The Story of Charlie Mullins Jim Wygand,2012-08-12 Charlie Mullins a divorced executive at a large company falls in love with a woman who he initially doesn t know could destroy his entire career Charlie is convinced that she is his true soul mate and will not give her up even though it would mean the loss of his job and career if it became public knowledge The company he works for has military defense contracts and he would not be given a security clearance once his relationship to Gina was known He will have to choose between the woman and his career While he faces this choice a couple of busybody housewives from the small town in which he was raised and still lives have taken to stalking him because of his secret relationship and their interest in marrying him off to a local woman They feel threatened by his behavior and their response threatens his ability to keep the relationship secret while he devises a plan to marry the woman of his dreams If the relationship becomes known before Charlie is ready and has worked out his plan all will be lost About the Author This is Jim Wygand s third book and his first novel Jim is a business consultant who has worked in and with large corporations during his long and varied career In his first novel Jim has pitted parochial small town gossips against the desire for privacy of a native son and the inner workings and politics of a large multinational corporation The admixture could prove disastrous to Charlie Mullins and his professional and personal plans **Chaplin in the Sound Era** Eric L. Flom,2015-07-11 Charles Chaplin s sound films

have often been overlooked by historians despite the fact that in these films the essential character of Chaplin more overtly asserted itself in his screen images than in his earlier silent work Each of Chaplin s seven sound films *City Lights* 1931 *Modern Times* 1936 *The Great Dictator* 1940 *Monsieur Verdoux* 1947 *Limelight* 1952 *A King in New York* 1957 and *A Countess from Hong Kong* 1967 is covered in a chapter length essay here The comedian s inspiration for the film is given along with a narrative that describes the film and offers details on behind the scenes activities There is also a full discussion of the movie s themes and contemporary critical reaction to it The Nightingale Kelley Dupuis,2021-09-16 Set in the mid 1990s *The Nightingale* tells the story of Tony Braden a man with a rare talent for being in the wrong place at the wrong time Assigned as an information management worker at the U S embassy in Moscow Braden hires a Russian language tutor Nadya Kovalova only to find himself falling in love with her But it s early times in post Soviet Russia and the embassy has not yet

changed its policy against employees fraternizing with Russians Tony is reported and sent back to Washington where he kicks up a public fuss about the outdated policy even taking time to write a novel *The Nightingale* an exercise in anger management in his words When the contact policy is changed and the two lovers are free to be together they make plans to meet for a summer holiday on Spain s Costa Brava Tony thinks his troubles are over actually they re just beginning Part love story part spy story and part satire on the slow byzantine ways of bureaucracy *The Nightingale* takes a look back at a time when the world was changing so rapidly that people and governments were having trouble keeping up *Westworld and Philosophy* James B. Joe Tom's Gift Jerry Alexander,2021-10-18 Who among us hasn t spent hours allowing our minds to fantasize that we have won the lottery or in some way suddenly become wealthy beyond our dreams We appease and excuse ourselves by planning how we would share with our family and somehow make the lives of countless needy people so much better by handing them wads of cash As our daydream finally resolves into reality we know it was just a dream having no basis in the real world However what if we allow our mind to consider for a moment that God who we would agree can do whatever he desires might find an unworthy but available person to receive a gift that would surpass most of us daydreamers wildest imagination This book follows the receiver of the Gift as he is forced to leave his birth home in East Texas with a bullet hole in his side and follows him through many terrible troubles and heartaches including a stint with the U S Marines in Viet Nam that costs him a foot However as he begins to exercise the Gift he transforms from a starving young man eating from garbage cans to the richest man on the planet He faces multiple hardships and abuse and faces his personal fears In the end he overcomes all that and learns to use his wealth to benefit others

The Charlie Muffin Thrillers Volume One Brian Freemantle,2017-11-28 If Brian Freemantle isn t the best writer of spy novels around he s certainly along with John le Carr in the top two The Philadelphia Inquirer Charlie Muffin isn t your typical British spy He s neither high cultured nor well mannered He doesn t care about being smooth pretty or popular he only cares about getting the job done Charlie M After twenty five years serving the Crown in the shadows of the Cold War Charlie finds himself under fire from a new breed of superiors who believe his lack of proper breeding makes him a liability in the spy game against the Soviets But Charlie s going to show them that you don t survive as long as he has without knowing how to turn the tables on your enemy Here Comes Charlie M On the run Charlie has slowly devolved into what his former masters once accused him of being His formerly razor edged instincts have been dulled by indolence drink and the monotonous tension of living in the dark Believing the heat must have cooled by now he returns to England only to discover how very wrong he was and how much more dangerous life has just become The Inscrutable Charlie Muffin Charlie has been

The Folded World Amity Gaige,2011-03-29 From the author of the critically acclaimed *Sea Wife* Praised for her exquisite prose and crystalline insights Amity Gaige returns with *The Folded World* the story of an idealistic young social worker drawn into the lives of his mentally ill clients Charlie Shade was born into a quiet prosperous life but a sense of injustice dogs him He feels destined to leave his life of bread and laundry to work instead with people in crisis On his way he meets his kindred spirit in Alice a soulful young woman living helplessly by laws of childhood superstition Charlie s empathy with his clients troubled souls like Hal the high school wrestling champion who undergoes a psychotic break and Opal the isolated young woman who claims various philosophies have confused my life is both admirable and nearly fatal An adoring husband and new father Charlie risks his own cherished private domestic world to help Hal Opal and others move beyond their haunted inner worlds into the larger world of love and connection A collision of extraordinary characters *The Folded World* addresses the universal dilemma of love wherein giving to another can seem like the death of the world of oneself With an unerring eye for both the joys and devastations of life Amity Gaige once again reminds us of the pleasures and depths to be found in her fiction

Stealing Home (bundle set) Tom Mendicino,2017-01-31 As young men on the cusp of life Charlie Beresford and Kevin KC Conroy forged an unlikely friendship Though the years have lead them down unexpected paths the bonds of an enduring love will bring them back to where they have always belonged In the summer before college hauling furniture is the last thing Charlie Beresford wants do with his time Then Kevin Conroy the Mighty KC joins the moving crew A star baseball player bound for the big leagues Charlie is shocked when KC reveals another side of his jock persona and suddenly Charlie finds the long summer coming to a bittersweet end But as Charlie moves on to Dartmouth KC never makes it to the majors He finds himself in Oregon no longer defined by his physical gifts but building a new life with new friends and learning to play by the heart At twenty two Charlie has a degree in hand and an entry level job in radio But sometimes he feels like the only thing he learned in college was that he s already made the biggest mistake of his life So when he runs into his old high school crush he s more than ready to make up for lost time even if the odds are long Because the one thing Charlie and KC know too well is that the only thing worse than striking out is never taking a chance at all Praise for Tom Mendicino s *Probation* Thoughtful textured and poignant an exciting impressive debut *Time Out NY* A smart engaging witty sad and unusual book about the complicated nature of family and love Bart Yates author of *Leave Myself Behind* A potent debut *Publishers Weekly* Achingly honest Vestal McIntyre author of *Lake Overturn*

The Speed of Perception Tom B. Bacon, 2002-07-17 Until now man s division of the atom so quick and barely detectable has lacked true purpose to create as we were created The frequency of human thought was simply too slow But after the splitting of matter the technology to split time must naturally follow The frequency of human thought is but a singular point between infinite ends With the proper technology one human mind can incorporate others and reside in a thousand skulls Geniuses in every discipline can be subordinated to a single common mind one man thinking and living through others Each man s entirety can be learned his soul probed and upon death the mental sequences that return him to his eternal origins decoded Thus can a host of souls be stolen and stored for the right moment Driven by a high speed processor the frequency of human thought can be altered Its bandwidth can be expanded deepened and accelerated until it takes the form of a white light of consciousness that only gods own From such reference points matter begins to slow its spinning And when the atom is next divided one man can inject his host of souls watch in slow motion and be lord of a new creation Unless of course he can be stopped
