The Maiden At Midnight - A Regency Romance Novel (Midnight Masquerade Series) Kate Harper, 2012
Isabella Hathaway has had a dreadful twelve months: her family has no money, her brother is lost, and she has been jilted. To provide for her two sisters, she must find a suitable husband, no easy thing when she had been living under a cloud of scandal. When Isabella is kidnapped from a masquerade ball and she believes herself ruined, little does she know that her future is suddenly looking up. 64,620 words.

Assimilated Cuban's Guide to Quantum Santeria Carlos Hernandez, 2016-01-01
A quirky collection of short sci-fi stories for fans of Kij Johnson and Kelly Link. Assimilation is founded on surrender and being broken; this collection of short stories features people who have assimilated but are actively trying to reclaim their lives. There is a concert pianist who defies death by uploading his soul into his piano. There is the person who draws his mother's ghost out of the bullet hole in the wall near where she was executed. Another character has a horn growing out of the center of his forehead, punishment for an affair. But he is too weak to end it, too much in love to be moral. Another story recounts a panda breeder looking for tips. And then there's a border patrol agent trying to figure out how to process undocumented visitors from another galaxy. Poignant by way of funny and philosophical by way of grotesque, Hernandez's stories are prayers for self-sovereignty.

Make Mine a Double Regina Barreca, 2011

Remind Me Again Why I Married You Rita Ciresi, 2003-05-27
No one blends humor and heartbreak like Rita Ciresi, whose award-winning novels are lauded as much for their generous wit as for their unflinching honesty. Ciresi's crowd-pleasing novel *Pink Slip* captivated readers and critics alike, introducing two utterly unforgettable characters and a love story both bittersweet and comic. Now Ciresi returns to the people and place of that irresistible bestseller in a riotous and rueful, sexy and poignant tale of married love: a novel that asks how two people who fell desperately, passionately, heartbreakingly in love can sustain a second act. It's Valentine's Day, and Lisa Strauss nee DiDietto is spending it playing dutiful wife at a 100-a-head benefit instead of in bed with Eben, her hardworking husband of 15 years. It's only five years ago that Lisa too was a member of the corporate workaday world until she fell in love with her boss. Eben gave birth to a cute but rambunctious son and gradually morphed into a stay-at-home mom. Somewhere in the mix, Lisa also is a writer with ambitions of fame and glory, but those dreams seem to be shrinking along with her sex life. That is, until a hotshot literary agent shows interest in Lisa's magnum opus. Suddenly she has a pen name and an excerpt of her book appears in *Playboy*. In between revising chapters, Lisa is trying and failing miserably to get pregnant again. She's going house

hunting with Cynthia Farquhar the gorgeous blond Realtor divorcee who has become her closest confidante and the object of Eben's secret fantasies And she's wondering if this is all marriage is and can ever be bonded for life to a man who may never again be the red hot lover of their pre marriage union In fact he just may turn out to be the conflicted protagonist of her novel a devoted family man whose moral fiber may not be strong enough to withstand the slings and arrows of lust and temptation As their lives begin to bizarrely mirror aspects of Lisa's book as marital life as they know it teeters on the edge of utter chaos Lisa and Eben search apart and together for the answer to the question that has plagued husbands and wives since time immemorial Can love survive marriage In a wickedly funny right on target look at love and relationships Rita Ciresi peels back the layers of a marriage with equal doses of hilarity and humanity Filled with all the zest zingers and unexpected surprises of life Remind Me Again Why I Married You is this uncommonly gifted author at her lusty and liberating best

The Dead Speak Rodger Ghost Sims, 2016-06-16 Between being possessed by an angry spirit and being accused of a brutal murder Joey Stillman is in a fight for his life He has no memory of the attack but he remembers the bloody aftermath vividly Since being arrested he struggles with rage that seems to flow from his dreams and the patience and control required dealing with his trial Help for what it is worth is on the way in the unlikely form of two elderly men one carrying a scrapbook and the other carrying an old brown backpack Its time to let the dead speak
