James Agee and the Legend of Himself Alan Spiegel, 1998 James Agee s literary reputation has grown enormously since his death in 1955 He wrote novels short stories poetry film criticism screenplays and investigative journalism but these accomplishments earned him only a modest public reputation during his brief life Ironically Agee s greatest recognition as a writer came posthumously when his novel *A Death in the Family* won the Pulitzer Prize In *James Agee and the Legend of Himself* Alan Spiegel examines these accomplishments and treats Agee not simply as a celebrity journalist or Depression writer but as a self interrogating literary artist who created a homemade legend from his earliest family memories sifting his experience through an automythology composed of his mother his father and himself

Agee at 100 Michael A. Lofaro, 2012-02-25 Drawn mainly from the centennial anniversary symposium on James Agee held at the University of Tennessee in the fall of 2009 the essays of Agee at 100 are as diverse in topic and purpose as is Agee s work itself Often devalued during his life by those who thought his breadth a hindrance to greatness Agee s achievements as a poet novelist journalist essayist critic documentarian and screenwriter are now more fully recognized With its use of previously unknown and recently recovered materials as well as established works this groundbreaking new collection is a timely contribution to the resurgence of interest in Agee s significance The essays in this collection range from the scholarly to the personal and all offer insight into Agee s writing his cultural influence and ultimately Agee himself Dwight Garner opens with his reflective essay on *Why Agee Matters* Several essays present almost entirely new material on Agee Paul Ashdown writes on Agee s book reviews which unlike Agee s film criticism have received scant attention With evidence from two largely unstudied manuscripts Jeffrey Couchman sets the record straight on Agee s contribution to the screenplay for *The African Queen* and delves as well into his television miniseries screenplay *Mr Lincoln* John Wranovics treats Agee s lesser known films the documentaries *In the Street* and *The Quiet One* and the Filipino epic *Genghis Khan* Jeffrey J Folks wrestles with Agee s

culture of repudiation while James A Crank investigates his perplexing treatment of race in his prose Jesse Graves and Andrew Crooke provide new analyses of *Let Us Now Praise Famous Men* and Michael A Lofaro and Philip Stogdon both discuss Lofaro's recently restored text of *A Death in the Family* David Madden closes the collection with his short story *Seeing Agee in Lincoln* an imagined letter from Agee to his longtime confidante Father Flye The contributors to *Agee at 100* utilize materials new and old to reveal the true importance of Agee's range of cultural sensibility and literary ability Film scholars will also find this collection particularly engrossing as will anyone fascinated by the work of the author rightly deemed the sovereign prince of the English language

The Making of James Agee Hugh Davis,2008

Wildly productive during his short life James Agee 1909 1955 is today perhaps best remembered as a novelist his posthumously published *A Death in the Family* won a Pulitzer Prize in 1958 but he was also a poet screenwriter journalist essayist book reviewer and movie critic In *The Making of James Agee* Hugh Davis takes a comprehensive look at Agee's career showing the interrelatedness of his concerns as a writer A full view of Agee's oeuvre Davis argues illuminates its deeply political nature as well as a debt to various sources particularly European surrealism that have been little noted by previous Agee scholars Davis challenges the view of Agee that has persisted since his death that he is best understood primarily as a romantic individualist at odds with convention and the literary mainstream and argues that this myth was largely constructed by friends and associates who were so immersed in the tenets of modernism that they distorted Agee's work and aesthetic intent in an attempt to purify it in modernist terms In revealing a writer of far greater complexity than the Agee myth allows Davis explores for example the leftist poetry that Agee wrote in the 1930s which was almost completely suppressed by his editors He also throws a fresh light on Agee's collaboration with photographer Walker Evans on *Let Us Now Praise Famous Men* and reevaluates *A Death in the Family* in light of recent scholarship that has produced an almost entirely new version of the novel one much closer to Agee's original intentions A much needed corrective to the many misconceptions about Agee Davis's study is a provocative and lucidly written work that is certain to spark new dialogues about one of the most fascinating figures in twentieth century American literature

James Agee in Context

Michael A. Lofaro,2023-01-17 It's difficult to overestimate the impact of the many new works by James Agee uncovered and published in the last twenty years These previously unknown primary works have in turn encouraged a parallel explosion of

critical evaluation and reevaluation by scholars to which *James Agee in Context* is the latest contribution. This superb collection from well known James Agee scholars features myriad approaches and contexts for understanding the author's fiction, poetry, journalism, and screenwriting. The essays bring the reader from the streets of James Agee's New York to travel with the author from Alabama to Hollywood to Havana. Contributors explore overlapping and sometimes unique subjects, themes, and accomplishments or lack thereof in Agee's uncovered works and highlight the diversity of interest that Agee's complete body of work inspires. The insightful scholarship on influence examines connections between Agee and Wright Morris, Helen Levitt, John Dos Passos, Ernest Hemingway, and Stephen Crane. Such juxtapositions serve to illustrate how Agee drew on literary influences as a young man, how he used his work as a journalist to craft fiction as he was about to turn thirty, and his influence upon others. The volume concludes with three poems and a short story by Agee, all previously unknown. It seems astonishing that so much remains to be discovered about this protean author, his materials, and his circle. Yet the recovery and analysis of neglected texts and information mined from newspapers and magazines proves the extent to which Agee kept his mind and his work as he himself put it, patiently concentrated upon the essential quietudes of the human soul.

Agee Agonistes Michael A. Lofaro, 2007. Most widely noted for his acclaimed *Let Us Now Praise Famous Men* and his Pulitzer Prize winning novel *A Death in the Family*, Tennessee native James Agee was also a journalist, film critic, poet, and screenwriter. More than fifty years after Agee's untimely death, his canon of work continues to grow in popularity, and his ability to capture the human condition in all its forms remains unparalleled. *Agee Agonistes* is a compilation of seventeen essays from the James Agee Celebration hosted by the University of Tennessee in April 2005. The collection includes some of the best interpretations of Agee's work and explores the influences on his art, delineates the connections and syntheses he makes within his texts, and examines his involvement in music, ethics, surrealism, local and national history, cinema, television, poetry, literature, sociology, and journalism. The volume features never before seen pictures of Agee, previously unknown correspondence, and a remembrance by his oldest daughter, Deedee. The volume also includes the most extensive bibliography of secondary sources on Agee assembled to date. The essays are divided into four parts: Agee's Influences and Syntheses; Contributors; Paul Sprecher; William Bruce Wheeler; Jack Neely; Jeffrey J. Folks; Hugh Davis; Paul Ashdown; Agee's Films; Contributors; Daniel Feller; Jeffrey Couchman; Mary E. Papke; John Wranovics; Agee's Literature; Contributors; Fred Chappell; Angie Maxwell; John H. Summers; James A. Crank; Michael A. Lofaro; Agee's Correspondence; Contributor; Brian Gempp. In addition, the volume includes an introductory essay entitled *Mapping Agee's Myriad Mind* by noted author David Madden. *Agee Agonistes* will be of interest to all those who study twentieth century America and will introduce a new generation of readers to James Agee. Michael Lofaro is professor of American literature and American and Cultural Studies at the University of Tennessee, Knoxville. He has authored and edited numerous volumes and is coeditor with Hugh Davis of *James Agee Rediscovered: The Journals of Let Us Now Praise Famous Men and Other New Manuscripts*. He is also the general editor

for the ten volume series *The Works of James Agee* and the editor of its forthcoming first volume *A Death in the Family: A Restoration of the Author's Text* **Intellectuals Incorporated** Robert Vanderlan, 2011-06-06 Publishing tycoon Henry Luce famously championed many conservative causes and his views as a capitalist and cold warrior were reflected in his glossy publications. Republican Luce aimed squarely for the Middle American masses yet his magazines attracted intellectually and politically ambitious minds who were moved by the democratic aspirations of the New Deal and the left. Much of the best work of intellectuals such as James Agee, Archibald MacLeish, Daniel Bell, John Hersey, and Walker Evans owes a great debt to their experiences writing for Luce and his publications. *Intellectuals Incorporated* tells the story of the serious writers and artists who worked for Henry Luce and his magazines *Time*, *Fortune*, and *Life* between 1923 and 1960, the period when the relationship between intellectuals, the culture industry, and corporate capitalism assumed its modern form. Countering the notions that working for corporations means selling out and that the true life of the mind must be free from institutional ties, historian Robert Vanderlan explains how being embedded in the corporate culture industries was vital to the creative efforts of mid-century thinkers. Illuminating their struggles through careful research and biographical vignettes, Vanderlan shows how their contributions to literary journalism and the wider political culture would have been impossible outside Luce's media empire. By paying attention to how these writers and photographers balanced intellectual aspiration with journalistic perspiration, *Intellectuals Incorporated* advances the idea of the intellectual as a connected public figure who can engage and criticize organizations from within.

Rufus Paul F. Brown, 2024-01-12 One of the most gifted of America's writers, James Rufus Agee (1909-1955) spent a third of his short life in Tennessee yet no biographical treatment until this one has so fully explored his roots in the state. In *Rufus*, Paul F. Brown draws deeply on a trove of journals, letters, interviews, and contemporaneous newspaper accounts to produce a captivating portrait of Agee's boyhood. Brown meticulously delineates Agee's family history, his earliest years as a sensitive child growing up in Knoxville's Fort Sanders neighborhood, and the traumatic event that marked his sixth year: his father's death in an automobile accident. Young Rufus, as his family always called him, revered his father and would use his memories of the tragedy to create his most enduring work of fiction, the Pulitzer Prize-winning *A Death in the Family*. Just a few years after his father was killed, Agee's mother placed him in the St. Andrew's School for Mountain Boys near Sewanee, Tennessee, where he would meet his mentor and lifelong friend, Father James Flye. These experiences would inspire Agee's poignant novella *The Morning Watch*. Another year in Knoxville followed, and then his mother newly remarried whisked him away to New England where he would complete his education at Phillips Exeter Academy and Harvard. Brown's account deftly reconstructs various settings the young Agee encountered, including not only turn-of-the-century Knoxville and St. Andrew's but also the mountain hamlet of LaFollette, his father's hometown, and the complex family relationships that swirled around the young writer. To be sure, Brown also explores Knoxville's belated discovery of its famous son, initiated when Hollywood came to town in 1962 to film *All the Way Home*, an

adaptation of *A Death in the Family* Notable commemorations including academic seminars a public park and a street named in Agee's honor would come later as the writer's posthumous reputation bloomed And now with Rufus we have the definitive account of how it all began

An Economy of Abundant Beauty Michael Augspurger, 2004 We have made a breakthrough from an economy of scarcity to an economy of abundance Henry Luce noted more than twenty years after founding Fortune magazine Can we make the breakthrough from an economy of abundance to an economy of abundant beauty Michael Augspurger's attractively illustrated book examines Fortune's surprising role in American struggles over artistic and cultural authority during the Depression and the Second World War The elegantly designed magazine launched in the first months of the Depression was not narrowly concerned with moneymaking and finance Indeed the magazine displayed a remarkable interest in art national culture and the literature of business Fortune's investment in art was not simply an attempt to increase the social status of business It was Augspurger argues an expression of the editors' sincere desire to develop a moral capitalism Optimistically believing that the United States had entered a new economic era the liberal business minds behind Fortune demanded that material progress be translated into widespread leisure and artistic growth A thriving national culture the magazine believed was as crucial a sign of economic success as material abundance and technological progress But even as the enlightened business ideology of Fortune grew into the economic common sense of the 1950s the author maintains the magazine's cultural ideals struggled with and eventually succumbed to the professional criticism of the postwar era
