Rembraandtslife Of Christ:

Christ Our Light Anne Boyd, 2005 Fifteen etchings from the life of Christ by the incomparable Rembrandt van Rijn 1606 69 with a commentary highlighting each scene s religious significance When Rembrandt was a young artist in 17th century Holland paintings and statues had been removed from Protestant churches But people still desired to see Jesus They wanted pictures of the life of Christ in their Bibles and prayer books and to hang on their walls at home Rembrandt was working in a long tradition of Eastern and Western Christian artists who made images of Jesus that reveal him as Emmanuel as God with us They are not trying to depict God impossible or simply show the human side of Jesus Rather they show us a human life radiating the light and force the energy of God When an artist approaches the making of an image of Jesus in a spirit of prayer and reverence as Rembrandt seems to have done the result is an image that invites us to open ourselves to God s action Such an invitation to let God transform us through the contemplation of a prayerful image is similar to opening ourselves to the word of God in slow meditative reading of the Bible In using visual images in prayer the viewer takes the opportunity to pause and to ruminate exploring the depths of the image so that heart speaks to heart in silent communion
