are one of the many people who have dropped out of the

church because of its prevalent portrayal of God as an unfriendly old man who is always angry with those who don't shape up and worse yet plans to punish those who don't believe and behave correctly with eternal conscious torment. If you've ever wondered whether the Bible supports such an irritated image of God, this book is for you. Looking closely at major beliefs and key passages of Scripture, author Morgan Roberts introduces us to a friendlier God, a God who is incapable of anything other than love, a God who will never give up on anyone, a God who even loves our enemies. Such a beautiful view of God is the result of the author's lifetime journey as a pastor and teacher, a journey that began when as a teenager he happened to find a copy of the New Testament and began reading about a God who is endlessly foolishly and incredibly merciful. **Where Will**

You Be When You Get Where You Are Going? Jesse W. Addison, 2023-07-27. The metrics Defined. In making a precisely defined personal Theological metric assessment, we should: 1. Adhere to a set of properties for a particular communication path; 2. Construct a definite abstract for the notion of distance in a metric space; and 3. Measure the dynamics acting on our souls attributed to God, Satan, and earthly factors related to decisions, activities, and performance. **The Kneeling Christian**

gods Winifred Margaret Lambart Hutchinson, 1927. The Intercession Handbook John Pritchard, 2011-09-22. The bestselling Intercessions Handbook is designed for use in a wide range of formal and informal settings. In two introductory chapters, John Pritchard considers the importance and challenges of the vital task of intercession. He then offers practical examples of intercessions in traditional services, all-age worship, small groups, and personal devotions. Material for seasons, major festivals, and special events is also included. This is a new edition of a book that has become a key resource for church leaders all over the world. **Washington News Letter**, 1901. The Peacemaking Pastor Alfred J. Poirier, 2006-08-01.

Seminaries generally are not very effective in equipping pastors to be ministers of reconciliation, says pastor and experienced mediator Alfred Poirier. The result is pastors trained in biblical exposition, well-ordered worship, and good theology, but with little practical know-how about one of the most important functions they will be expected to perform: conflict resolution. The Peacemaking Pastor provides a survey of the nature and kinds of conflict typical in the pastorate to bring to light the need to recover the ministry of reconciliation. Poirier, chairman of the board of Peacemaker Ministries, shows pastors the importance of a reconciliation ministry, gives them a theological framework for peacemaking, and provides practical tools for facilitating the peacemaking process. Written by a pastor for pastors, this insightful book will encourage and equip seminaries and ministry leaders in their original calling: promoting a culture of peacemaking in the church. **Understanding Prayer for the Dead** James B. Gould, 2017-08-31. Throughout history, Christians have prayed for the dead, both for continual growth of the faithful and for their advancement from purgatory, and sometimes even for the deliverance of the unsaved from hell.

Understanding Prayer for the Dead defends all three kinds of prayer. It challenges Protestants who seldom pray for the dead.

to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James B Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the Church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the centre of God's purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned **Spiritual**

E.

Ramelli,2019-07-15 In the minds of some universal salvation is a heretical idea that was imported into Christianity from pagan philosophies by Origen c 185-253 4 Ilaria Ramelli argues that this picture is completely mistaken She maintains that Christian theologians were the first people to proclaim that all will be saved and that their reasons for doing so were rooted in their faith in Christ She demonstrates that in fact the idea of the final restoration of all creation apokatastasis was grounded upon the teachings of the Bible and the church's beliefs about Jesus' total triumph over sin death and evil through his incarnation crucifixion resurrection and ascension Ramelli traces the Christian roots of Origen's teaching on

apokatastasis She argues that he was drawing on texts from Scripture and from various Christians who preceded him theologians such as Bardaisan Irenaeus and Clement She outlines Origen's often misunderstood theology in some detail and then follows the legacy of his Christian universalism through the centuries that followed We are treated to explorations of Origenian universal salvation in a host of Christian disciples including Athanasius Didymus the Blind the Cappadocian fathers Evagrius Maximus the Confessor John Scotus Eriugena and Julian of Norwich
