Children of Chaos is the start of a stirring politically charged quest duology by acclaimed fantasy author Dave Duncan On a dodecahedral world in thrall to the tyrannical war obsessed Hrag dynasty no one could stop the Bloodlord from sending troops over the Edge to Florengia invading its major cities and offering them a choice between strict colonial rule and immediate and total destruction When the doge of Celebre was faced with this ultimatum he gave his children up as hostages so that the rest of Celebre might live Thus the four young Florengians were taken from their homes and scattered across the Vigaelian face Fifteen years later and you'd never guess that they're siblings Fabia was adopted by a wealthy landowner and spoiled rotten Orlando desperately yearns to overcome his Florengian blood and fight for the Vigaelian army Benard is a flighty but talented artist and Wisdom has it that Dantio the eldest died fighting his captors But when Celebre suddenly takes on crucial political significance one of the siblings must return home to serve as Celebre's puppet ruler and the others must be eliminated so that there are no rival claimants to the throne It's going to be tough enough finding one another let alone deciding whether enough kinship remains after fifteen years apart that the siblings will care to help each other out of their respective predicaments If they're feeling particularly altruistic the Celebres might even take on the bonus round trying to save Dodec from the culture of death and war imposed on it by its evil warlords One thing's for certain the Celebre children are going to have a lot of adjusting to do At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied When the Saints Dave Duncan, 2024-08-06

This stunning continuation of the story begun in *Speak to the Devil* amps up the romance and intrigue while letting readers spend more time with master fantasist Dave Duncan's unique complex and ornery but delightful characters When we left the Brothers Magnus they had assembled in Cardice to help Anton Magnus defend the castle from attack by a neighboring state with a significant military advantage and several officers who at any moment could request help from saints or depending on your perspective from the devil But Cardice has a secret weapon in the form of young Wulfgang Magnus who can ask a few favors of his own from these

devil saints The only problem is that Wulf is in love with Madlenka the countess from Cardice who was forcibly married to Anton to explain why he's suddenly leading the country Even Wulf is unsure if family and political loyalty should override love He's also beginning to realize that the magical battle he's stepped into has some serious rules that he doesn't know and has no way to learn And when several wild cards in every battle can tap into nearly limitless sources of magic who knows how far and wide the battle might range When the Saints is a Kirkus Reviews Best of 2011 Science Fiction Fantasy title *Mother of Lies* Dave Duncan,2025-04-16 Continuing the storyline set out in *Children of Chaos* *Mother of Lies* is a fierce kinetic romp that will keep readers guessing until the last blow is dealt The past fifteen years have not been kind to Celebre the greatest city on the Florengian face of a dodecahedral world Its walls have been breached and its Doge humiliated by the evil Bloodlord Stralg all four of its heirs kidnapped and taken over the Edge to Vigaelia its Dogaressa forcibly impregnated by Stralg and when her husband's health begins to fail left to rule over a city teeming with Stralg's troops And if you think Stralg is bad wait until you meet his sister Saltaja a fanatic who sees no human cost as too great to keep the Hrag dynasty in power and her goddess evil Xaran the Mother of Lies appeased But there are a few great hopes for the future of the city the Mutineer Marno Cavotti who will not stand to see his hometown destroyed and is massing a powerful liberation movement mere inches beyond Stralg's grasp And the four heirs of Celebre each with god given expertise in their respective fields of artistry combat wisdom or death are wending their way back over the Edge to their birthplace Of course even as Marno and the Celebre children are working towards the common goal of defeating the Hrags they're all painfully aware that once that hurdle is crossed only one of them can wind up on the throne At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied [The Coming of Wisdom](#) Dave Duncan,2014-04-01 A barbarian warrior faces the forces of the Fire God in this thrilling adventure from the acclaimed author of *Children of Chaos* Wallie Smith is staring death in the face only a miracle can save him And then one does The Goddess appears to preserve his soul but she does much more than that She promises to bestow upon him a new and powerful body and more important to endow him with the fabled Sapphire Sword of Chioxin But nothing in this world or any other comes without a price The Goddess demands that for her services Wallie become her champion It will be an honor to serve such a presence to have the chance to be victorious over all challengers But Wallie and his sword quickly find themselves outmatched in a world of high stakes magic Even the Goddess's priests cannot offer any resistance to the invading sorcerers and their quest to conquer souls for the Fire God Wallie will need to find in himself and in the world the powers that will save all mortals He will need to find the Coming of Wisdom
