Diary of a Combatant Che Guevara, 2013-10-14 Che Guevara's original unpublished diaries from the guerrilla war in Cuba's Sierra Maestra

Che Guevara Allan Todd, 2024-07-30 Although Che Guevara was murdered almost sixty years ago the famous red and black image of him is still widely seen around the world at leftist political demonstrations and ironically given his strong opposition to capitalism on many commercial products However he was a controversial figure during his lifetime and remains so today On both the political left and the political right attitudes to him vary widely while some see him as a romantic highly principled and legendary fighter for the world's poor and exploited masses others depict him either as an unrealistic and thus irrelevant adventurer or even as a ruthless and cold blooded butcher Consequently biographies about him over the decades have ranged from the overly sympathetic to the extremely hostile As well as covering aspects of his family life and his loves and his early sometimes less than revolutionary attitudes this biography as expected deals with those areas for which Che is best known These include his adventurous explorations as a young man on a motorbike of Latin and Central America his leadership and bravery during Cuba's Revolutionary War his practical and theoretical contributions to the conduct of guerrilla warfare and his emergence as an international revolutionary legend who inspired radical young people in the 1960s and who continues to inspire rebellious people around the world today However this biography also explores other aspects of Che's life which are not so well known From an early age he developed a keen love of reading covering an eclectic mix of adventure stories poetry history and philosophy and from his teens he began a lifetime habit of making notes on what he read He also became a strong chess player able enough to draw with one of the world's leading grandmasters Even during guerrilla campaigns he managed to maintain those loves Since his murder he has emerged as an original contributor to Marxist economics and philosophy It was his wide ranging studies that led him to become an outspoken opponent of the orthodox communism followed in the Soviet Union and of its Cold War foreign policy of peaceful coexistence His tolerance of

and willingness to work with those having different views saw him accused of Maoism and even Trotskyism More accurately Che has bequeathed the unique strand of revolutionary socialism known as Guevarism *FIVE YEARS IN REVOLUTIONARY CUBA* Carroll English,2010-10-21 As a young missionary in Cuba during its revolution 50 years ago Carroll English kept a diary of the events as the revolution closed in upon her and her missionary colleagues in the girl s school where she had been assigned by her church The text for this book is largely drawn from her diary jottings of the time *The Bolivian Diary of Ernesto Che Guevara* Ernesto Guevara,Mary-Alice Waters,1994-01-01 Guevara s day by day chronicle of the 1966-67 guerrilla campaign in Bolivia an effort to forge a continent wide revolutionary movement of workers and peasants and open the road to socialist revolution in South America Includes excerpts from the diaries and accounts of other combatants including for the first time in English My Campaign with Che by Bolivian leader Inti Peredo Selected for inclusion in Significant Books of the Last 75 Years Foreign Affairs Waters meticulously edited pair of volumes Episodes of the Cuban Revolutionary War and The Bolivian Diary is now the best original source for English speaking scholars Her attention to detail and her precision do not overcome the rough eloquence that was Guevara s style the transcendental message of a new moral order bites through the prose with deceptive simplicity Hispanic American Historical Review Beautifully edited and illustrated Russell W Ramsey Troy State University in Hispanic American Historical Review Introductions by Mary Alice Waters and Fidel Castro 16 page photo section plus other photos maps reproductions of documents List of Combatants chronology glossary notes index
