Cannibal Holocaust Calum Waddell,2016-12-27 Cannibal Holocaust is one of the most controversial horror films ever made Despite not achieving huge success when it was first released the Italian production found an audience on home video in the 1980s and became a must see for connoisseurs of extreme cinema Indeed Cannibal Holocaust s foremost legacy is in the United Kingdom where it obtained its reputation as one of the most harrowing and offensive video nasties a term used to refer to a group of films deemed to be obscene by the Department of Public Prosecutions However as the years have progressed Cannibal Holocaust has been re evaluated mainly as the forefather of the found footage film and recent home video re releases have added some valuable perspective to the onscreen violence with extensive cast and crew interviews What is missing from this contemporary activity is contextualization of Cannibal Holocaust s style affirmation and discussion of its locations and any extensive discourse about its representation of third world inhabitants i e as primitives In addition and also amiss from

previous dialogue on the production is that Cannibal Holocaust can be seen as one of the key post Vietnam films It is the spectre of war and an explicit warning about Western involvement in civil conflict which progresses Deodato's story of jungle adventurers in peril By approaching the film from a more formalist position this Devil's Advocate provides an insightful discussion of this groundbreaking film [Captain Amberton's Inherited Bride](#) Jenni Fletcher,2018-04-01 Marry me and you'll have your freedom Her father's will dictates Violet Harper must wed or be disinherited yet she'd rather face the wilderness of the wintry Yorkshire moors than be bound to cynical damaged soldier Captain Lance Amberton Lance promises a marriage of convenience that will grant Violet her independence In exchange she must put her faith in Lance and see beyond his gruff exterior to the man beneath Fletcher has crafted a romance to engage medievalists RT Book Reviews on Besieged and Betrothed Medieval fans will love the pageantry the original setting and the surprises at every turn RT Book Reviews on Married to Her Enemy **Moliere and the Comedy of Intellect** J.
