meaning to life to find out not only who you are but also who you have potential to be then pursue that goal Open your mind to the infinite possibilities that do exist for you Born through your dreams then crystallised into form by your desires given impetus by your expectations then made real though your beliefs Life is made up of chances to make choices decisions what we wish to do the accumulated result of those choices is what we call our life The Greatest Sales Training in the World Robert Nelson,2004-09 Based on the All Time Best Seller by Og Mandino this book is a practical how to sales guide that reveals in vivid detail how to Develop successful sales habits Penetrate the defense systems of clients Develop persistence Elevate your self esteem Break the paralyzing habit of procrastination Get Along with Anyone, Anytime, Anywhere!
